RE: Waiver Request Letter
Cranberry Creek Apartments
Pocono Township LDP No. 1369
Preliminary/Final Land Development
Pocono Township, Monroe County
Hanover Project PA-1213

Dear Commissioners:

On behalf of Cranberry Creek Apartments, we would like to request the following waivers/modifications from the Pocono Township Subdivision and Land Development Ordinance:

1. §390-29.K: "A community impact analysis including the following information shall be required for land developments containing 15 or more dwelling units or residential lots in the aggregate; all nonresidential developments (with the exception of agricultural development) with buildings containing in excess of 20,000 square feet of floor space in the aggregate; or development of any kind impacting 30 acres of land or more in the aggregate."

A waiver is requested from having to prepare a community/fiscal impact analysis.

Justification: The project proposes two-bedroom apartments that attract few families with children and therefore have a positive fiscal impact on the community. Additionally, the restaurant use will have a positive impact on the community as they offer new jobs, and will generate additional tax revenue for the township. The Monroe County Comprehensive Plan states that apartments are in short supply and more are needed, specifically along the S.R. 611 corridor, among other places in the County. Preparation of a community/fiscal impact analysis requires large amounts of data to be collected from the township, county, and state, and the result of the analysis will have no impact on the design, as the proposed uses are permitted by right.

2. §390-55.C(2)(a): "One planting island shall be provided for every 10 parking stalls."

A waiver is requested not include landscaping islands every 15 spaces.

Justification: The islands cause a reduction of parking spaces which unnecessarily increases the footprint of the project, and creates additional, more impactful conflicts with the township's ordinances. The project propose significant planting and preservation of acres of high quality woodlands. The additional islands would provide little additional visual benefit. An 8-foot wide

planting strip has broken up the parking lots from each other, and parking islands have been provided to separate the parking spaces from the driveway.

3. §390-55.F(3)(a) & 390-55.F(3)(c): Property line and road right-of-way buffers shall be required for the following types of development:All non-residential development; and all multifamily development; and

...the Property Line/ROW width requirements; Medium (15' for all side and rear lot lines and 30' for the parking buffer along R.O.W.)

A waiver is requested to allow for less than the required trees in the front R.O.W./parking buffer along S.R. 0611 (44 evergreen trees, 18 ornamental trees, and 18 canopy trees), and to permit use of existing healthy woodlands as an equivalent to the required buffer tree plantings along the side and rear lot lines, as is permitted by 390-55.F(3)(g), which states: "Existing healthy trees, shrubs, or woodlands may be substituted for part or all of the required plants with the approval of the Township. The minimum quantities and/or visual effect of the existing vegetation shall be equal to or exceed that of the required buffer as determined by the Township".

Justification: Within the 30-foot wide parking buffer, 5 red maples, 3 willow oaks, 5 white oaks, 5 tulip poplars, one spicebush, and two red chokeberries are proposed. Additionally, between S.R. 611 and the parking areas, but outside the buffer area, an additional six willow oaks, one red pine, one black cherry, seven white oaks, one tulip poplar, five red chokeberries, seven spicebushes, and six common junipers area proposed. A majority of the site's proposed 94 deciduous trees, 21 ornamental trees, 9 evergreen trees, 58 deciduous shrubs, and 57 evergreen shrubs are between the road and the proposed buildings. Furthermore, 293 trees and 247 shrubs are proposed to be planted along the riparian buffer.

The existing surrounding uses have no front buffer plantings along S.R. 611. The existing strip mall use on the property is within 3 feet of the R.O.W. of S.R. 611. Generally, businesses along 611 desire visibility to attract customers or tenants, as is the case with this project. Additionally the uses across the road include a car dealership without any discernable buffer and a municipally-owned pump station, neither use which will be negatively impacted by this project. Additionally, the clear sight triangle requirement and proposed sidewalk reduces the available area for landscaping along the property's frontage.

4. §390-55.G: Materials specifications, maintenance, and guarantee. The following standards shall apply to all plants or trees as required under this chapter: ... New canopy trees shall have a minimum caliper of 2.5 inches at planting; New ornamental trees shall have a minimum height of six feet or one-and-a-half-inch caliper. New large shrubs shall have a minimum height of 2.5 feet to three feet at the time of planting; New shrubs shall have a minimum height of 18 inches at the time of planting; New evergreens shall have a minimum height at planting of six feet to seven feet.

A waiver is requested to allow for the trees and shrubs planted in the riparian buffer to be smaller than the requirements of this section (1-gallon size trees and bare root shrubs.)

Justification: These areas are designed to be of benefit for use as a stormwater best management practice and provide buffers above and beyond the landscaping requirements of the ordinance. Existing wooded areas are to be preserved beyond the riparian planting area, as well, and the credit applied for these areas is well beyond the requirements of the buffer yards for which we

are applying this waiver request. Additionally, a larger quantity of plantings are proposed in a riparian buffer to allow the native vegetation that will best survive to take over, flourish, and fill in the gaps for species that may not flourish as well. The best way to guarantee this is to allow the vegetation to establish itself from a smaller plant size rather than planting an already-established tree or shrub.

5. §390-59.B: "Parking space and aisle dimensions shall be no less than those listed in the following table: (Parking width of 10 feet required for 90-degree angle parking)"

A waiver is requested to reduce the width of the parking spaces from 10 feet to 9 feet.

Justification: The nine-foot parking space width is necessary to fit the amount of parking required. Nine feet in width is also the permitted minimum requirement in the zoning ordinance.

6. §365-8.L: "Roof drains and sump pumps shall discharge to infiltration or vegetative BMPs wherever feasible. Roof drains should not be connected to streets, sanitary or storm sewers or roadside ditches in order to promote overland flow and infiltration/percolation of stormwater. Considering potential pollutant loading, roof drain runoff in most cases will not require pretreatment."

A waiver is requested to allow for roof drains to connect to stormwater pipe.

Justification: The purpose is to promote filtering of the runoff prior to discharge into waters of the Commonwealth. The roof drains will be discharging into a level spreader which will filter the runoff from the site through 150 feet of a riparian buffer with soil amendments designed to treat stormwater runoff prior to discharge into waters of the Commonwealth.

7. §365-13.B: "All calculations consistent with this chapter using the Soil Cover Complex Method shall use the appropriate design rainfall depths for the various return period storms according to the region in which they are located as presented in Table B-1 in Appendix A of this chapter. If a hydro logic computer model such as PSRM or HEC-1 is used for storm water runoff calculations, then the duration of rainfall shall be 24 hours. The NRCS "S" curve shown in Figure B-1, Appendix A of this chapter, shall be used for the rainfall distribution." The Post Construction Stormwater Management Report (Page 5) states, "Rainfall data was obtained from National Oceanic and Atmospheric Administration (NOAA) Atlas 14 Point Precipitation Frequency Estimates for Pennsylvania."

A waiver is requested to allow for use of NOAA Atlas 14 data to be used for precipitation data as opposed to Appendix B of the Stormwater Ordinance.

Justification: The PADEP recommends use of this data.

Should you have any comments or questions please contact the undersigned.

Re: Underwriter Engagement Relating to Potential Municipal Securities Transaction for the Series of 2025, General Obligation Bonds or Notes

Dear Mr. Jerrod Belvin:

The Township of Pocono ("Issuer") and Stifel, Nicolaus & Company, Incorporated ("Stifel") are entering into this engagement letter to confirm that they are engaged in discussions related to a potential issue of municipal securities related to General Obligations Bonds or Notes (the "Issue") and to formalize Stifel's role as underwriter with respect to the Issue.

Engagement as Underwriter

Issuer is aware of the "Municipal Advisor Rule" of the Securities and Exchange Commission ("SEC") and the underwriter exclusion from the definition of "municipal advisor" for a firm serving as an underwriter for a particular issuance of municipal securities. Issuer hereby designates Stifel as an underwriter for the Issue. Issuer expects that Stifel will provide advice to Issuer on the structure, timing, terms and other matters concerning the Issue.

Limitation of Engagement

It is Issuer's intent that Stifel serve as an underwriter for the Issue, subject to satisfying applicable procurement laws or policies, formal approval by the Board of Supervisors of the Issuer, finalizing the structure of the Issue and executing a bond purchase agreement. While Issuer presently engages Stifel as the underwriter for the Issue, this engagement letter is preliminary, nonbinding and may be terminated at any time by Issuer, without penalty or liability for any costs incurred by the underwriter, or Stifel. Furthermore, this engagement letter does not restrict Issuer from entering into the Issue with any other underwriter or selecting an underwriting syndicate that does not include Stifel.

Disclosures Required by MSRB Rule G-17 Concerning the Role of the Underwriter

The Issuer confirms and acknowledges the following disclosures, as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-17 as set forth in MSRB Notice 2019-20 (Nov. 8, 2019)¹:

The following G-17 conflict of interest disclosures are broken down into three types, including: 1) dealer-specific conflicts of interest disclosures (if applicable); 2) transaction-specific disclosures (if applicable); and 3) standard disclosures. You may receive additional separate disclosure letters pursuant to Rule G-17 from the co-managing underwriter or other syndicate members for the Issue if they have their own dealer-specific or transaction-specific disclosures.

¹ Revised Interpretive Notice Concerning the Application of MSRB Rule G-17 to Underwriter of Municipal Securities (effective Mar. 31, 2021).

1. Dealer-Specific Conflicts of Interest Disclosures

Stifel has identified the following actual or potential² material conflicts of interest:

Stifel and its affiliates comprise a full service financial institution engaged in activities which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Stifel and its affiliates may have provided, and may in the future provide, a variety of these services to the Issuer and to persons and entities with relationships with the Issuer, for which they received or will receive customary fees and expenses.

In the ordinary course of these business activities, Stifel and its affiliates may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the Issuer (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the Issuer.

Stifel and its affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire such assets, securities and instruments. Such investment and securities activities may involve securities and instruments of the Issuer.

2. Transaction-Specific Disclosures Concerning Complex Municipal Securities Financing:

- Since we have not recommended a “complex municipal securities financing” to the Issuer or Obligor, additional disclosures regarding the financing structure for the Issue are not required under MSRB Rule G-17.

3. Standard Disclosures

• Disclosures Concerning the Underwriter Role:

- MSRB Rule G-17 requires an underwriter to deal fairly at all times with both issuers and investors.
- The underwriter primary role is to purchase the securities with a view to distribution in an arm’s-length commercial transaction with the Issuer. The underwriter have financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, an underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer’s interest in this transaction.

² When we refer to *potential* material conflicts throughout this letter, we refer to ones that are reasonably likely to mature into *actual* material conflicts during the course of the transaction, which is the standard required by MSRB Rule G-17.

- o The underwriter have a duty to purchase the securities from the Issuer at a fair and reasonable price, but must balance that duty with their duty to sell the securities to investors at prices that are fair and reasonable.
- o The underwriter will review the official statement for the securities, if any, in accordance with, and a part of, their respective responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction.³
- Disclosures Concerning the Underwriter Compensation:
 - o The underwriter will be compensated by a fee and/or an underwriting discount that will be set forth in the bond purchase agreement to be negotiated and entered into in connection with the Issue. Payment or receipt of the underwriting fee or discount will be contingent on the closing of the transaction and the amount of the fee or discount may be based, in whole or in part, on a percentage of the principal amount of the Issue. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since the underwriter may have an incentive to recommend to the Issuer a transaction that is unnecessary or to recommend that the size of the transaction be larger than is necessary.

It is our understanding that you have the authority to bind the Issuer by contract with us, and that you are not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Sincerely,

Stifel, Nicolaus & Company, Incorporated

³ Under federal securities law, an issuer of securities has the primary responsibility for disclosure to investors. The review of the official statement by the underwriter is solely for purposes of satisfying the underwriter obligations under the federal securities laws and such review should not be construed by an issuer as a guarantee of the accuracy or completeness of the information in the official statement.

**TOWNSHIP OF POCONO,
Monroe County, Pennsylvania**

ORDINANCE NO. 22

INCURRING NONELECTORAL DEBT TO BE EVIDENCED BY ONE OR MORE SERIES OF GENERAL OBLIGATION BONDS IN THE MAXIMUM PRINCIPAL AMOUNT OF \$11,495,000, TO REFUND THIS TOWNSHIP'S OUTSTANDING GENERAL OBLIGATION NOTE, SERIES OF 2024, COMPLETE THE RENOVATION OF A BUILDING TO BECOME THE TOWNSHIP'S MUNICIPAL COMPLEX, AND PAY THE COSTS OF ISSUING THE BONDS; ACCEPTING A PROPOSAL FOR THE PURCHASE OF BONDS; SETTING FORTH THE PARAMETERS, SUBSTANTIAL FORM OF AND CONDITIONS FOR ISSUING THE BONDS; PLEDGING THE FULL FAITH, CREDIT AND TAXING POWER OF THIS TOWNSHIP TO SECURE THE BONDS; APPOINTING A PAYING AGENT AND SINKING FUND DEPOSITORY; AND AUTHORIZING RELATED DOCUMENTS AND ACTIONS.

WHEREAS, the Township of Pocono, in Monroe County, Pennsylvania (the "Township"), is a political subdivision (township of the first class) of the Commonwealth of Pennsylvania (the "Commonwealth"), a "local government unit" as defined by the Local Government Unit Debt Act, 53 Pa.C.S. Chs. 80-82 (the "Debt Act"), and is governed by its Board of Commissioners (the "Board of Commissioners"); and

WHEREAS, The Board of Commissioners, under Township Ordinance No. 2024-03 enacted on April 23, 2024 (the "2024 Note Enabling Ordinance"), authorized and secured its General Obligation Note, Series of 2024, in the maximum principal amount of \$5,175,000 (the "2024 Note"), which was issued on May 29, 2024, as interim financing to purchase and renovate an existing building to become the Township's municipal complex, and to purchase property for recreational open space (the "Capital Projects"), as described in the 2024 Note Enabling Ordinance, and which 2024 Note is subject to optional redemption, in whole or in part, on any date; and

WHEREAS, The Department of Community and Economic Development (the "Department") of the Commonwealth approved the debt proceedings of this Township related to the 2024 Note, as evidenced by Certificate of Approval No. GON 240515-01, dated May 15, 2024; and

WHEREAS, The Board of Commissioners has determined to refund the outstanding principal balance of the 2024 Note, substantially as set forth in a refunding report (the "Refunding Report") prepared for this Township by PFM Financial Advisors LLC (the "Municipal Advisor"), as the Township's independent municipal advisor; and

WHEREAS, The Board of Commissioners contemplates issuing nonelectoral debt, consisting of one or more series of general obligation bonds in the maximum aggregate principal amount of Eleven Million Four Hundred Ninety-five Thousand Dollars (\$11,495,000) (collectively the "Bonds" and individually a "Bond"), to retire the 2024 Note, complete the Capital Projects and pay the costs of issuing the Bonds (collectively, the "Projects"); and

WHEREAS, The Board of Commissioners has determined that the Bonds shall be offered in a private sale by negotiation at a net purchase price of not less than 95% nor more than 125% of the aggregate principal amount of the Bonds issued (including underwriting discount and original issue discount or premium), plus any accrued interest (the "Purchase Price"); and

WHEREAS, A proposal for the purchase of bonds, to be dated November 3, 2025 (the "Proposal"), to purchase the Bonds has been received from the Stifel, Nicolaus & Company, Inc. (the "Underwriter"), containing financial parameters for, and conditions to, the sale, purchase and issuance of the Bonds, which are consistent with the maximum yields to maturity and maximum principal payment amounts by fiscal year set forth in **Exhibit A** attached hereto and made a part hereof (the "Bond Parameters"), which Proposal will be supplemented by an Addendum to the Proposal (the "Addendum") containing the final terms and conditions for the Bonds, within the Bond Parameters; and

WHEREAS, The Board of Commissioners desires to accept the Proposal, award the sale of the Bonds, as nonelectoral debt, and take appropriate action in accordance with the Debt Act; and

WHEREAS, The Board of Commissioners has determined to appoint Manufacturers and Traders Trust Company ("Paying Agent"), having a corporate trust office in Harrisburg, Pennsylvania, as paying agent and sinking fund depository for the Bonds.

