

The Gift Of Water: God Brings Order To Chaos

Deep question

Where do you see chaos in your own life, and how might God be hovering over it right now?

Scripture

Genesis 1:2

Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters.

John 7:37-39

On the last and greatest day of the festival, Jesus stood and said in a loud voice, "Let anyone who is thirsty come to me and drink. Whoever believes in me, as Scripture has said, rivers of living water will flow from within them."

Teaching (from Video 1):

Before light, land, or sky existed, the Spirit hovered over the waters. Water is the first image of God stepping into chaos and bringing order. Jesus later promises rivers of living water to flow from those who believe. God has always used water to show His heart. He enters chaos and brings life.

Family Activity

Fill a bowl with water. Ask each family member to share one "chaotic" place in their life. Gently swirl the water and remind them that God's Spirit moves toward chaos, not away from it.

Prayer

Lord, thank you for being near in our chaos. Teach us to trust your presence and your living water.

A moment to reflect:

Ask God to open your family's hearts to the places in the world where chaos reigns because clean water and the Gospel have not yet come.
