Advent

Advent is the season before Christmas that helps Christians focus on the true meaning of Christmas.

The Advent wreath traditionally hold four candles (three are purple and one is pink). The candles represent Jesus coming as a light in the darkness. One candle is lit each Sunday until all four candles are lit.

As Christmas draws nearer, each candle brings a little more light into the darkness.

"The HEARTBEAT of CLASSICAL EDUCATION is TO TEACH our students TO THINK critically and TO KNOW how TO LEARN."

Classical education is sometimes called "leadership education" because it builds skills needed for leadership, like logic, debate, public speaking, clear reasoning, researching, writing, and communicating. These skills are practiced in every subject (theology, mathematics, science, history, geography, language, fine arts, and more).

Sunday Reflection

When Jesus rose from the dead, he showed his disciples that even death will be overcome by God. In today's Gospel, he expands that to include most of the bad things that can happen to both non-believers and disciples alike.

Starting with the destruction of the temple in Jerusalem, Jesus mentions most of the scary things that people thought would bring the end of the world. He gives two pieces of advice. First, don't be fooled by anyone who says this is the end or who claims to be Jesus. When Jesus comes again, there will be no doubt about who it is. Then, don't be terrified by natural disasters or wars.

As disciples, we hope we would respond to disasters not with fear, but with love. Believers can voluntarily help those affected, comfort the survivors, or help rebuild their homes or schools. People have welcomed strangers into their homes after a flood or hurricane has destroyed a neighborhood.

There is a saying that "no good deed goes unpunished." Jesus never says that his disciples would be given awards for their acts of charity. In the second half of the Gospel, he says that his disciples would be persecuted, hated, and even betrayed by their own families. Jesus has advice for that situation, too. He tells us "not to prepare your defense," but to let him give us the words.

I suspect that he means not to worry about what you might say, lest you become speechless. If you let him, Jesus will "prepare" you with the scripture readings, your pastor's homilies, and your own prayer life. All of these can help open us to the gifts of the Spirit, who helps us proclaim our faith without fear.

Cuando Jesús resucitó, mostró a sus discípulos que incluso la muerte será vencida por Dios. En el Evangelio de hoy, amplía esta idea para incluir la mayoría de las cosas malas que pueden suceder tanto a los no creyentes como a los discípulos. Comenzando con la destrucción del templo en Jerusalén, Jesús menciona la mayoría de las cosas aterradoras que la gente creía que traerían el fin del mundo.

TEXAS EDUCATION FREEDOM ACCOUNTS

Freedom to learn your way.

In May of 2025, Texas passed House Bill II (HB II) establishing a school choice program that allows families to use public tax dollars for private school tuition and other educational expenses. It became the 36th state in the nation to have School Choice. These state funds, referred to as TEFAs (Texas Education Freedom Accounts), will be put into accounts for parents to choose where to send their children. One billion dollars will be provided for up to 90,000 students (\$10,500/student enrolled in an eligible school; \$30,000/student with a disability; \$2,000/student who is home-schooled).

Eligible expenses include school tuition, tutoring, uniforms, therapies for students with special needs, and textbooks, to name a few. Saint Pius X will be applying to be an eligible school. Please be on the lookout for updates in the church bulletin on how you can proceed with the application process through the state comptroller's office. The application process will begin in January of 2026. We hope that you will prayerfully consider joining our Saint Pius X Catholic School Ram Family where faith and community are everything.