NOW, THEREFORE, BE IT ENACTED AND ORDAINED, by the Board of Commissioners, as follows:

SECTION 1. The Board of Commissioners hereby authorizes and secures the issuance of the Bonds, pursuant to this Ordinance and in accordance with the Debt Act, to undertake the Projects. The law firm of Eckert Seamans Cherin & Mellott, LLC is retained by this Township as its bond counsel in connection with the issuance of the Bonds. The Township hereby waives any potential conflict of interest arising from bond counsel's representation of the Underwriter in unrelated transactions.

SECTION 2. The Board of Commissioners finds that it is in the best financial interests of this Township to sell the Bonds in a private sale by negotiation and determines that the

debt to be incurred pursuant to this Ordinance shall be nonelectoral debt. The Projects may be combined for purposes of the financing.

SECTION 3. The refunding of the 2024 Note is authorized under Section 8241(b)(5) of the Debt Act, 53 Pa. C.S. §84241(b)(5) (substituting a note with bonds). The reasonably expected useful lives of the Projects are not less than 30 years. The first stated maturity date of the Bonds shall be not more than two years from the issue date thereof, as required by Section 8142 of the Debt Act.

SECTION 4. The Board of Commissioners accepts the Proposal of the Underwriter, and the President or Vice President of the Board of Commissioners is authorized to sign the Proposal on behalf of this Township. The Township Manager is hereby authorized to direct the Municipal Advisor when to market the Bonds and to approve an Addendum containing the final terms and conditions of the Bonds within the Bond Parameters. An Addendum, to be presented by the Municipal Advisor and so approved, shall be executed and delivered by the President or Vice President of the Board of Commissioners and included as a part of the Proposal accepted by this Ordinance.

SECTION 5. The Bonds, when issued, will be general obligation bonds and constitute nonelectoral debt of this Township.

SECTION 6. The Bonds shall be issuable as one or more series, as fully registered bonds, without coupons, in denominations of \$5,000 principal amount and integral multiples thereof.

Each of the Bonds shall bear interest from the interest payment date next preceding the date of registration and authentication of such Bond, unless: (a) such Bond is registered and authenticated as of any interest payment date, in which event such Bond shall bear interest from such interest payment date; or (b) such Bond is registered and authenticated after a Record Date (hereinafter defined) and before the next succeeding interest payment date, in which event such Bond shall bear interest from such next succeeding interest payment date; or (c) such Bond is registered and authenticated on or prior to the Record Date next preceding the first interest payment date, in which event such Bond shall bear interest from the dated date of the Bonds; or (d) as shown by the records of the Paying Agent, interest on such Bond shall be in default, in which event such Bond shall bear interest from the date to which interest was last paid on such Bond. Interest on each of the Bonds shall be payable initially on a date selected by this Township, and thereafter, semiannually, until the principal sum thereof is paid or provision for payment thereof duly has been made. Except as to distinguishing series or subseries, numbers, denominations, interest rates and maturity dates, the Bonds and the Paying Agent's certificates of authentication shall be substantially in the forms and shall be of the tenor and purport hereinafter set forth, with insertions and variations (including CUSIP numbers) approved by this Township, the ultimate purchaser of the Bonds and the Paying Agent, as may be appropriate for different series, denominations and maturity dates.

Principal, premium, if any, and interest with respect to the Bonds shall be payable in lawful money of the United States of America.

The principal of and premium, if any, on the Bonds shall be payable to the registered owners thereof or their transferees, upon presentation and surrender of the Bonds at the place or places set forth in the Bonds. Payment of interest on the Bonds shall be made by check mailed to the registered owners thereof whose names and addresses appear at the close of business on the fifteenth (15th) day next preceding each interest payment date (the "Record Date") on the registration books maintained by the Paying Agent on behalf of this Township, irrespective of any transfer or exchange of any Bonds subsequent to the Record Date and prior to such interest payment date, unless this Township shall be in default in payment of interest due on such interest payment date. In the event of any such default, such defaulted interest shall be payable to the persons in whose names the Bonds are registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Paying Agent on behalf of this Township to the registered owners of the Bonds not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day preceding the date of mailing.

If the date for payment of the principal of or interest on any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized or required by law or executive order to close, then the date for payment of such principal or interest shall be the next succeeding day that is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized or required to close, and payment on such date shall have the same force and effect as if made on the nominal date established for such payment.

SECTION 7. This Township and the Paying Agent may deem and treat the persons in whose names the Bonds shall be registered as the absolute owners thereof for all purposes, whether such Bonds shall be overdue or not, and payment of the principal of, premium, if any, and interest on the Bonds shall be made only to or upon the order of the registered owners thereof or their legal representatives, but registration of a transfer of ownership may be made as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, to the extent of the sum or sums so paid, and neither this Township nor the Paying Agent shall be affected by any notice to the contrary.

SECTION 8. Registration of the transfer of ownership of Bonds shall be made upon surrender of any of the Bonds to the Paying Agent, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner thereof or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of any of the Bonds in the registration books and shall authenticate and deliver, at the earliest practicable time, in the name of the transferee or transferees, a new fully registered Bond or Bonds of authorized denominations of the same series, maturity and interest rate for the aggregate principal amount that the registered owner is entitled to receive. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same series, maturity and interest rate.

SECTION 9. If Bonds shall be subject to optional redemption or mandatory redemption prior to stated maturity, the Township and the Paying Agent shall not be required to register the transfer of or exchange any of the Bonds then considered for redemption during the period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of such Bonds to be redeemed and ending at the close of business on the day of mailing of the notice of redemption, as hereinafter provided, or to register the transfer of or exchange any portion of any of the Bonds selected for redemption in whole or in part until after the redemption date.

SECTION 10. This Township shall cause to be kept, and the Paying Agent shall keep, books for the registration, exchange and transfer of Bonds in the manner provided herein and therein so long as Bonds shall remain outstanding. Such registrations, exchanges and transfers shall be made without charge to Bondholders, except for actual costs, including postage, insurance and any taxes or other governmental charges required to be paid with respect to the same.

SECTION 11. The Bonds shall bear interest, each with initial offering prices resulting in yield(s) to maturity, and principal maturing or payable upon mandatory sinking fund redemptions in the maximum amounts in each Township fiscal year as set forth in **Exhibit A** attached hereto. The final yields to maturity on the Bonds and the annual stated maturities or mandatory sinking fund redemptions of principal of the Bonds shall be as set forth in the Addendum accepted in accordance with Section 4 of this Ordinance, provided that the principal maturing or subject to mandatory redemption in any year shall not exceed the annual principal amount for each fiscal year set forth in **Exhibit A**.

SECTION 12. The Bonds may be subject to optional redemption by this Township prior to maturity, on such date or dates and under such terms as may be determined in the manner described in Section 4 hereof.

If the Addendum accepted in accordance with Section 4 of this Ordinance provides that any of the Bonds shall be term Bonds, such Bonds (the "Term Bonds") shall be subject to mandatory sinking fund redemptions by the Township in such annual principal amounts and on such dates as are stated in the Addendum (but not in fiscal year amounts greater than those set forth in **Exhibit A**), at a redemption price equal to 100% of the principal amount redeemed together with accrued interest thereon to the date fixed for redemption. Any such redemption shall be upon application of money available for the purpose in each Mandatory Sinking Fund to be established within the Sinking Fund created in accordance with this Ordinance. In lieu of any such mandatory redemption, the Paying Agent, on behalf of the Township, may purchase from money in such Sinking Fund, at a price not to exceed the principal amount plus accrued interest, or the Township may tender to the Paying Agent, all or any part of the Term Bonds subject to being drawn for redemption on any such date.

In the case of any optional redemption in part of Term Bonds of any particular maturity, this Township shall be entitled to designate whether the amount to be redeemed shall be credited against the principal amount of such Term Bonds due at maturity or credited against the principal amount of such Term Bonds scheduled to be called for mandatory sinking fund

redemption on any particular date or dates, in each case in an integral multiple of \$5,000 principal amount.

If any of the Bonds that are subject to redemption prior to stated maturity is of a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in an integral multiple of \$5,000 principal amount. For the purpose of selecting any of the Bonds for redemption, each of the Bonds subject to redemption shall be treated as representing the number of Bonds that is equal to the principal amount thereof divided by \$5,000, each \$5,000 portion thereof being subject to redemption. In the case of partial redemption of any of the Bonds, payment of the redemption price will be made only upon surrender of such Bond in exchange for Bonds of authorized denominations of the same series, maturity and interest rate and in aggregate principal amount equal to the unredeemed portion of the principal amount of such Bond redeemed in part.

If Bonds shall be redeemable prior to stated maturity and are to be so redeemed, notice of redemption shall be deposited in first class mail not less than thirty (30) days prior to the date fixed for redemption and shall be addressed to the registered owners of the Bonds to be redeemed at their addresses shown on the registration books kept by the Paying Agent as of the day such Bonds are selected for redemption. Such notice shall specify: (1) the series, maturity (and if Bonds having the same maturity date bear interest at different rate, the interest rate) and numbers of the Bonds or portions thereof so called for redemption; (2) the date fixed for redemption; (3) the redemption price or prices applicable to the Bonds or portions thereof to be redeemed; and (4) that on the date fixed for redemption the principal amount to be redeemed will be payable at a designated office of the Paying Agent and that after such date interest thereon shall cease to accrue. Failure to mail any such notice or any defect therein or in the mailing thereof shall not affect the validity of any proceeding for redemption of other Bonds so called for redemption as to which proper notice has been given.

If at the time of mailing of a notice of redemption this Township shall not have deposited with the Paying Agent, as sinking fund depository, money sufficient to redeem all Bonds called for redemption, the notice of redemption shall state that it is conditional, i.e., that it is subject to the deposit of sufficient redemption money with the Paying Agent not later than the redemption date, and such notice shall be of no effect unless such money is so deposited. If the Bonds to be called for redemption shall have been refunded, money sufficient to redeem such Bonds shall be deemed to be on deposit with the Paying Agent for the purposes of this Section, and the notice of redemption need not state that it is conditional, if the redemption money has been deposited irrevocably with another bank or bank and trust company which shall have been given irrevocable instructions to transfer the same to the Paying Agent not later than the redemption date.

On the date designated for redemption, notice having been provided and money for payment of the principal, redemption premium, if any, and accrued interest being held by the Paying Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof so called for redemption shall cease to be entitled to any benefit or security under this Ordinance, and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect thereto, except to receive

payment of the principal to be redeemed and accrued interest thereon to the date fixed for redemption, together with the redemption premium, if any.

If the redemption date for any Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the Commonwealth are authorized or required by law or executive order to close, then the date for payment of the principal, premium, if any, and interest upon such redemption shall be the next succeeding day that is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized or required to close, and payment on such date shall have the same force and effect as if made on the nominal date of redemption.

SECTION 13. This Township appoints the Paying Agent as the paying agent with respect to the Bonds and directs that the principal of, premium, if any, and interest on the Bonds shall be payable at a designated corporate trust office of the Paying Agent, in lawful money of the United States of America.

Any corporation or association into which the Paying Agent, or any appointed successor to it, may be merged or converted or with which it, or any appointed successor to it, may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Paying Agent shall be a party, or any corporation or association to which the Paying Agent, or any appointed successor to it, sells or otherwise transfers all or substantially all of its corporate trust business, including its functions under this Ordinance, shall be the successor paying agent hereunder, without the execution or filing of any paper or any further act on the part of the Township, and thereafter references herein to the "Paying Agent" shall refer to such resulting corporation or association, or to such transferee, as the case may be.

If the Paying Agent at any time shall resign or shall be removed by the Township, the Board of Commissioners shall appoint a successor paying agent that is duly qualified in accordance with the Act to serve as paying agent for the Bonds and sinking fund depository with respect to the Sinking Fund created herein, and the principal of, redemption premium, if any, and interest on the Bonds shall be payable, when due, at a designated office of the successor paying agent located in the Commonwealth and at such additional payment offices as the successor paying agent shall designate. Upon acceptance of such appointment and the transfer by the Paying Agent to the successor paying agent of the appropriate documents, records, and funds, references herein to the "Paying Agent" shall thereafter refer to such successor paying agent.

SECTION 14. The form of each Bond, including the form of Assignment and the form of the Paying Agent's Certificate, shall be substantially as set forth in **Exhibit B**, which is attached hereto and made part hereof, with appropriate insertions, omissions and variations.

SECTION 15. The Bonds shall be executed in the name of and on behalf of this Township by the President or Vice President of the Board of Commissioners, and the official seal or a facsimile of the official seal of this Township shall be affixed thereto and the manual or facsimile signature of the Township Secretary shall be affixed thereto in attestation thereof.

SECTION 16. No Bond constituting one of the Bonds shall be entitled to any benefit under this Ordinance nor shall it be valid, obligatory or enforceable for any purpose until such Bond shall have been registered and authenticated by the Certificate of Authentication endorsed thereon duly signed by the Paying Agent. The Paying Agent is hereby authorized to register and authenticate the Bonds in accordance with the provisions hereof.

SECTION 17. This Township covenants to and with registered owners, from time to time, of the Bonds that shall be outstanding, from time to time, pursuant to this Ordinance, that this Township shall: (i) include the amount of the debt service on the Bonds, for each fiscal year of this Township in which the sums are payable, in its budget for that year, (ii) appropriate those amounts from its general revenues for the payment of the debt service, and (iii) duly and punctually pay or cause to be paid from the Sinking Fund (hereinafter identified) or any other of its revenues or funds the principal of and interest on each of the Bonds at the dates and places and in the manner stated therein, according to the true intent and meaning thereof; and, for such budgeting, appropriation and payment, this Township shall and does pledge, irrevocably, its full faith, credit and taxing power. As provided in the Debt Act, the foregoing covenant of this Township shall be specifically enforceable.

SECTION 18. There is created, pursuant to the requirements of the Debt Act, one or more sinking funds for the Bonds (collectively, the "Sinking Fund") including, if applicable, for multiple series or subseries, or mandatory sinking funds. Each Sinking Fund shall be administered in accordance with the Debt Act.

If any of the Bonds shall be Term Bonds, as specified in the Addendum accepted in accordance with Section 4, a separate fund or account shall be created within and as a part of a Sinking Fund and designated as a "Mandatory Sinking Fund." The Paying Agent, as the sinking fund depositary, shall make deposits into the Mandatory Sinking Fund, from funds deposited by the Township into the Sinking Fund, in such amounts and on such dates as money shall be required for the payment upon stated maturity of the Term Bonds that shall be outstanding, if any, on their stated maturity date, and to mandatory redemption prior to stated maturity of such Term Bonds on such dates and in such amounts as are specified in the Addendum.

The Paying Agent, so long as any Term Bonds shall remain outstanding, or as soon after such date as shall suit the convenience of the Paying Agent and shall allow sufficient time for mailing of the requisite notice of redemption, shall select or draw, by lot, in a fair and equitable manner, a principal amount of Term Bonds of the appropriate maturity equal to the amount then required to be redeemed. The Paying Agent shall, upon selection of Term Bonds of the appropriate maturity so to be called for redemption prior to maturity, mail the requisite notice of redemption on behalf of the Township. The Township covenants to assume and to pay all costs and expenses related to the mandatory redemption of such Term Bonds.

The amount required to be deposited in the Mandatory Sinking Fund on any given date shall be reduced by the principal amount of any Term Bonds of the appropriate maturity that shall have been purchased or tendered in lieu of mandatory redemption in the immediately preceding period, as provided in Section 12 hereof, and the amount of any Term Bonds of the

appropriate maturity that have been called for earlier optional redemption which the Township has elected to credit against the amount of Term Bonds to be redeemed on such date, as provided in Section 12 hereof.

The principal amount of Term Bonds to be retired from money available in the Mandatory Sinking Fund shall be paid by the Paying Agent, as the sinking fund depository, in the usual and customary manner, from such money available in the Mandatory Sinking Fund.

SECTION 19. This Township appoints the Paying Agent as the sinking fund depository with respect to the Sinking Fund.

SECTION 20. This Township covenants to make payments out of the Sinking Fund, or out of any other of its revenues or funds, at such times and in such annual amounts, as shall be sufficient for prompt and full payment of all obligations of the Bonds when due.

SECTION 21. The Board of Commissioners hereby authorizes the preparation of a Preliminary Official Statement for use in the marketing of the Bonds and authorizes the Township Manager to approve the form of such Preliminary Official Statement and the form of a final Official Statement with respect to the Bonds of the Township, with such insertions and amendments as shall be necessary or appropriate to reflect the final terms and provisions of the Bonds, the accepted Proposal and this Ordinance. The Board of Commissioners authorizes the President of the Board of Commissioners to affix his signature to the final Official Statement approved as described above, and such execution of the final Official Statement shall constitute conclusive evidence of the approval thereof by the Board of Commissioners.

SECTION 22. The President or Vice President of the Board of Commissioners and the Township Secretary, respectively, are authorized and directed, as required, necessary and/or appropriate: (a) to prepare, to certify and to file with the Department the debt statement required by the Debt Act; (b) to prepare and to file with the Department any statements required by the Debt Act that are necessary to qualify all or any portion of the debt of this Township that is subject to exclusion as self-liquidating or subsidized debt for exclusion from the appropriate debt limit of this Township as self-liquidating or subsidized debt; (c) to prepare and to file the application with the Department, together with a complete and accurate transcript of the proceedings for the required approval relating to the debt, of which debt the Bonds, upon issue, will be evidence, as required by the Debt Act; (d) to pay or to cause to be paid to the Department all proper filing fees required in connection with the foregoing; and (e) to take other required, necessary and/or appropriate action.

The Board of Commissioners authorizes and directs that an appropriate borrowing base certificate be prepared for filing with the Department as required by the Debt Act. The President or Vice President of the Board of Commissioners and the Township Secretary are hereby authorized to prepare and to execute, or to authorize the preparation and execution of such borrowing base certificate.

SECTION 23. If applicable, as determined from the Addendum, the Board of Commissioners authorizes and directs the purchase of municipal bond guaranty insurance with respect to the Bonds. The officers and agents of the Township are authorized and directed to take all required, necessary and/or appropriate action with respect to such insurance, as contemplated in the Addendum, including the payment of the premium of such insurance.

SECTION 24. Officers and agents of the Township are authorized and directed to contract with the Paying Agent for its services as paying agent for the Bonds and as sinking fund depository in connection with each Sinking Fund established for the Bonds.

SECTION 25. It is declared that the debt to be incurred hereby, together with any other indebtedness of this Township, is not in excess of any limitation imposed by the Debt Act upon the incurring of debt by this Township.

SECTION 26. The officers and agents of this Township are authorized to deliver the Bonds and to authorize payment of all costs and expenses associated with issuance of the Bonds as provided for in the Proposal, but only after the Department has certified its approval pursuant to the provisions of the Debt Act or at such time when the filing authorized to be submitted to the Department pursuant to the Debt Act shall be deemed to have been approved pursuant to applicable provisions of the Debt Act.

SECTION 27. This Township covenants to and with purchasers of the Bonds (or any portion thereof intended to be exempt from federal taxation) that it will make no use of the proceeds of such Bonds, or of any other obligations deemed to be part of the same "issue" as any portion of such Bonds under applicable federal tax regulations, that will cause such Bonds to be or become "arbitrage bonds" within the meaning of Section 103(b)(2) and Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations implementing said Sections that duly have been published in the Federal Register or any other regulations implementing said Sections, and this Township further covenants to comply with all other requirements of the Code if and to the extent applicable to maintain continuously the Federal income tax exemption of interest on such Bonds.

This Township further covenants to and with purchasers of the Bonds that it will make no use of the proceeds of the Bonds, of the proceeds of any other obligations deemed to be part of the same "issue" as the Bonds under applicable federal tax regulations, or of any property or facilities financed with the proceeds of the Bonds or of any such other obligations deemed to be part of the same "issue" as the Bonds, that will cause the Bonds to be or become "private activity bonds" within the meaning of Section 141 of the Code and the regulations implementing said Sections that duly have been published in the Federal Register, and this Township further covenants to comply with all other requirements of the Code if and to the extent applicable to maintain continuously the Federal income tax exemption of interest on the Bonds.

If applicable, the President or Vice President of the Board of Commissioners is authorized to represent in a certificate delivered when the Bonds are issued, if appropriate, that this Township does not then reasonably expect to issue tax-exempt obligations that, together with

all tax-exempt obligations reasonably expected to be issued by all entities that issue bonds or Bonds on behalf of this Township and all “subordinate entities” (within the meaning of Section 265(b)(3)(E) of the Code) of this Township, in the aggregate, will exceed Ten Million Dollars (\$10,000,000) (excluding obligations issued to refund (other than to advance refund) any obligation to the extent that the amount of the refunding obligation does not exceed the outstanding amount of the refunded obligation) in the calendar year of issuance and, accordingly, thereby designate the Bonds (to the extent they are not “deemed designated” under Section 265(b)(3)(D)(ii) of the Code), on behalf of this Township, as “qualified tax-exempt obligations,” as defined in Section 265(b)(3)(B) of the Code, for the purposes and effect contemplated by Section 265 of the Code.

SECTION 28. This Township elects to retire the 2024 Note, by optional redemption prior to stated maturity, on one or more dates to be illustrated in the schedules accompanying the Addendum (the “Redemption Date”) in accordance with the rights reserved to this Township in the 2024 Note. Officers and agents of the Board of Commissioners are hereby authorized and directed to give irrevocable instructions to the lender of the 2024 Note to redeem the 2024 Note in full, in accordance with this election of the Board of Commissioners, and to take all such actions as may be necessary and appropriate to accomplish the redemption and retirement of the 2024 Note, *following the acceptance of the final terms and conditions of the Bonds and Addendum as described in Section 4 hereof.*

SECTION 29. This Township shall enter into, and hereby authorizes and directs the President or Vice President of the Board of Commissioners to execute, a Continuing Disclosure Certificate (the “Certificate”) on behalf of this Township on or before the date of issuance and delivery of the Bonds. Such Certificate shall be executed and delivered to satisfy the terms and conditions of the accepted Proposal for sale of the Bonds and Securities and Exchange Commission Rule 15c2-12, and shall be substantially in the form presented to this meeting, which is hereby approved, together with any changes therein made and approved by the executing officer of the Board of Commissioners, whose execution and delivery thereof shall constitute conclusive evidence of such approval. A copy of the Certificate shall be filed with the Township Secretary and shall be and hereby is made part of this Ordinance.

This Township hereby covenants and agrees that it will comply with and carry out all of the provisions of the Certificate. Notwithstanding any other provision of this Ordinance, failure of this Township to comply with the Certificate shall not be considered an event of default with respect to the Bonds; however, any registered owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause this Township to comply with its obligations under this Section and such Certificate.

SECTION 30. The Bonds shall be made available for purchase under a book-entry only system available through The Depository Trust Company, a New York corporation (“DTC”). If applicable, at or prior to settlement for the Bonds, this Township and the Paying Agent shall execute or signify their approval of a Representation Letter in substantially the form on file with DTC (the “Representation Letter”). The appropriate officers of this Township and the

Paying Agent shall take such action as may be necessary from time to time to comply with the terms and provisions of the Representation Letter, and any successor paying agent for the Bonds, in its written acceptance of its duties under this Ordinance, shall agree to take any actions necessary from time to time to comply with the requirements of the Representation Letter.

SECTION 31. Notwithstanding the foregoing provisions of this Ordinance, the Bonds shall initially be issued in the form of one fully-registered Bond for the aggregate principal amount of the Bonds of each maturity, and the following provisions shall apply with respect to the registration, transfer and payment of the Bonds:

(a) Except as provided in subparagraph (g) below, all of the Bonds shall be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds of the same series, interest rate and maturity registered in the name of such nominee or nominees of DTC.

(b) No person other than DTC or its nominee shall be entitled to receive from this Township or the Paying Agent either a Bond certificate or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof, unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the registration books (the "Register") maintained by the Paying Agent in connection with discontinuing the book-entry system as provided in subparagraph (g) below or otherwise.

(c) So long as any Bonds are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds shall be made to DTC or its nominee in accordance with the Representation Letter on the dates provided for such payments under this Ordinance. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of this Township or the Paying Agent with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Paying Agent shall not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of such partial redemption; provided that DTC shall deliver to the Paying Agent, upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

(d) This Township and the Paying Agent may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to holders of Bonds under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by holders of Bonds and for all other purposes whatsoever; and neither this Township nor the Paying Agent shall be affected by any notice to the contrary. Neither this Township nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a

beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being a registered owner of Bonds, with respect to (1) the Bonds, (2) the accuracy of any records maintained by DTC or any such participant, (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the Bonds, (4) any notice which is permitted or required to be given to holders of the Bonds under this Ordinance, (5) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the Bonds, and (6) any consent given or other action taken by DTC as holder of the Bonds.

(e) So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the holders of such Bonds under this Ordinance shall be given to DTC as provided in the Representation Letter.

(f) In connection with any notice or other communication to be provided to holders of Bonds pursuant to this Ordinance by this Township or the Paying Agent with respect to any consent or other action to be taken by holders of Bonds, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that this Township or the Paying Agent may establish a special record date for such consent or other action. This Township or the Paying Agent shall give DTC notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(g) The book-entry only system for registration of the ownership of the Bonds may be discontinued at any time if either (1) after notice to this Township and the Paying Agent, DTC determines to resign as securities depository for the Bonds, or (2) after notice to DTC and the Paying Agent, this Township determines that continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of this Township. In either of such events (unless in the case described in clause (2) above, this Township appoints a successor securities depository), the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of this Township or the Paying Agent for the accuracy of such designation. Whenever DTC requests this Township and the Paying Agent to do so, this Township and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

SECTION 32. The President or Vice President of the Board of Commissioners, the Township Secretary and other officers and agents of this Township, are authorized and directed to perform such acts as may be necessary to facilitate the settlement for the Bonds.

SECTION 33. Any reference in this Ordinance to an officer or member of this Township shall be deemed to refer to his or her duly qualified successor in office, or other authorized representative, if applicable.

SECTION 34. In the event any provision, section, sentence, clause or part of this Ordinance shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Ordinance, it being the intent of this Township that such remainder shall be and shall remain in full force and effect.

SECTION 35. All Ordinances or parts of Ordinances, insofar as the same shall be inconsistent herewith, shall be and the same expressly are repealed.

SECTION 36. This Ordinance shall be effective in accordance with the Debt Act.

DULY ENACTED AND ORDAINED, by the Board of Commissioners of the Township, in lawful session duly assembled, this 3rd day of November, 2025.

(the "Bond"), shall be redeemable and duly shall have been called for earlier redemption and payment of the redemption price shall have been made or provided for, and to pay initially on _____, _____, and thereafter semiannually on _____ and _____ of each year, to the registered owner hereof, interest on said principal sum, at the rate per annum stated hereon, until said principal sum has been paid or provision for payment thereof duly has been made. Interest on this Bond shall be payable from the interest payment date next preceding the date of registration and authentication of this Bond, unless: (a) this Bond is registered and authenticated as of an interest payment date, in which event this Bond shall bear interest from such interest payment date; or (b) this Bond is registered and authenticated after a Record Date (hereinafter defined) and before the next succeeding interest payment date, in which event this Bond shall bear interest from such interest payment date; or (c) this Bond is registered and authenticated on or prior to the Record Date next preceding _____, _____, in which event this Bond shall bear interest from the Date of Series shown above; or (d) as shown by the records of the Paying Agent (hereinafter defined), interest on this Bond shall be in default, in which event this Bond shall bear interest from the date to which interest was last paid on this Bond. The interest on this Bond is payable by check drawn on Manufacturers and Traders Trust Company. (the "Paying Agent"), or its successor. The principal of and premium, if any, on this Bond, when due, are payable upon surrender hereof at the designated corporate trust office of the Paying Agent. Payment of the interest hereon shall be made to the registered owner hereof whose name and address shall appear, at the close of business on the fifteenth (15th) day next preceding each interest payment date (the "Record Date"), on the registration books maintained by the Paying Agent, irrespective of any transfer or exchange of this Bond subsequent to such Record Date and prior to such interest payment date, unless the Issuer shall be in default in payment of interest due on such interest payment date. In the event of any such default, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed by the Paying Agent to the registered owner of this Bond not less than fifteen (15) days preceding such special record date. Such notice shall be mailed to the person in whose name this Bond is registered at the close of business on the fifth (5th) day preceding the date of mailing. Principal, premium, if any, and interest with respect to this Bond are payable in lawful money of the United States of America.

This Bond is one of a series of Bonds of the Issuer, known generally as "General Obligation Bonds, Series ___ of 20__" (the "Bonds"), all of like date and tenor, except as to numbers, denominations, dates of maturity, rates of interest, and provisions for redemption, in the aggregate principal amount of _____ Dollars (\$ _____).

The Bonds have been authorized for issuance in accordance with provisions of the Local Government Unit Debt Act, 53 Pa.C.S. Chs. 80-82 (the "Debt Act"), of the Commonwealth, and by virtue of Ordinance No. _____ (the "Ordinance") enacted by the Issuer on November 3, 2025. The Debt Act, as such shall have been in effect when the Bonds were authorized, and the Ordinance shall constitute a contract between the Issuer and registered owners, from time to time, of the Bonds.

The Issuer has covenanted, in the Ordinance, to and with registered owners, from time to time, of the Bonds that shall be outstanding, from time to time, pursuant to the Ordinance, that the Issuer shall: (i) include the amount of the debt service for the Bonds, for each fiscal year of the Issuer in which such sums are payable, in its budget for that year, (ii) appropriate such amounts from its general revenues for the payment of such debt service, and (iii) duly and punctually pay or cause to be paid, from the sinking fund established under the Ordinance or any other of its revenues or funds, the principal of and interest on each of the Bonds at the dates and place and in the manner stated therein, according to the true intent and meaning thereof; and, for such budgeting, appropriation and payment, the Issuer has pledged and does pledge, irrevocably, its full faith, credit and taxing power.

This Bond shall not be entitled to any benefit under the Ordinance, nor shall it be valid, obligatory or enforceable for any purpose, until this Bond shall have been authenticated by the Paying Agent.

The Bonds are issuable only in the form of registered Bonds, without coupons, in the denominations of \$5,000 principal amount or any integral multiple thereof. Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity and interest rate upon surrender of such Bonds to the Paying Agent, with written instructions satisfactory to the Paying Agent.

The Issuer and the Paying Agent may deem and treat the registered owner hereof as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes, and the Issuer and the Paying Agent shall not be affected by any notice to the contrary.

This Bond may be transferred by the registered owner hereof upon surrender of this Bond to the Paying Agent, accompanied by a written instrument or instruments in form, with instructions, and with guaranty of signature satisfactory to the Paying Agent, duly executed by the registered owner of this Bond or his attorney-in-fact or legal representative. The Paying Agent shall enter any transfer of ownership of this Bond in the registration books and shall authenticate and deliver at the earliest practicable time in the name of the transferee or transferees a new fully registered Bond or Bonds of authorized denominations of the same series, maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive.

The Issuer and the Paying Agent shall not be required to issue or to register the transfer of or exchange any Bonds then considered for redemption during a period beginning at the close of business on the fifteenth (15th) day next preceding any date of selection of Bonds to be redeemed and ending at the close of business on the day of mailing of the applicable notice of redemption, as hereinafter provided, or to register the transfer of or exchange any portion of any Bond selected for redemption until after the redemption date.

The Bonds stated to mature on or after _____, are subject to redemption prior to maturity, at the option of the Issuer, as a whole, on _____, _____, or on any date thereafter, upon payment of the principal amount thereof, together with accrued interest to the date fixed for redemption.

The Bonds stated to mature on or after _____, are subject to redemption prior to maturity, at the option of the Issuer, from time to time, in part, in any order of maturity selected by the Issuer, on _____, _____, or on any date thereafter. If less than all Bonds of any particular maturity are to be redeemed, the Bonds of such maturity to be redeemed shall be drawn by lot by the Paying Agent. Any such redemption shall be upon payment of the principal amount to be redeemed, together with accrued interest thereon to the date fixed for redemption.

The Bonds stated to mature on _____, and on _____, _____, are subject to mandatory redemption prior to maturity, in the amounts and on June 1 of the years set forth in the following schedules as drawn by lot by the Paying Agent in behalf of the Issuer:

Bonds Maturing on _____ :

<u>Year</u>	<u>Amount</u>
	\$ _____ ; and

Bonds Maturing on _____ :

<u>Year</u>	<u>Amount</u>
	\$ _____ .

Any such redemption shall be upon application of money available for the purpose in the Mandatory Sinking Fund established under the Ordinance and shall be upon payment of the principal amount to be redeemed, together with accrued interest thereon to the date fixed for redemption. In lieu of such mandatory redemption, the Paying Agent, as sinking fund depository, in behalf of the Issuer, may purchase, from money available for the purpose in the Sinking Fund established under the Ordinance, at a price not to exceed the principal amount plus accrued interest, or the Issuer may tender to the Paying Agent, all or part of the Bonds subject to being drawn for redemption in any such year.

In the case of any partial redemption of Bonds of any maturity that is subject to mandatory sinking fund redemption, the Issuer shall be entitled to designate whether the amount to be redeemed shall be credited against the principal amount of such Bonds due at maturity or credited against the principal amount of such Bonds scheduled to be called for mandatory sinking fund redemption on any particular date or dates, in each case in an integral multiple of \$5,000 principal amount.

If this Bond is of a denomination larger than \$5,000, a portion of this Bond may be redeemed. For the purposes of redemption, this Bond shall be treated as representing the number of Bonds that is equal to the principal amount hereof divided by \$5,000, each \$5,000 portion of this Bond being subject to redemption. In the case of partial redemption of this Bond, payment of the redemption price shall be made only upon surrender of this Bond in exchange for Bonds of authorized denominations of the same maturity and interest rate and in aggregate principal amount equal to the unredeemed portion of the principal amount hereof; Provided, however, that should this Bond be registered in the name of The Depository Trust Company ("DTC") or Cede & Co., as nominee for DTC, or any other nominee of DTC, or any other successor securities depository or its nominee, this Bond need not be surrendered for payment and exchange in the event of a partial redemption hereof and the records of the Paying Agent shall be conclusive as to the amount of this Bond which shall have been redeemed.

Notice of redemption shall be deposited in first class mail not less than 30 days prior to the date fixed for redemption and shall be addressed to the registered owners of the Bonds to be redeemed at their addresses shown on the registration books kept by the Paying Agent as of the day such Bonds are selected for redemption. Failure to mail any notice of redemption or any defect therein or in the mailing thereof shall not affect the validity of any proceeding for redemption of other Bonds so called for redemption as to which proper notice has been given.

On the date designated for redemption, notice having been provided as aforesaid, and money for payment of the principal, premium, if any, and accrued interest being held by the Paying Agent, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds or portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Ordinance, and registered owners of such Bonds or portions thereof so called for redemption shall have no rights with respect thereto, except to receive payment of the principal to be redeemed and accrued interest thereon to the date fixed for redemption, together with the redemption premium, if any.

The Issuer, in the Ordinance, has established a sinking fund with the Paying Agent, as the sinking fund depository, into which funds for the payment of the principal of and the interest on the Bonds shall be deposited not later than the date fixed for the disbursement thereof. The Issuer has covenanted, in the Ordinance, to make payments from such sinking fund or from any other of its revenues or funds, at such times and in such annual amounts as shall be sufficient for prompt and full payment of all obligations of this Bond.

It hereby is certified that: (i) all acts, conditions and things required to be done, to happen or to be performed as conditions precedent to and in issuance of this Bond or in creation of the debt of which this Bond is evidence have been done, have happened or have been performed in due and regular form and manner, as required by law; and (ii) the debt represented by this Bond, together with any other indebtedness of the Issuer, is not in excess of any limitation imposed by the Debt Act upon the incurring of debt by the Issuer.

[This Bond has been designated by the Issuer as a “qualified tax-exempt obligation”, as defined in Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the ‘Code’), for purposes and effect contemplated by Section 265 of the Code (relating to expenses and interest relating to tax-exempt income of certain financial institutions).]

IN WITNESS WHEREOF, the Issuer has caused this Bond to be executed in its name by the manual or facsimile signature of the President of the Board of Commissioners of the Issuer, and the seal to be affixed hereto and the manual or facsimile signature of the Secretary of the Issuer to be affixed hereto in attestation thereof, all as of the Date of Series set forth above.

ORDINANCE NO. 2025-

**AN ORDINANCE OF THE TOWNSHIP OF POCONO,
COUNTY OF MONROE, COMMONWEALTH OF PENNSYLVANIA
AMENDING THE CODE OF CODIFIED ORDINANCES OF POCONO TOWNSHIP,
PART II, GENERAL LEGISLATION; ADDING A NEW CHAPTER 260, MOBILE
FOOD VENDORS; AND REPEALING ALL ORDINANCES OR PARTS OF
ORDINANCES INCONSISTENT HERewith**

WHEREAS, the Board of Commissioners of Pocono Township, Monroe County, Pennsylvania deem it to be in the best interest of the Township to regulate mobile food vendors in a manner that protects public health and safety, supports established brick-and-mortar businesses, and ensures fair and efficient enforcement of Pocono Township regulations;

NOW, THEREFORE, BE IT ENACTED AND ORDAINED by the Board of Commissioners of Pocono Township, Monroe County, Pennsylvania and it is hereby **ENACTED AND ORDAINED** by virtue of the power vested in the Board of Commissioners by the First-Class Township Code as follows:

SECTION I. The Township of Pocono Code of Codified Ordinances; Part II, *General Legislation*; is hereby amended by adding the following:

"Chapter 260 Mobile Food Vendors

§ 260-1 Short Title. This Chapter shall be known and may be cited as "The Mobile Food Vendor Ordinance of Pocono Township, Monroe County, Pennsylvania."

§ 260-2 Scope.

A. The provisions of this article shall apply to mobile food vendor operations engaged in the business of cooking, preparing, and/or distributing food or beverage with or without charge from mobile food vendors on or in public, private or restricted spaces.

B. This article shall not apply to locations within the Township that have received approval for continued operation of a designated mobile food vendor court, or for events that have received Temporary Use Permits from the Zoning Officer in accordance with Chapter 470, provided such operation does not unreasonably interfere with or disadvantage permanently established, licensed brick-and-mortar food service establishments in proximity.

§ 260-3 Definitions. For the purpose of this chapter, certain terms, phrases and words are defined as follows.

A. Tense, gender and number. Words used in the present tense include the future; words in the masculine gender include the feminine and the neuter; the singular number includes the plural and the plural singular.

B. General terms. The words "shall" or "must" are always mandatory; the words "should" or "may" are permissive. The words "used for" includes "designed for," "arranged for," "intended for," "maintained for" or "occupied for." The word "building" includes "structure" and shall be construed as if followed by the phrase "or part thereof." The word "person" includes "individual," "profit or nonprofit organizations," "partnership," "company," "incorporated association" or other similar entities.

C. Terms, phrases and words not defined. When terms, phrases or words are not defined, they shall have their ordinarily accepted meaning or such as the context may imply.

D. Specific Terms. Terms or words used herein, unless otherwise expressly stated, shall have the following meanings.

BOARD OF COMMISSIONERS (BOC)

The Board of Commissioners of Pocono Township, Monroe County, Pennsylvania

ENFORCEMENT OFFICER

The Official who is charged with the administration and enforcement of this chapter, or any duly authorized representative.

MOBILE FOOD VENDOR (MFV)

A readily movable, licensed, motorized vehicle or licensed-towed vehicle, designed and equipped to prepare, serve, and sell food, drinks (non-alcoholic), frozen water-based products, but which does not include mobile vending carts or mobile retail establishments.

MOBILE VENDING CART

A mobile food cart that does not travel under its own power and is set up on a street and licensed to sell food to passersby.

MOBILE RETAIL ESTABLISHMENT

A readily movable, licensed-motorized vehicle or licensed-towed vehicle, designed and equipped to sell clothing, merchandise, and other similar items for profit or not-for-profit.

PRIVATE NUISANCE

A Private Nuisance is an unreasonable, unwarranted, or unlawful use of property - whether public or private - that interferes with an individual's or a limited number of individuals' rights to the quiet, safe, and comfortable enjoyment of their own property. It involves any conduct, condition, or omission that substantially impairs another's reasonable use and enjoyment of their property, causing material annoyance, inconvenience, or harm. Examples may include excessive noise, vibrations, odors, or similar disturbances that affect one or a few property owners or occupants, rather than the community at large.

PUBLIC NUISANCE

A Public Nuisance is an act, condition, or omission that unreasonably and significantly interferes with rights commonly held by the general public—such as those related to public health, safety, peace, comfort, or convenience. Such Public Nuisances affect an indefinite number of people or the community as a whole and may include activities or conditions that create widespread annoyance, discomfort, alarm, or risk. Public Nuisances disrupt public order, diminish the collective quality of life, and may violate statutes, ordinances, or regulations designed to protect the community at large.

TOWNSHIP

Pocono Township, Monroe County, Pennsylvania

§ 260-4 Mobile Food Vendor Regulations.

A. Location.

- (1) A MFV must be located on private property.
- (2) No MFV shall be located so as to obstruct a public sidewalk, public right-of-way, or clear sight triangle.
- (3) MFVs are only permitted within the Township's Commercial zoning district as set forth in Chapter 470.
- (4) A MFV selling prepared food shall not be located within Two Hundred (200') feet of an established restaurant during the restaurant's operating hours unless written permission of the restaurant owner is provided. The Township shall notify affected restaurants prior to approval of a permit.
- (5) A MFV shall be positioned on improved, designated parking spaces and shall not block: the main drive aisle or impact circulation overall; other access to loading area; or, emergency access and fire lanes.

B. Hours of Operation.

- (1) MFVs may operate only between the hours of 6:00 AM and 10:00 PM, unless otherwise approved as part of a temporary, special event.

C. Noise/Light

- (1) MFVs use/operation of a generator shall not be audibly loud from a distance of 100 feet away. Complaints about a MFV vehicle or generator noise will be grounds for the Enforcement Officer to require the MFV to change site location or move to another property.
- (2) All portable or temporary lighting shall meet Township Code requirements and may remain turned on until 10:30 PM to allow for the safety of patrons and employees, and to allow for proper site cleanup.

D. Dining Areas.

- (1) Designed dining areas for MFV patrons are not permitted unless approved as part of a temporary use event or vendor court.

E. Signage.

(1) All signage shall be limited to the surface of the MFV itself. Only the food products for sale, the name of the business and a price list shall be listed. A Township Zoning Permit shall be obtained to display alternative signage not affixed to the MFV.

(2) All signage shall comply with the regulations outlined in Chapter 470, Article II.

F. Trash.

(1) Vendors shall provide trash and recycling receptacles sized appropriately for peak service hours. Failure to maintain clean surroundings will constitute grounds for immediate enforcement action.

§ 260-5 Application for Permit.

A. Application Requirements. The following are required as part of a MFV permit application:

- (1) Business Name and owner(s); business's mailing address.
- (2) Approval from the Pennsylvania Department of Agriculture approved food truck license
- (3) The license plate number for any MFV proposed to operate within the Township.
- (4) Written permission from the owner(s) of private property upon which the MFV permit holder will operate.
- (5) Proof of adequate parking capacity for the existing use(s) on the property and the MFV.
- (6) Applicant shall pay a licensing fee as established by Township resolution.
- (7) Applicant shall provide proof of valid commercial general liability insurance, naming the Township as an additional insured.

B. All MFV permits shall remain in effect for Ninety (90) days from issuance, with one renewal permitted per calendar quarter.

C. Every MFV shall post its permit, or a copy of the permit, in a conspicuous place to which the public has access by sight.

D. The Enforcement Officer may set a limit on the number of total permits that may be issued per year for the same MFV or MFV owner. In no case shall there be more than 3 permits issued per year to the same MFV or MFV owner.

E. Permit Denial. Within Five (5) calendar days of the submission of a completed application, the Enforcement Officer shall either issue or deny the application for a mobile food vendor permit.

(1) If denied, the Enforcement Officer shall state in writing the specific reasons. Appeals must be submitted within Ten (10) days of the issued denial and shall

be heard by the Township Board of Commissioners at the next Board of Commissioners meeting.

§ 260-6 Local Business Priority.

A. Brick-and-mortar food service businesses with a physical presence in the Township shall receive priority in permit processing.

§ 260-7 Transfer of Permit Prohibited.

A. No person holding a permit for a MFV from the Township shall sell, lend, lease or in any manner transfer a Township issued MFV permit to another.

B. Any unauthorized transfer or attempt to transfer a permit shall automatically void such permit. The unauthorized transfer or attempt to transfer of each permit shall constitute a separate violation.

§ 260-8 Enforcement.

A. **Appointment; Responsibility for enforcement.** The BOC shall appoint an individual, agency or firm to serve as the Enforcement Officer, who shall be responsible for enforcing the terms of this chapter.

B. If it appears to an Enforcement Officer that a violation of this chapter or of an issued MFV permit exists or has occurred, the Enforcement Officer shall provide a written notice of violation to the owner, delivered personally, or both by United States first-class and certified mail. The notice of violation shall identify the MFV which is the subject of the violation, enumerate the conditions which constitute the violation, cite the specific sections of this chapter or regulations which have been violated, indicate the action required to correct the violation, and provide a time frame (established by the Enforcement Notice based upon the nature of the violation) to correct the violation. Enforcement notices shall require correction within Forty-Eight (48) hours for first offenses unless immediate action is warranted.

§ 260-9 Violations and Penalties.

A. Any violation of this chapter which has not been corrected within the timeframe set forth in the notice of violation shall be enforced by an action brought before Magisterial District Judge in the same manner provided for the enforcement of summary offenses under the Pennsylvania Rules of Criminal Procedure. Any person, partnership, corporation other entity who violates or permits a violation of the provisions of this chapter shall, upon conviction in a summary proceeding, pay a fine of not less than \$300.00 no more than \$1,000.00 per violation, plus all court costs and reasonable attorney's fees incurred by the Township in the enforcement proceedings, and/or be imprisoned to the extent allowed by law for the punishment of summary offense. Each day or portion thereof that a violation exists or continues shall constitute a separate violation. Further, the appropriate Enforcement Officers, agents, or representatives of the Township are hereby authorized to seek equitable relief,

including injunction, to enforce compliance with this chapter. All fines, penalties, costs, and reasonable attorney's fees collected for the violation of this chapter shall be paid to the township for its general use.

B. The Township may revoke and deny future applications for up to two years in cases of repeated violations.

§ 260-10 Municipal Liability.

A. Pocono Township, its agents, officials and representatives, shall not under any circumstances be liable or legally responsible for activities or conditions which constitute a Public Nuisance or Private Nuisance under the terms of this chapter. Any liability or damages resulting from activities or constituting a Public Nuisance or Private Nuisance are the sole responsibility of the owner of the property, or the person or persons responsible for said activity or condition. The failure to enforce the terms of this chapter shall not constitute a cause of action against the Township or its agents, officials or representatives."

SECTION II. REPEALER All Ordinances or parts of Ordinances which are inconsistent herewith are hereby repealed upon the effective date of this Ordinance.

SECTION III. SEVERABILITY If any sentence, clause, section or part of this Ordinance is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions.

SECTION IV. EFFECTIVE DATE This Ordinance shall take effect Five (5) days after the date of its enactment.

ENACTED AND ADOPTED by the Board of Commissioners this ____ day of _____, 2025.

JULY 28, 1988 (P.L. 556, NO. 101), AS AMENDED AND REPEALING ALL
ORDINANCES AND PARTS OF ORDINANCES INCONSISTENT HERewith**

WHEREAS, the Board of Commissioners of the Township of Pocono, Monroe County, Pennsylvania (the "BOC" and the "Township", respectively) desire to amend the Township's Code of Codified Ordinances (the "Code"), Chapter 356 *Solid Waste*; Article II *Recycling* to comply with the requirements of the Pennsylvania Department of Environment Protection and applicable statutory provisions affecting solid waste and recycling, including but not limited to, the Municipal Waste Planning, Recycling and Waste Reduction Act, Act of July 28, 1988 (P.L. 556, No. 101), as amended ("Act 101"); and

WHEREAS, § 56501.5 *General powers* of the Commonwealth of Pennsylvania's First Class Township Code, found at 53 P.S. § 56501.5 authorizes the BOC may make and adopt any ordinances, bylaws, rules and regulations not inconsistent with or restrained by the Constitution and laws of this Commonwealth as may be expedient or necessary for the proper management, care and control of the Township and its finances, and the maintenance of peace, good government and welfare of the township and its trade, commerce and manufactures; and

WHEREAS, the BOC has determined that the proposed Ordinance amendments are in the best interests of Township and its citizens; and

NOW THEREFORE, be it enacted and ordained by the Board of Commissioners of Pocono Township, Monroe County, Pennsylvania, and the same is hereby ordained and enacted as follows, to wit:

SECTION 1. Code Chapter 356 *Solid Waste*; Article II *Recycling* is deleted in its entirety and replaced as follows:

"Article II. Recycling.

§ 356-5. Definitions. As used in this chapter, the following terms shall have the meanings indicated:

ACT

The Pennsylvania Act 101 of 1988, known as the "Municipal Waste Planning, Recycling and Waste Reduction Act."

AUTHORIZED COLLECTOR

The person or persons authorized by Pocono Township to make at collections of designated recyclables for roadside or dropoff collection, at a minimum per month, in accordance with this chapter and the recycling regulations. An authorized collector shall have a valid Pennsylvania permit and/or license.

BOC

The Board of Commissioners of Pocono Township, Monroe County, Pennsylvania

COMMERCIAL ESTABLISHMENT

Those properties used primarily for commercial or industrial purposes.

COMMUNITY ACTIVITY

An event sponsored in whole or in part by a municipality or held within a municipality and privately sponsored. Events include fairs, bazaars, picnics, sporting events, and the like that may be attended by 200 or more people each day of the event.

CONTAMINATED YARD WASTE

Includes sod, tree stumps, compressed wood, grass, bamboo, ornamental grass and items customarily considered residential waste and recycling

CURBSIDE

A location readily acceptable to an authorized collector adjacent to the curb or adjacent to the roadway if there is not a curb where each person affected by this chapter places recyclables for collection.

DESIGNATED RECYCLABLES FOR CURBSIDE COLLECTION

Those recyclable materials which must be separated from other municipal waste and placed at the curbside for collection according to the recycling regulations established and from time to time revised by Pocono Township.

DROPOFF CENTER

An area where a person may deposit recyclable materials.

HOUSEHOLD STORAGE CONTAINERS

The standardized containers of an authorized collector for the purpose of collecting, storing and placing recyclables at the curbside for the collection of recyclables by the authorized collector.

INSTITUTIONAL ESTABLISHMENT

Those facilities that house or serve groups of people, such as hospitals, schools, day-care centers, and nursing homes.

MANDATED RECYCLABLES

Clear glass, colored glass, plastics, aluminum, steel and bimetallic cans, high-grade office paper, newsprint, corrugated paper, and yard waste.

MUNICIPAL ESTABLISHMENT

A public facility operated by the municipality and other governmental and quasi-governmental authorities.

MUNICIPAL OFFICIAL

That person empowered by Pocono Township to issue and, from time to time, revise solid waste and recycling regulations.

PERSON

Any individual, partnership, corporation association, institution, cooperative enterprise, municipality, municipal authority, or any other legal entity whatsoever which is recognized by law as the subject of rights and duties.

POCONO TOWNSHIP

The Board of Commissioners of Pocono Township, Monroe County, Pennsylvania, or its duly appointed agent or representative.

RECYCLING

The collection, separation, recovery and sale or reuse of metals, glass, paper, yard waste, plastics and other materials which would otherwise be disposed of or processed as municipal waste.

RECYCLING PROGRAM

The curbside collection and leaf collection program established by Pocono Township pursuant to this chapter and recycling regulations.

RECYCLING REGULATIONS

Those regulations issued and, from time to time, revised by Pocono Township setting forth specific requirements for the recycling program.

YARD WASTE

Leaves, garden residues, shrubbery, tree trimmings and similar material; this does not include grass clippings.

§ 356-6. Separation of Recyclables. Recyclables shall be kept separate from and disposed of separately from municipal waste, to the extent required by the following provisions:

A. Owners and occupants of all residential properties shall commingle mandated recyclables.

B. Owners and occupants of all commercial, municipal and institutional establishments and properties and sponsors or organizers of community activities shall commingle mandated recyclables.

C. All recycled glass containers shall be kept intact and shall not be broken.

D. From time to time the BOC may by resolution enumerate alternative recyclables which will be required to be separated from municipal waste and collected in accordance with this chapter.

E. Yard waste shall be separated, prepared and bundled as directed by an authorized collector.

§ 356-7. Residential recyclables.

A. Single-Family Dwellings. For residential properties other than multifamily dwellings, all recyclables which are required to be kept separate from municipal waste in residential properties shall be placed at curbside or at an appropriate location on the premises to be collected at times designated by the authorized collector or recyclable collection permittee. The frequency of such collection shall be not less than once per month. The recyclables are to be collected by a authorized collector once they are placed at curbside.

B. Multifamily dwellings. For multifamily dwellings, all recyclables which are required to be kept separate from municipal waste in residential properties shall be picked up by a recyclable collection permittee or a licensed hauler separately from municipal waste, in a prearranged manner. If any recyclables are picked up by a recyclable collection permittee, then all recyclables generated at the property shall be made available to such recyclable collection permittee for collection except as provided in § 356-23 below.

(1) The landlord of every multifamily dwelling shall require, by a clause in the lease or other enforceable rule or regulation, that the tenants in such property comply with the requirements of this chapter governing separation and disposal or placement for removal of recyclables in multifamily dwellings. Every such landlord shall set up a convenient

and practical collection system in such properties for the collection, storage and regular disposal or placement for removal of recyclables generated by the residents of such dwellings.

(2) The collection system must include suitable containers for collection and sorting materials, easily accessible locations for the containers and written instructions to the occupants concerning the use and availability of the collection system.

(3) Landlords who comply with the aforementioned requirements relative to multifamily dwellings shall not be liable for the noncompliance of occupants of their buildings.

§ 356-8. Commercial, municipal, and institutional establishments; community activities. All recyclables which are required to be kept separate from municipal waste in commercial, municipal and institutional establishments and properties and community activities shall either be delivered directly to a recycling center or shall be picked up by a recyclable collection permittee or an authorized collector separately from municipal waste in a prearranged manner. If any recyclables are picked up by a recyclable collection permittee, then all recyclables generated at the property shall be made available to such recyclable collection permittee for collection except as provided in § 356-23. Commercial, municipal and institutional establishments and community activities shall not place recyclables within the public right-of-way for curbside collection, such curbside collection being intended solely for the placement of recyclables generated in residential properties other than multifamily dwellings. Recyclables include, at a minimum, high-grade office paper; corrugated paper; aluminum; and, leaf waste,

§ 356-9. Recycling reports.

A. Multifamily Dwellings

(1) The landlord of every multifamily dwelling shall complete a form, to be designated "Recycling Report — Multifamily Dwelling," to be provided by the Township, which shall indicate where the dwelling's recyclables are delivered and by whom they are picked up.

(2) The recycling report and all weigh slips obtained from the facility or facilities to which the recyclables were delivered or taken shall be submitted quarterly to the Township. For purposes of submitting such weigh slips and recycling reports quarterly to the Township, the collector who removed the recyclables from the dwelling shall be the agent for the landlord and shall be responsible for completing and submitting such to the Township. Each such quarterly report shall be submitted on or before the last day of the first month of each quarter for the preceding quarter. Quarters shall run on a calendar-year basis thus: January through March; April through June; July through September; and October through December.

B. Authorized Collectors

(1) The authorized collector shall submit the recycling report and all weigh slips obtained from the facility or facilities to which the recyclables were delivered or taken, which shall be submitted quarterly to the Township. For purposes of submitting such weigh slips and recycling reports quarterly to the Township, the authorized collector who removed the recyclables from the property shall be the agent for the operator of the establishment or sponsor of the activity and shall be responsible for completing and submitting such to the Township. Each such quarterly recycling report shall be submitted on or before the last day of the first month of each quarter, for the preceding quarter. Quarters shall run on a calendar-year basis, thus: January through March; April through June; July through September; and October through December.

§ 356-10. Mandatory source separation of leaf waste. All persons who gather yard waste shall source separate such leaf waste and place it for semiannual curbside collection at the time designated or deliver it directly to a recycling dropoff center as designated by the Township.

§ 356-11. Enforcement

A. From the time of placement for collection of residentially generated recyclable items for collection in accordance with the terms of this chapter, the items shall be and become the property of the authorized collector. It shall be a violation of this chapter for any person unauthorized by the Township to collect or pick up or cause to be collected or picked up any such items, and each such collection in violation hereof from one or more locations shall constitute a separate and distinct offense punishable as hereinafter provided.

B. Any person violating a provision of this chapter or a recycling regulation pursuant thereto shall be given a written notice thereof from the Code Enforcement Officer, upon recommendation by the Township Manager (the "notice"). The notice shall give the person a period of 30 days to comply with the provisions of this chapter or the recycling regulations. If, after receipt of the notice, the person continues to violate the provisions of this chapter or the recycling regulations, the person shall be prosecuted as provided below.

C. Any person violating any of the provisions of this chapter shall be prosecuted in the manner provided by law before a District Magistrate and, upon conviction of such violation, shall be subject to a fine not in excess of the sum of \$300, together with the cost of prosecution. Each day on which such violation or violations occur and each day on which such violation or violations continue to occur shall be considered as a separate offense for each and every day of such violation or violations. Upon failure of the person so convicted to pay the fines so imposed, confinement shall be ordered in the Monroe County Prison for a period of not less than three days and not in excess of 30 days. All portions of the fines to the Township for violation of the Pocono Township Recycling Ordinance and/or recycling regulations applicable shall be paid to the Township of Pocono and shall be earmarked to be spent on the administrative

costs of the Pocono Township Solid Waste Management Program and the Pocono Township Recycling Program.

D. Any person specifically violating the provisions of this chapter involving the collection of yard waste by including contaminated yard waste in the curbside collection shall be subject to the following:

- (1) First offense: warning.
- (2) Second offense: \$50 fine.
- (3) Third offense and subsequent offense(s): \$100 fine.”

SECTION II. REPEALER

Any existing ordinances or parts of ordinances in conflict with this Ordinance, to the extent of such conflict and no further, are hereby repealed.

SECTION III. SEVERABILITY

If any part, section, subsection, paragraph, subparagraph, sentence, phrase, clause, term, or word in this Ordinance is declared invalid, such invalidity shall not affect the validity or enforceability of the remaining portions of the Ordinance.

SECTION IV. ENACTMENT

This Ordinance shall be effective within five (5) days and shall remain in force until modified, amended or rescinded by Pocono Township, Monroe County, Pennsylvania.

ENACTED AND ADOPTED by the Board of Commissioners this ____ day of _____, 2025.

ESTABLISHING RULES AND REGULATIONS GOVERNING
THE USE OF THE SEWER SYSTEM IN THIS TOWNSHIP.**

SECTION 1 - DEFINITIONS

The following words and terms, as used herein, shall have the meanings respectively ascribed to them by this Section, unless the context clearly indicates a different meaning:

Ammonia Nitrogen as N shall mean ammonia nitrogen as determined pursuant to the procedure set forth in the latest edition of "Standard Methods for the Examination of Water and Wastewater", published by American Public Health Association, Inc.

BCRA shall mean the Brodhead Creek Regional Authority, acting through its governing Board, as Owner and operator of the Treatment Plant and, in appropriate cases, as agent of the Township hereunder.

BCRA Rules and Regulations shall be those regulations regulating sewage discharges to the BCRA WWTP as amended from time to time as provided for in Exhibit A. These BCRA Rules and Regulations are included and incorporated into these Pocono Township Rules and Regulations. In the event of a conflict between the two, the most restrictive regulations shall prevail, or in the case of other conflict, the BCRA Rules and Regulations shall prevail.

Board of Commissioners shall mean the Board of Commissioners of Pocono Township. All references to the Board of Supervisors shall be understood to be referring to the Board of Commissioners.

BOD (Biochemical Oxygen Demand) shall mean the quantity of oxygen, expressed in milligrams per liter, utilized in the carbonaceous biochemical oxidation of organic matter under standard laboratory procedure in five (5) days at twenty (20°) degrees centigrade, which standard laboratory procedure shall be as set forth in the latest publication of 40 CFR 136 or any successor regulation.

Building Sewer shall mean the extension from the sewage drainage system of any Improved Property to the Lateral serving such Improved Property. It shall extend from the building line to the right of way of a road or easement and connect the building sewer to the sewer lateral as depicted on the Township's standard construction details provided in the Construction Standards. The Building Sewer shall be owned and maintained by the property served.

Building or Service Lateral or Lateral shall mean the sewer line located within a road right of way or sanitary sewer easement extending from the end of the Building Sewer to the sewer main as depicted on the Township's standard construction details provided in the Construction Standards. The Lateral shall be owned and maintained by the Township.

Commercial Establishment shall mean any room, group of rooms, building or enclosure, or group thereof, connected, directly or indirectly, to the Sewer System and used or intended for use in the operation of a business enterprise for the sale and distribution of any product, commodity, article or service, which maintains separate toilet, sink or other plumbing facilities in the room or group of rooms utilized for such business enterprise.

Commonwealth shall mean the Commonwealth of Pennsylvania.

Connection Ordinance shall mean the Ordinance enacted by this Township requiring Owners of certain Improved Property located in the Township to connect to such Sewer and use the same in such manner as this Township may ordain.

Connection Permit shall mean the permit issued by the Township authorizing an Owner to connect an Improved Property to the Sewer System.

Cooperation Agreement shall mean the Amended and Restated Intermunicipal Cooperation Agreement dated May 1, 2010, as well as the First Supplement to the Amended and Restated Intermunicipal Cooperation Agreement dated November 1, 2010, all between the Borough of Stroudsburg, the Township of Hamilton, the Township of Pocono, the Township of Smithfield, the Township of Stroud, the Stroud Township Sewer Authority, and the Brodhead Creek Regional Authority and any subsequent amendment thereto.

County shall mean the County of Monroe, Pennsylvania.

Customer Facilities Fee is the customer facilities fee described in Act 57 of 2003 for the actual cost of the Building Sewer (i.e. facilities, including labor and other costs associated with the installation thereof, serving the Improved Property from the property line or the curb stop to the dwelling or building to be served) when installed by the Township. The fee also includes the cost of a grinder pump unit furnished by the Township for pick-up and installation by the Owner.

DEP shall mean the Pennsylvania Department of Environmental Protection or any successor agency of the Commonwealth of Pennsylvania.

Developed Property shall mean any property within the Sewered Area which was an Improved Property on October 20, 2009.

Domestic Sanitary Sewage shall mean normal water-borne from a typical sanitary sewage user , such as wastes from kitchens, water closets, lavatories and laundry facilities, discharged from any Improved Property, as well as water-borne wastes of similar character from similar facilities in offices, hotels, stores, restaurants, hospitals, schools and other Commercial, Educational, Industrial and Institutional Establishments, but in all cases excluding Prohibited Wastes.

Dwelling Unit shall mean any room, group of rooms, single family home, house trailer, apartment, condominium, cooperative or other enclosure and occupied or intended for occupancy as living quarters by an individual, a single family or other discrete group of persons, excluding institutional dormitories.

DRBC shall mean the Delaware River Basin Commission.

Educational Establishment shall mean any room, group of rooms, building or other enclosure connected, directly or indirectly, to the Sewer System and used or intended for use, in whole or in part, for educational purposes, including both public and private schools or colleges.

Engineer A Professional Engineer licensed by the Commonwealth of Pennsylvania and retained by the Township providing services to the Township for assistance with the management and operations of the sewer system. The term Township Engineer or Sewer Engineer shall be considered the same for the purposes of this Resolution.

EPA shall mean the Environmental Protection Agency of the United States of America, or any successor federal department or agency.

Equivalent Dwelling Unit or EDU shall mean the unit of measure deemed to constitute the estimated, equivalent amount of Domestic Sanitary Sewage discharged by a single-family Dwelling Unit, equal to 247 gallons/day water consumption metered by BCRA, or determined by Pocono Township and used for determining the following:

- a. The User Charge;
- b. Tapping Fees payable by a new User;
- c. Additional Tapping Fees payable by Users who:
 - 1. construct an addition to an existing Improved Property;
 - 2. expand an existing use of an Improved Property;
 - 3. change the use of an Improved Property;

4. increase sewage use as measured by either a water or sewer meter, for any reason other than an unidentified loss of water or inflow and infiltration which is remediated within two (2) months of determination of where the loss is occurring.

Extra Strength Wastes shall mean Sewage which exceeds the limits set forth in this resolution-and/or as otherwise mandated from time to time by any Regulatory Authority having jurisdiction of sewage discharges.

Fats, Oils, and Grease (FOG) shall mean fats, oils and grease as determined by laboratory analysis using analytical methods allowed for NPDES reporting as listed in the latest publication of 40 CFR 136 or any successor regulation.

Flow Allocation, Hydraulic shall refer to the total daily flow allocated to a user as determined by this Resolution and the connection permit.

Flow Allocation, Organic shall refer to the mass loading of organic and inorganic materials measured in lbs/day as further defined by this Resolution.

Grease Interceptor shall mean a large tank or device so constructed as to separate and trap or hold fats, oil, and grease substances from the sewage discharged from a facility in order to keep fats, oil, and grease substances from entering the sewer system.

Improved Property shall mean any property in the Sewered Area of the Township upon which there is erected a structure intended for continuous or periodic habitation, occupancy or use by human beings or animals and from which structure Domestic Sanitary Sewage and/or Industrial Wastes shall be or may be discharged into the Sewer System and is subject to the Connection Ordinance.

Industrial Establishment shall mean any Improved Property used or intended for use, wholly or in part, for the manufacturing, processing, cleaning, laundering, or assembling of any product, commodity or article, or any other Improved Property from which wastes, in addition to or other than Domestic Sanitary Sewage, shall or may be discharged.

Industrial Wastes shall mean any and all wastes discharged from an Improved Property and/or any wastewater having characteristics which may have the potential to be detrimental to the Treatment Plant, other than Domestic Sanitary Sewage.

Institutional Establishment shall mean any room, group of rooms, building or other enclosure connected, directly or indirectly, to the Sewer System, including institutional dormitories and Educational Establishments, and which do not constitute a Commercial Establishment, a Dwelling Unit, or an Industrial Establishment.

Interference shall mean a discharge from the Sewer System that, alone or in conjunction with a discharge or discharges from other sources, inhibits or disrupts the Treatment Plant, its treatment processes or operations or its sludge processes, use or disposal; and therefore, is a cause of a violation of the NPDES Permit or of the prevention of sewage sludge use or disposal in compliance with any of the following statutory/regulatory provisions or permits issued thereunder, or any more stringent Commonwealth or local regulations: Section 405 of the Federal Water Pollution Control Act, also known as the Clean Water Act, as amended, 33 U.S.C. Section 1251, et seq.; the Solid Waste Disposal Act, including Title II, commonly referred to as the Resource Conservation and Recovery Act (RCRA); any Commonwealth regulations contained in any Commonwealth sludge management plan prepared pursuant to Schedule D of the Solid Waste Disposal Act; the Clean Air Act; the Toxic Substances Control Act; and the Marine Protection, Research and Sanctuaries Act.

Large Variations shall mean when a user's flow rates by instantaneous rates in terms of gallons per minute, daily and monthly rates in terms of gallons per day, or strength of waste varies by more than 15 % from time to time.

Legal Requirements shall mean, collectively, all applicable environmental (including influent, treatment and discharge standards and permits then in effect), land use or other laws, regulations, orders, ordinances, codes, restrictions, permits, and other requirements imposed by Regulatory Authorities or by agreement, including but not limited to the Cooperation Agreement and the Sewage Treatment Agreement.

Material Change shall be established where a non-residential commercial or Industrial User has increased its water consumption by greater than fifty (50%) percent of the next higher EDU (e.g., 124 gpd monthly average) based on the previous year's consumption, during the user's peak month of utilization, for any reason other than unintentional loss of water by the User due to leakage or Inflow and Infiltration in the sanitary sewer system that is timely removed from the system.

Medical Waste shall mean isolation wastes, infectious agents, human blood and blood products, pathological wastes, sharps, body parts, contaminated bedding, surgical wastes, potentially contaminated laboratory wastes, and dialysis wastes.

Meter shall mean a device approved for measuring the volume of water consumed, or sewage discharged, by the Owner which consumption is the basis for determining the User Charge for sewer service, and which is read by BCRA, Pocono Township or other similar Utility or by a PA Licensed Operator. A water meter or sewer meter may be used for measuring sewage flows. The water meter may be utilized in the absence of a sewer meter. The sewer meter, provided it is calibrated by a third party, at least annually, being considered the primary source of sewage flow data.

National Categorical Pretreatment Standard or Pretreatment Standard shall mean any regulation containing pollution discharge limits promulgated by the EPA in accordance with

Section 307(b) and (c) of the Act (33 U.S.C. 1347) which applies to a specific category of Industrial users.

Owner shall mean any Person vested with title, legal or equitable, sole or partial, of any Improved Property, and the party ultimately responsible for the payment for sewer service.

Operational and Maintenance Plan (O&M) shall refer to the plan developed by the Township for operations, system maintenance, allowable materials, and construction standards for the System. This O&M Plan, as amended from time to time by the Township, is incorporated by reference into this Resolution.

Pass Through shall mean a discharge from the Sewer System which exits the Treatment Plant into Waters of the United States in quantities or concentrations which, alone or in conjunction with a discharge or discharges from other sources, is a cause of a violation of any requirement of the NPDES Permit, including an increase in the magnitude or duration of a violation.

Person shall mean any individual, partnership, company, association, society, trust, corporation or other group or entity, including municipalities, municipality authorities, school districts and other units of government.

pH shall mean the logarithm of the reciprocal of the concentration of hydrogen ions, expressed in grams per liter of solution, indicating the degree of acidity or alkalinity of a substance.

ppm shall mean parts per million parts sewer, by weight.

Reservation Fee(or Standby Fee) shall mean a fee charged for future development with proper standing with the Township to maintain committed capacity in the sewer system for the said future development.

Regulatory Authorities or Authority Having Jurisdiction (AHJ) shall mean collectively, BCRA, EPA, DEP, DRBC, PaPUC, and any other local, county, regional, Commonwealth or Federal authority having jurisdiction on the date hereof or that may have jurisdiction at any time in the future over any aspect of the Sewer System, including influents, collections, conveyance, operations, land use, effluents, rate setting, solid wastes and emissions.

Rules and Regulations being this document, means the prescribed methods adopted by the Township from time to time by resolution, connections to and general use of, the Sewer System and/or the Treatment Plant. Including but not limited to this resolution governing the operations, use and operations of the sewer system.

Septage shall mean any Sewage from holding tanks such as vessels, chemical toilets, campers, trailers, and septic tanks; provided that such term shall not include any Sewage

transported to the Treatment Plant by or at the direction of BCRA due to a new connection, a temporary reduction or disruption in the flow of Sewage through the Sewer System.

Sewage shall mean the liquid and water-carried Domestic Sanitary Sewage or Industrial Wastes from Dwelling Units, and Commercial, Educational, Industrial and Institutional Establishments, whether treated or untreated. The terms "waste" and "wastewater" shall be deemed as Sewage by definition.

Sewage Treatment Agreement shall mean the Sewage Treatment Agreement between the Township and BCRA dated as of March 1, 2011, including all modifications, amendments, supplements, and restatements thereto made and delivered from time to time and at such time constituting part hereof.

Sewer shall mean any pipe or conduit constituting a part of the Sewer System used or usable for collection of Domestic Sanitary Sewage and/or Industrial Wastes.

Sewer System shall mean all facilities, at any particular time, acquired, constructed, or operated by, or on behalf of, the Township for collecting, pumping, transporting, treating and/or disposing of Domestic Sanitary Sewage and/or Industrial Wastes discharged by an Improved Property within this Township and subject to the Connection Ordinance.

Sewered Area shall mean that geographic area or areas of the Township served or to be served by the Sewer System, including all existing or future sewer areas or districts established and approved, from time to time, pursuant to Act 537 and other applicable laws;

Shall means mandatory.

Significant Violation shall mean either (a) the discharge of one or more Prohibited Discharge(s) into the Sewer System, (b) the occurrence of an event or circumstance, caused in whole or in part by a User's non-compliance with/violation of this Resolution or any of the Rules and Regulations, such that the Township's ability to fully comply with all agreements and other requirements to which it is subject in relation to the Sewer System and/or the Treatment Plant, or otherwise relating to its operation of the Sewer System, may be hindered, delayed or jeopardized, and/or (c) be the cause, in whole or in part, of the Township being subjected to Violation Costs and/or surcharges, as defined in, and as provided for, in the Sewage Treatment Agreement.

Slug, Slug Discharge, or Slug Load shall mean any Discharge at a flow rate or concentration, which could cause a violation of the prohibited discharge standards. A "Slug Discharge" is any Discharge of a non-routine, episodic nature, including but not limited to an accidental spill or a non-customary batch discharge, which as a reasonable potential to cause Interference or Pass Through, or in any other way violates the Rules and Regulations or Legal Requirements.

Street shall mean and shall include any street, road, lane, court, cul-de-sac, alley, public way or public square, including such streets as are dedicated to public use, and such streets as are owned by private Persons.

Surcharges shall mean a mandatory payment for exceedances in flow, organic or inorganic mass loading discharged to the Township's system beyond the allowable discharges as set forth in this Resolution for each EDU allocated to a property/connection.

Suspended Solids shall mean the total suspended matter that floats on the surface of, or is suspended in, water, wastewater, or other liquids, and which is removable by laboratory filtering.

Tapping Fee shall mean the tapping fee described in Act 57 of 2003 payable by the Owner of any Improved Property in the area served by the Sewer System which actually connects or is required to be connected pursuant to the Connection Ordinance then in effect requiring such connection or which otherwise connects to the Sewer System.

Total Dissolved Solids (TDS) shall mean total dissolved solids as determined by laboratory analysis using analytical methods allowed for NPDES reporting as listed in the latest publication of 40 CFR 136 or any successor regulation.

Total Phosphorous (P) shall mean total phosphorous as determined by laboratory analysis using analytical methods allowed for NPDES reporting as listed in the latest publication of 40 CFR 136, or any successor regulation.

Total Residual Chlorine (TRC) shall mean residual chlorine as determined by laboratory analysis using analytical methods allowed for NPDES reporting as listed in the latest publication of 40 CFR 136 or any successor regulation.

Total Suspended Solids (TSS) shall mean total suspended solids as determined by laboratory analysis using analytical methods allowed for NPDES reporting as listed in the latest publication of 40 CFR 136 or any successor regulation:

Township shall mean the Township of Pocono, Monroe County, Pennsylvania, a political subdivision of the Commonwealth, acting by and through its Board of Commissioners or, in appropriate cases, acting by and through its agents, including BCRA or other authorized representatives.

Township SCADA System shall mean the Supervisory, Control, and Data Acquisition System constructed and maintained by the Township to monitor and control major sewer components of the Sewer System.

Treatment Plant shall mean the Sewage treatment and disposal system facilities owned and operated by BCRA, together with all appurtenant facilities and properties, and together with any additions, improvements, enlargements and/or modifications thereto from time to time acquired or constructed.

Types of Service shall mean:

- a. Commercial - Improved Property where the User is engaged in trade and/or commerce.
- b. Industrial - Improved Property for use in manufacturing, processing, and distribution activities.
- c. Municipal or Public - A political subdivision of the Commonwealth of Pennsylvania or agency thereof, a municipal authority, school district or other similar public bodies.
- d. Residential - Sewer service for residential households for customary sanitary purposes.

User shall mean the Owner, a tenant or other Person who contributes, causes, or permits the contribution of Domestic Sanitary Sewage and/or Industrial Wastes into the Sewer System from an Improved Property as further defined below:

- a. Small System User shall be that user that has a flow allocation of 10 or less EDUs.
- b. Medium System User shall be those users between 11 EDUs and 50 EDUs
- c. Large System User shall be those users greater than 50 EDUs, or, Medium System users which have Industrial Discharges or potential for discharge of hazardous or prohibited discharges as determined by the Engineer.

User Charge (or Fee) shall mean the periodic charge imposed for services, or availability of services, provided by the Sewer System, as established by Resolution of the Township, from time to time. A User Charge may include surcharges for uses beyond allocated flow either organic or hydraulic.

Violation shall mean (a) the discharge of any Extra Strength Waste by a User, or (b) any other breach by a User of any provision of any connection or Industrial Waste permit, this Resolution or any Rule or Regulation, which violation does not constitute a Significant Violation.

Violation Costs shall mean all direct and indirect costs and expenses, fines, penalties, liabilities, damages and other costs or expenses (including legal and engineering fees and

expenses) incurred by the Township as a result of a Violation and/or a Significant Violation by a User.

In these Rules and Regulations, the singular shall include the plural and the masculine shall include the feminine and the neuter.

SECTION 2 - CONDITIONS OF SERVICE

2.1 CONDITIONS OF SERVICE

- A. Use of the Sewer System by a User shall be in accordance with this and other applicable resolutions and ordinances of this Township, and the Rules and Regulations.
- B. The Township will furnish sewer service in consideration of the timely payment by User of the applicable Tapping Fee, , Customer Facilities Fee, User Charge, and other charges described herein and set forth on the Schedule of Public Sewer Rates and Charges attached hereto as "Schedule 1" and incorporated herein by reference, as the same may be amended or supplemented from time to time. The Township hereby reserves the right, as often as it may deem necessary, to alter or amend such rates and charges, as well as the Rules and Regulations.

2.2 APPLICATION FOR SERVICE AND CONTRACTS; SEWER RATES: TAPPING FEES

- A. Sewer service shall not be provided to any Improved Property until application shall have been made to the Township, or its agent, by the Owner of such Improved Property or by his authorized agent in accordance with the Connection Ordinance, and a Connection Permit issued by the Township authorizing same. Such application shall be made upon a form prescribed by the Township, wherein the Owner shall state fully all purposes for which he shall desire such service and shall answer accurately all necessary questions. The application for sewer service (regardless of User or applicant) shall constitute a binding, legal representation by the Owner of such Improved Property. Upon approval of the application, issuance of the Connection Permit, and payment of the appropriate fees and charges, the Owner shall install and connect {unless otherwise provided by the Township) the Building Sewer to the Lateral, at the sole cost and expense of the Owner.
- B. The application shall be subject to payment of all Tapping Fees, and Customer Facilities Fees then in effect and applicable to the Improved Property which is the subject of the application. The application, the Connection Ordinance, this resolution, as amended, and the Rules and Regulations shall regulate the sewer service to such Improved Property. The Township may require, prior to

approval of service, special contracts, or agreements in addition to an application for sewer service, if:

1. Service is for a new subdivision and/or land development;
2. Construction of extensions and/or other facilities are necessary;
3. A person shall contract with the Township to lay service pipe to the Improved Property, it being normal procedure for the Township not to furnish material or labor for use upon private Improved Property;
4. An Improved property will operate a private sanitary sewage treatment or pre-treatment facility; or
5. Deemed necessary by the Township.

C. EDUs shall be attributed to an Improved Property as follows:

1. Single Family Dwelling Units and small system users shall be attributed no less than one (1) EDU.-Each principal use, as defined by the Township's Zoning Ordinance or as determined by the Township Zoning Officer, on a parcel shall have no less than one EDU for each use.
2. Any Commercial, Educational, Industrial, Multi-residential, Mixed use (commercial/residential) and Institutional properties served by a metered water supply shall be attributed the number of EDUs determined from their maximum monthly average (i.e. highest month of the year) metered water usage, times 110%, based upon water meter data the twelve (12) month period preceding the date of connection. If sewage meters are utilized, attributed flows shall be 100 % of the metered use over the highest month during a twelve (12) consecutive month period. For proposed development, the applicant may utilize metered water consumption from a similar existing facility to estimate sewer flows with 110 % of the highest month from that facility.
3. Commercial, Educational, Industrial, Multi-residential, Mixed use (commercial/residential) and Institutional properties that do not have metered water service shall be attributed EDUs calculated in accordance with the provisions of Exhibit "C" attached hereto and incorporated herein by reference or metered flow data from a similar facility as outlined above.
4. Improved Properties which, prior to connection, are operating a private sanitary sewage treatment plant to provide sewer service for that Improved Property, shall have the option to be attributed EDUs in accordance with either the provisions of Section 2.2.C.2. above, or

based upon the maximum gallons per day of discharge permitted the DEP discharge permit in existence for that private sanitary sewage treatment plant. Failure of the Owner of the Improved Property to make an election as part of the application for a Connection Permit shall result in the attribution of EDUs in accordance with the provisions of Section 2.2.C.2. above.

5. All Principal uses on a parcel shall have no less than one EDU per Use unless a use is determined to be an accessory use to the principal use as determined by the Township Zoning Officer.

For any Improved Property connected, or proposed to be connected, to the Sewer System that does not have metered water service, the Township may, at the Township's sole cost and expense, install a water meter, and utilize the data from that meter for the purpose of attributing EDUs.

All EDUs shall be allocated in whole numbers and fractional calculated EDUs shall be rounded up to the nearest whole number.

D. Address of Owner.

The Owner of an Improved Property, when initially connecting to the Sewer System, shall provide the Township or its designated agent with, and shall thereafter keep the Township or its designated agent advised of, the Owner's current address.

E. Change in Ownership, Tenancy or Conditions of Water consumption

The Township must be notified upon any change in the ownership of an Improved Property regardless of the User. The Township will prepare a final bill for the seller of the Improved Property and future billings shall be the responsibility of the new Owner. Any User making any Material Change in the size, character, or extent of equipment or operations utilizing sewer service, or whose change in operation results in a substantial increase in the consumption of water, shall immediately give the Township written notice of the nature of the change, and either amend its application, if an application exists with the Township, or submit a new application. The Township shall adjust the applicable EDUs to impose additional Tapping Fees and User Charges based on a new application and/or an increase in water consumption due to such Material Change and based on a recalculation of the actual increase of water consumption as herein defined. Tapping Fees shall not be returned if water consumption is subsequently decreased. Failure to file an application will not relieve a User of the obligation to pay for additional User Charges or additional Tapping Fees pursuant to the three (3) month

recalculation, as set forth herein. The Township shall have the right, upon ten (10) days' notice, to discontinue (or cause to be discontinued) sewer and/water or service until such an application has been submitted and approved.

Unless supported or otherwise restricted by a special services agreement, in the case of Medium and Large System Users, at no time shall any flows from any User exceed 25% of the daily flow allocated to a property on any given day. At no time shall any monthly flow exceed the maximum allocated flow. Should the flows exceed the monthly flows from normal discharges due to over usage, or by more than 50 % of one single EDU (e.g., 124 gpd), the user shall purchase additional EDU(s) for the overages both in terms of User Fees and Tapping Fees.

Peak rates of flow from a User shall be limited to a maximum of 250% of the purchased capacity or 0.429 gpm/EDU as measured over a maximum of a 10-minute period.

F. Changes in Governmental Regulations

All permits, contracts or agreements for sewer service shall be subject to such changes or other modifications as may be required or appropriate to reflect changes in applicable law, rule, or regulation of a governmental body, including the BCRA.

G. Tapping Fees

1. A Tapping Fee is hereby imposed against the Owner of any Improved Property to be served by the Sewer System which actually connects to or is required to be connected thereto pursuant to the Connection Ordinance then in effect, or by special agreement between such Owner and the Township, governing such connection. Calculation and itemization of the maximum lawful Tapping Fee is attached hereto as Exhibit "B" and made a part hereof. The Tapping Fee shall be set by Township Fee Schedule up to the maximum amount shown in the Tapping Fee Study, subject to the Provisions of Act 57 of 2003.
2. The Tapping Fee shall be due and payable at the earlier of: (1) the time application is made to the Township to make connection to the Sewer System or, if applicable, the date when the Township shall connect any such Improved Property to the Sewer System, at the cost and expense of the Owner, when such Owner shall have failed to make such connection as required by the Connection Ordinance in effect requiring such connection, or (2) in the case of Developed Properties

required to be connected following initial construction of the Sewer System, by the date set forth in the written notice from the Township to the Owner to connect, which will not be less than the time period set forth in the Connection Ordinance for such connection to be completed. Owners of an Improved Property which is attributed an additional number of Equivalent Dwelling Units as defined by the Township rate structure herein shall pay a corresponding additional Tapping Fee at the time of being attributed with the new EDU computation as set forth in a written notice thereof to such Owners.

The Township may (but is in no way required to) utilize grant funds to pay a portion of the Tapping Fee for Developed Properties connecting to the Sewer System during the initial connection period following completion of construction of the Sewer System.

H. Contracts with Delinquents

An applicant seeking sewer service who has outstanding charges owed to the Township or BCRA for sewer or water services on other Improved Properties of, or occupied by, such Person, past or present, must pay all such outstanding charges prior to the connection application for the new sewer service being approved.

I. Construction and Material Requirements

All Construction and Material Requirements are included in the System's O&M Plan which is hereby incorporated by reference and as may be amended from time to time by the Commissioners. Those requirements and procedures shall be administered jointly by the Township's Sewer System Engineer and by the Building Code Enforcement Officer based on the requirements of the UCC, the O&M Plan, the PA Wastewater Facilities Manual, BCRA, or other similar Authority Having Jurisdiction (AHJ). The most restrictive requirement shall be enforced.

2.4 BILLS AND PAYMENTS

A. User Charge

1. A User Charge is hereby imposed upon the Owner of each Improved Property which is or shall be required to be connected to the Sewer System, for use of the Sewer System, whether such use is direct or indirect, and for services rendered by or on behalf of the Township and shall be payable as provided herein. Such User Charge may be imposed upon the Owner of an Improved Property who fails or refuses

improperly to connect such Improved Property to the Sewer System, as compensation for the availability of service by the Township in connection with the Sewer System. The User Charge shall be payable by the Owner of each Improved Property commencing the earlier of: (1) the date of actual, physical connection of an Improved Property to the Sewer System, or (2) the expiration of the time period for connection specified in the written notice from the Township to the Owner to connect, which will not be less than the time period set forth in the Connection Ordinance. All bills are payable in person at, or by mail or bank wire funds transfer to, a location designated by the Township. The basic User Charge will be imposed based upon the number of EDUs attributed to the Improved Property. EDU's attributed and User Charges are recalculated on a yearly basis.

2. All non-single-family Dwelling Units supplied with sewer through one connection shall be charged by determining their EDU count calculated to the nearest whole EDU (rounded up).
3. Thereafter, subject to limitations in the Connection Ordinance, if a Small User increases its water consumption by more than the EDU(s) purchased, over a three (3) month period, that User's EDU allocation shall be adjusted by the Township to reflect the increase for purposes of calculating User Charges. The User shall also be attributed additional EDUs as determined by Pocono Township and be required to purchase additional EDU(s) at the then current Tapping Fee amount.
4. In the event a User can demonstrate to the satisfaction of the Township that the User has permanently reduced its long-term water consumption by more than ten percent (10%) then such Owner may request a recalculation of EDU attribution to that Improved Property. The recalculation shall be based upon the highest average monthly peak flow over a one-year period of data collection. If the Owner is able to satisfactorily demonstrate that a reduction in EDUs attributed to the Improved Property should be, and such a reduction is in fact, granted by the Township, then the Owner shall receive a commensurate reduction of the basic User Charge effective with the first complete billing cycle occurring after such determination. However, at no time shall a user fee be less than one (1) EDU.
5. In the event a reduction in EDUs attributed to an Improved Property is granted, the Owner shall forfeit an equal amount of sewer capacity previously allocated to that property. The Owner shall not, as a result of the granted decrease in the EDU attribution, be entitled to the refund of, or credit for, User Charges previously paid or payable. Further,

subject to the express exception set forth in Paragraph 2.4.A.6. below, the Owner shall not be entitled to refund of, or credit for, Tapping Fees previously paid for such EDUs. Any future increase in the number of EDUs attributed to such Improved Property, as described in Paragraphs 2.2.E. or 2.4.A.3. above, shall result in the imposition of additional Tapping Fees and User Charges.

6. The foregoing notwithstanding, within sixty (60) days after the expiration of the first twelve (12) months of being connected to the Sewer System (the "Initial Connection Period"), the Owner of any Commercial, Industrial, Multi-residential, Mixed use (commercial/residential), Educational, Institutional or public (non-residential) Improved Property whose EDU attribution was based upon the maximum monthly average (i.e. highest month of the year), may request a recalculation of the EDU attribution for that Improved Property based upon its maximum monthly average metered water consumption, plus 10% for the Initial Connection Period. If that recalculation establishes that the number of EDUs attributed to such Improved Property at the time of initial connection was greater than the attribution that would have been made on the basis of the maximum monthly average metered water consumption for the Initial Connection Period, the EDU attribution to that Improved Property shall be reduced accordingly, the Owner shall receive a commensurate reduction of the basic User Charge effective with the first complete billing cycle occurring after such determination, the Owner shall forfeit an equal amount of sewer capacity previously attributed to that Improved Property. Any future increase in the number of EDUs allocated to such Improved Property, in excess of the reattributed count, shall result in the imposition of additional Tapping Fees and User Charges.
7. In addition, solely with respect to any Commercial, Industrial, Multi-residential, Mixed use (commercial/residential), Educational, Institutional or public (non-residential) Improved Property which, prior to connection, was operating a private sanitary sewage treatment plant to provide sewer service for that Improved Property, and with respect to which EDUs were initially attributed to such Improved Property in accordance with the provisions of Section 2.2.C.2. above, the Owner of that Improved Property may request a recalculation of the EDU attribution for that Improved Property based upon its maximum monthly average metered sewer flow for the Initial Connection Period, provided, in the opinion of the Township, the Improved Property had a properly operating and properly calibrated sewer meter installed and operating for the Initial Connection Period. If that recalculation

establishes that the number of EDUs attributed to such Improved Property at the time of initial connection was greater than the attribution that would have been made on the basis of the maximum monthly average metered sewer flows for the Initial Connection Period, the EDU attribution to that Improved Property shall be reduced according; the Owner shall receive a commensurate reduction of the basic User Charge effective with the first complete billing cycle occurring after such determination; for all future purposes of billing and attribution of EDUs, provided the sewer meter remains installed, properly calibrated and properly operating, monthly metered sewer flows shall be utilized in lieu of metered water consumption; the Owner shall forfeit an equal amount of sewer capacity previously attributed to that Improved Property; and the Owner shall be entitled to a refund of, or credit for, Tapping Fees previously paid for such forfeited sewer capacity. Any future increase in the number of EDUs allocated to such Improved Property, in excess of the reattributed count, shall result in the imposition of additional Tapping Fees and User Charges.

8. Nothing herein contained shall be deemed to prohibit this Township from entering into separate or special agreements with Owners of Improved Property or other Persons with respect to the User Charge or surcharge to be imposed in those cases where, due to special or unusual circumstances, the User Charge set forth herein shall be deemed by this Township, in its sole discretion, to be inequitable, or where it is in the best interests of this Township to do so.
9. No approvals by the PA DEP under the provisions of Act 537 represent purchase or Reservation of EDUs. Capacity allocations under Act 537 represent the right for a User to connect to the Pocono System at a given flow allocation, subject to purchase of the EDUs through payments of Tapping Fees. No capacity is guaranteed by Pocono Township until such time Tapping Fees are paid, and User Fees are paid on said Tapping Fees.

B. Basis for Preparation of Bills

1. Typically, all bills for sewer services furnished by the Township will be issued monthly based upon the current Schedule of Public Sewer Rates and Charges of the Township.
2. The User Charge shall be non-abatable for non-use of sewer service, and non-cumulative against subsequent use. In the case of fractional bills covering less than a month, minimum charges and allowances of sewer shall be pro-rated for new connections only.

3. The Owner of an Improved Property shall be fully liable for payment if a tenant or other User moves out without paying the bill. Tenants shall not be billed directly by the Township and the Owner shall be responsible for passing the bill onto the tenant for payment if the lease agreement calls for the tenant to pay sewer bills.
4. Bills for surcharges as outlined in this Resolution shall be billed directly from the Township separate from service bills.

C. Payment of Bills

1. All bills are due and payable within twenty-one (21) days after the date of the bill, and a late fee equal to 10% per annum of the amount of such bill for the number of days such bill is delinquent (calculated on the basis of a year of 365 days), will be added to all bills if not paid when due. Acceptance of remittance of bills on the last day of this twenty-one (21) day period shall be determined by the date of actual receipt of the User's payment at the designated payment office.
2. If a User has not served written protest to the Township within fifteen (15) days after the date of a bill, it shall be considered an undisputed bill.
3. If a bill is paid by check and the check is returned by the bank for any reason, a charge of \$20.00, or as may be amended from time to time, shall be paid by the User in addition to the amount of the bill and the late fee.
4. Payment schedules can be obtained on a case-by-case basis pending the Township's approval.
5. Failure of any person to receive bills for User Charges and other charges shall not be considered an excuse for non-payment, nor shall such failure result in an extension of the period of time during which the bill shall be payable.
6. Every Owner of Improved Property shall remain liable for the payment of User Charges and surcharges until the later of: (1) the receipt by the Township of written notice by such Owner that the Improved Property has been sold, containing the correct name and mailing address of the new Owner, or (2) the date on which title to the Improved Property is transferred to a new Owner. Failure to provide notice renders an Owner continuously liable for any charges that may accrue until such time as

the Township has been properly notified of any change in ownership as described above.

7. Tapping Fees, User Charges, and all other charges imposed by this Resolution shall be a lien on the Improved Property from the date imposed.

D. Unpaid Bills

1. If the Owner fails or neglects to pay, for a period of thirty (30) days from the due date thereof, any sewer bill or payment due, the Township shall provide to such Owner ten (10) days' notice in writing of the fact that such payment has become delinquent and that the Township intends to shut off sewer service, and/or to shut off, or request BCRA to shut off, the water supply to the Improved Property. This notice will also be posted at a main entrance of the Improved Property. If during such (10) day period the Owner delivers to the Township a written statement, under oath or affirmation, stating that he has a just defense to the claim, or part of it, for such rentals or charges, then the sewer service and the water supply shall not be shut off until the claim has been judicially determined. This statement shall also contain a declaration under oath or affirmation that it was not executed for the purpose of delay.
2. The Township shall, in addition to the above, have the right to exercise any and all rights and remedies granted by the Connection Ordinance or applicable law; bring a legal action to recover any amount due to it and/or to enter a municipal lien or claim against the Improved Property in the Office of the Prothonotary of Monroe County, and to collect the same in the manner provided by law for the collection of such liens or claims, all of which rights and remedies shall be cumulative.

E. Service of Notices

1. With the exception of the Notice to Connect, all notices and bills relating to the Sewer System shall be deemed to have been properly served if left upon the Improved Property served, if mailed to the Owner, or served in person to the Owner at the Owner's address as shown on the records of the Township.
2. The Township will send all such notices and bills to the address given on the application for sewer service until a notice of change of address, in writing, has been filed with the Township by the Owner.

3. All notices of general character, affecting or likely to affect all or a large number of Users, shall be deemed to have been properly given or served if advertised in the newspaper designated by the Township.

F. Surcharge

1. The Owner of any Improved Property which shall discharge Extra Strength Wastes or excessive flows to the Sewer System shall, in the discretion of the Township, pay a surcharge. Surcharges shall be paid in addition to all User Charges computed in accordance with provisions of Section 2.4 and shall be computed on such basis, and payable at such times, as the Township may from time to time establish. In imposing any surcharge, the Township will consider the provisions of any agreements to which the Township is a party governing the treatment of Domestic Sanitary Sewage or Industrial Wastes. Determination of surcharge quantities for Extra Strength Waste discharges shall be made based upon: (1) suitable sampling and analysis methods specified by the Township; or (2) from estimates made by the Township; or (3) from known relationships of products produced to strengths of such wastes for those industries where such factors have been established. In establishing such waste strengths for surcharge purposes by analysis, analyses shall be made in accordance with procedures outlined in the latest edition of "Standard Methods for the Examination of Water and Wastewater" published by the American Public Health Association, Inc. The surcharge for exceedances of hydraulic flows and organic loadings shall be based on the hydraulic or organic flow which exceeds the allocated flow applied to the current EDU billing rate by the nearest whole EDU, rounding up.
2. In addition to the foregoing, if Extra Strength Wastes are being discharged, the Owner shall be liable for the cost and expense of laboratory testing, and legal and engineering costs in relation to the same and shall reimburse the Township and/or BCRA for any such costs and expenses upon demand.
3. All monitoring costs and expenses shall be the sole liability and responsibility of the Owner.

2.5 COMPLAINTS

- A. Complaints relative to the character of the service furnished, the reading of water meters, or concerning bills rendered shall be in writing and mailed to the billing office of the Township or its designated billing agent.

- B. If an employee of the Township, or its agent, is called out after normal business hours in response to a complaint by a User and if the cause of such complaint is not deemed to be the responsibility of the Township, then the User will be charged on the basis of time and materials with a minimum service charge of \$150.00, which fee may be changed from time to time.

2.6 CONDITIONS OF PLUMBING SYSTEM

The piping and fixtures on the Improved Property shall be in satisfactory condition at all times. The Township shall not be liable for any accidents, breaks, or infiltration resulting from connection of a Building Sewer to a Lateral or Sewer. The Township shall not be responsible for piping and fixtures of any User or for any damage to the Improved Property which may result from the Building Sewer or Lateral constructed by the User.

2.7 INDIVIDUAL LIABILITY FOR JOINT SERVICE

Two or more Persons who jointly have sewer service shall be jointly and severally liable for all bills issued by the Township, its agent or BCRA pertaining to the same. The Township reserves the right in such individual cases when deemed necessary to make one or more of said parties the guarantor for payment of said bill and to send a single bill.

No new joint applications for sewer service shall be granted by the Township and all Building Sewers must connect to a Lateral dedicated and solely utilized for a specific Building Sewer.

2.8 INSPECTION

Authorized employees of the Township, or its agent, presenting an identification card, shall have access to the Improved Property at all reasonable hours, for the purpose of sewer facility inspection, installation, repair and/or replacement; inspection, setting, reading, repairing, and removal of the water meter or sewer meter; and for all other justifiable purposes in related to the Sewer System.

2.9 INTERFERENCE WITH THE SEWER SYSTEM

For the protection of the Sewer System, no Person shall damage, injure, molest, disturb, or interfere with any part of the Sewer System. Where any such damage, injury or molestation, disturbance, or interference takes place, any Person observing or becoming aware of the same shall notify the Township immediately.

2.10 RENEWAL OF SERVICE

If sewer service (or water service) for a specific Improved Property has been discontinued, it will be restored after proper application when the conditions under which such service was discontinued, are corrected, and upon the payment of all delinquent fees and charges attributable to such Improved Property, or an arrangement satisfactory to the Township, or its agent, for payment of the arrearage is made, including all charges, costs and expenses related to shutting off and restoring sewer service and/or water service. References herein to termination or restoration of sewer service for delinquencies in payment of bills or otherwise, shall also refer to public water service provided to such Improved Property by BCRA.

2.11 CALCULATIONS OF EDUs

EDUs shall be calculated using the following methodology for all new connections to the Townships system:

- A. Use Based Calculations: All new users proposing a new use shall utilize the following use generated EDU rating to calculate total flows from a facility, divided by the flow per EDU to generate total required EDU allocation. Each use within a facility shall be evaluated separately and added together. The below shall be the basis of the initial determination to be confirmed by actual water meter usage after the facility is connected and fully occupied.

Use	Unit	gpd/unit
1. Residential Use	Dwelling Unit	247.0
2. 25 or more Residential Uses (Billed as a single Large System User)	Dwelling Unit	200.0
3. Barber Shop	Chair	123.5
4. Retail Store		
a. Per Employee	Total # of Employees	10.0, Plus
b. Gross Area	per 1,000 Square Feet	8.5
5. Offices	Employee	10.0
6. Manufacturing	Employee	20.0
7. Warehouse	Employee	20.0
8. Fast Food Restaurants (Disposal Utensils and dishware)	Meals Served	5.0
9. Sit Down Restaurants	Meals Served	8.0

28. Churches	Seat	2.0
29. Dormitory/group housing	Bed	35.0
30. Motel/Hotel	Room	75.0

B. Existing Users and those proposed uses that can provide flow data for no less than one year from a similar facility may utilize the peak monthly recorded flow plus 10% factor of safety as the basis of EDU allocation.

C. All EDU flow calculations are subject to review and approval by the Township Engineer.

SECTION 3 - PROHIBITED WASTES

3.1 No Person shall discharge, or shall cause or allow to be discharged, into the Sewer System any storm sewer, surface water, artesian well water, spring water, ground water, roof runoff, subsurface drainage, building foundation drainage, cellar drainage, any swimming pool filter or pool discharges, condensate, de-ionized

water, noncontact cooling water or drainage from roof leader connections. The Commissioners may, by a Special Sewer Services Agreement, allow for such discharges with specific conditions-based recommendations for monitoring and restrictions based on recommendations from the Engineer.

3.2 Except as otherwise provided, no Person shall discharge, or cause or allow to be discharged, into the Sewer System any matter or substance:

- A. Having a temperature higher than one hundred forty degrees Fahrenheit (140° F.) or less than thirty-two degrees Fahrenheit (32° F.), or which will inhibit biological activity in the Treatment Plant resulting in Interference, but in no case which causes the temperature at the introduction into the Treatment Plant to exceed 104 degrees F (40 degrees C);
- B. Which causes Pass Through or Interference;
- C. Any liquids, solids or gases which by reason of their nature or quantity are, or may be, sufficient either alone or by interaction with other substances to cause fire or explosion or be injurious in any other way to the Treatment Plant or to the operation of the Treatment Plant, including, but not limited to, waste streams with a closed-cup flashpoint of less than 140° F using methods in 40 CFR 261.21. At no time shall two (2) successive readings on an explosion hazard meter, at any point of discharge into the system (or at any point in the system), be more than five percent (5%) nor any single reading over ten percent (10%) of the Lower Explosive Limits (LEL) of the meter. Prohibited materials include, but are not limited to, gasoline, kerosene, naphtha, benzene, toluene, xylene, ethers, alcohols, ketones, aldehydes, peroxides, chlorates, perchlorates, bromates, carbides, hydrides and sulfides and any other substances which the Township, the Commonwealth or EPA has notified the User is a fire hazard or a hazard to the Sewer System;
- D. Containing any solid wastes with particles greater than one-half inch (1/2") in any dimension, resulting from preparation, cooking, and dispensing of food and from handling, storage and sale of produce, which wastes commonly are known as garbage, which have not been ground by household type garbage disposal units or other suitable garbage grinders;
- E. Containing any solids or viscous substances which may cause obstruction to flow in the Sewer System or other interference with the proper operation of the Sewer System and/or the Treatment Plant such as, but not limited to: animal guts or tissues, paunch manure, bones, hair, hides or fleshings, feathers, entrails, whole blood, feathers, ashes, cinders, sand, spent lime, stone or marble dust, metal, glass, straw, shavings, grass clippings, rags, spent grains, spent hops, waste paper, strings, wood, plastics, gas, tar, asphalt residues,

residues from refining or processing of fuel or lubricating oil, mud, glass grinding or polishing wastes, dental floss, wool or other fibers;

- F. Having a pH lower than 5.0 or higher than 10.0, or having any other corrosive property capable of causing damage or hazards to structures or equipment of the Sewer System or any Sewer or to any Person engaged in operation and maintenance of the Sewer System;
- G. Containing toxic or poisonous substances, or which result in the presence of toxic gases, vapors, or fumes, in sufficient quantity to injure or to interfere with any sewage treatment process, to constitute hazards to humans or animals or to create any hazards in sewers which shall receive treated effluent from the Sewer System;
- H. Containing dyes or other materials with objectionable color, from any source that will result in a Treatment Plant effluent exceeding limits in compliance with applicable state or federal regulations, and/or the Treatment Plant's NPDES permit;
- I. Any substance which may cause the Treatment Plant's effluent or any other product of the Treatment Plant, such as residues, sludges, or scums, to be unsuitable for reclamation and reuse or to interfere with the reclamation process. In no case shall a substance discharged to the Treatment Plant cause the Township to be in non-compliance with sludge use or disposal criteria, guidelines or regulations affecting sludge use or disposal developed pursuant to the Solid Waste Disposal Act, the Clean Air Act, the Toxic Substances Control Act or Commonwealth criteria applicable to the sludge management method being used;
- J. Containing radio-active substances and/or isotopes of such half-life or concentration that will result in a Treatment plant effluent exceeding limits in compliance with applicable state or federal regulations;
- K. Having a chlorine demand in excess of twelve (12) mg/l at a detention time of twenty (20) minutes;
- L. Prohibited by any permit issued by the Commonwealth or the EPA;
- M. Containing wastes which are not amenable to biological treatment or reduction in existing treatment facilities, specifically non-biodegradable complex carbon compounds;
- N. Having a waste strength in excess of the table below (except as authorized by written agreement);

0. Having any waste containing toxic or poisonous substances in excess of the following limits, measured at the point of discharge to the Sewer System. Any concentrations exceeding the above will be considered a Violation and subject to Surcharges.

- S. Containing any substance not mentioned in the foregoing list that will cause Interference or Pass Through at the Treatment Plant and exceed the maximum permitted levels for such substance under the requirements of the EPA, DRBC, BCRA, the Commonwealth or; other governmental agencies having jurisdiction;
- T. Any other substance prohibited by resolution, rule, regulation, or agreement of the Township hereafter enacted or adopted from time to time;
- U. Sludges, screenings, or other residues from the pretreatment of industrial wastes;
- V. Consisting of medical wastes, except as specifically authorized by the Township in a wastewater discharge permit;
- W. Causing, alone or in conjunction with other sources, the Treatment Plant's effluent to fail a toxicity test;
- X. Consisting of detergents, surface-active agents or other substances which may cause excessive foaming in the POTW; or
- Y. Consisting of fats, oil or greases of animal or vegetable origin in concentrations which exceed 87 mg/l or otherwise cause Interference or Pass Through.
- Z. Containing total solids of such character and quantity that unusual attention or expense is required to handle such materials at the Treatment Plant, except as may be approved in writing by BCRA and supported by the BCRA's engineers.
- AA. Containing trucked or hauled pollutants.
- BB Consisting of noxious or malodorous liquids, gases, solids, or other wastewater which, either singly or by interaction with other wastes, are sufficient to create a public nuisance or a hazard to life, or to prevent entry into the sewers for maintenance or repair.
- CC. Containing cesspool, septic tank, porta-potty, holding tank discharges, or other septage, unless approved or consented to by the Township.
- DD. Containing sewage, water, or waste of such character and quantity that unusual attention or expense is required to handle such materials at the Treatment Plant, except as may be approved in writing by BCRA and supported by BCRA's engineers.

- EE. Containing sewage, water, or waste containing substances in demonstrated sufficient quantities, which when admixed in the total Treatment Plant influent wastewaters, will interfere with the biochemical processes of the Treatment Plant or the ultimate disposal of sludge or that will pass through the Treatment Plant and cause the effluent to exceed any Legal Requirements. No specific limits have been set herein. Actual Treatment Plant performance will be the basis for setting such limits.
 - FF. Containing Total Dissolved Solids (TDS) which cannot be removed by the treatment process, which consequently passes on to the Treatment Plant's effluent, thereby violating the Treatment Plant's NPDES permit except as may be approved in writing by the Township and BCRA.
- 3.3 Under no circumstances shall any Person discharge or cause to be discharged into the Sewer System any of the substances listed above, without first securing written permission to do so from the designated representative of the Township.
 - 3.4 Upon the promulgation of the Federal Categorical Pretreatment Standards for a particular industrial subcategory, the Federal Standard, if more stringent than limitations imposed under this Resolution for sources in that subcategory, shall immediately supersede the limitations imposed under this Resolution. The Township shall notify all affected Users of the applicable reporting requirements under 40 CFR, Section 403.12.
 - 3.5 No User shall ever increase the use of process wastewater or, in any way, attempt to dilute a discharge as a partial or complete substitute for adequate treatment to achieve compliance with the limitations contained in the Federal Categorical Pretreatment Standards, or in any other pollutant-specific limitation developed by the Township or the Commonwealth.
 - 3.6 Whenever a Person is authorized by the Township and the appropriate governmental agencies to discharge any Domestic Sanitary Sewage or Industrial Waste containing any of the substances or possessing any of the characteristics described above, such discharge shall be subject to the continuing approval, inspection, and review of the Township. If, in the opinion of the Township, such discharges are causing or will cause damage to the sewage system infrastructure or will cause the Township to be in violation of any agreement or order, the Township shall order the Person causing such discharge to cease doing so forthwith, or to take other appropriate action, including exercising the remedies provided in the Connection Ordinance, or delegating to another party duties to take appropriate action, to eliminate the harmful discharge.

- 3.7 Whenever the Township determines that a User is contributing to the Sewer System a Prohibited Discharge, the Owner shall be so notified and shall be required to take such corrective actions as are necessary to correct and alleviate such discharge.
- 3.8 Nothing contained herein shall be construed as prohibiting any special agreement or arrangement between the Township and the Owner of an Improved Property or other Person allowing Industrial Wastes of unusual strength or character to be admitted into the Sewer System.
- 3.9 Where necessary or appropriate, in the opinion of the Township or BCRA, the Owner of an Improved Property shall provide, at the sole expense of the Owner, suitable pretreatment facilities acceptable to the Township and BCRA.
- 3.10 Plans, specifications, and any other pertinent information relating to proposed facilities for preliminary treatment and handling of Industrial Wastes shall be submitted for approval of the Township and BCRA. No construction of any such facility shall commence until approval has been obtained, in writing, from the Township and BCRA, and until approval has been obtained from any and all regulatory bodies having jurisdiction.
- 3.11 Such facilities for preliminary treatment and handling of Industrial Wastes shall be continuously maintained, at the sole expense of the Owner, in good operating condition satisfactory to the Township and BCRA. The Township and BCRA shall have access to such facilities at reasonable times for purposes of inspection and sampling.

SECTION 4 - INDUSTRIAL WASTES AND LARGE SYSTEM USERS

- 4.1 No person shall discharge or cause to be discharged into the Sewer System any Industrial Wastes or wastes not generated from Domestic Sources without prior application for and receipt of a written permit from the Township and/or BCRA.
- 4.2 Any Person desiring to make or use a connection through which wastes not from a Domestic Source shall be discharged into the Sewer System shall file with the Township/BCRA a completed "Industrial Wastes Questionnaire", furnished by the Township/BCRA, which shall supply pertinent data, including estimated quantity of flow, characteristics and constituents of the proposed discharge. The cost of obtaining all such data shall be borne by the Person desiring to make or use the connection to the Sewer System.
- 4.3 Ten (10) days prior to the first day of January, April, July and October of each year, each Large System User shall provide a written report consisting of total anticipated flows in the following quarter, any changes in operations in the service connection, reports of any spills or exceedances, any testing requested by the Township or any

other event or potential service change which could affect the system operations or exceed hydraulic or organic loading allocation.

- 4.4. When required by the Township, the Owner of any Improved Property serviced by a Building Sewer carrying Industrial Wastes or Large System User shall install, at his expense, a suitable control manhole, together with such necessary meters and other appurtenances in the Building Sewer, to facilitate observation, sampling, and measurement of the waste flow.
- 4.5. All measurements, tests, and analyses of the characteristics of waters and wastewaters to which reference is made herein shall be performed in accordance with test method(s) approved by the U.S. Environmental Protection Agency ("EPA") under 40 C.F.R. Part 136. If 40 C.F.R. Part 136 does not contain sampling or analytical techniques for the pollutant in question, or where EPA determines that Part 136 sampling and analytical techniques are inappropriate for the pollutant in question, sampling and analysis shall be performed by using validated analytical methods or any other applicable sampling and analytical procedures, including procedures suggested by the Authority. Samples shall be collected at the control manhole, or in the event that no special manhole has been required, the control manhole shall be considered to be the nearest downstream manhole in the Sewer System to the point at which the Building Sewer is connected, or at another location determined by the Township to be most representative of the discharge under evaluation. (The particular analyses involved will determine whether a twenty-four (24) hour composite of all outfalls of an Improved Property is appropriate or whether a grab sample or samples must be taken.)
- 4.6. The Township may, at its sole discretion, require that metering data or real time testing data, be integrated into the Township SCADA System. Such work shall be performed by the Township's Control Consultant with costs of the installation and integration being paid by the User.
- 4.7. Any Industrial Establishment discharging Domestic Sanitary Sewage and/or Industrial Wastes into the Sewer System and contemplating a change in the method of operation which will alter the characteristics and/or volume of such wastes being discharged shall notify the Township and BCRA, in writing, at least thirty (30) days prior to institution of such change.

SECTION 5 - INTERCEPTORS, GARBAGE GRINDERS, PRETREATMENT AND/OR EQUALIZATION

- 5.1 Industrial Establishments discharging Industrial Wastes shall be subject to the Rules and Regulations adopted by BCRA and attached hereto as Exhibit A. Township appoints BCRA to as its agent on its behalf with respect to the regulation of Industrial

Establishments. The Township also retains the right to provide such administration and enforcement as it deems necessary for the protection of the Township's System.

- 5.2 Grease, Oil, and Sand Interceptors shall be provided by the Owner of any Industrial, Commercial, Educational or Institutional Establishment, at his or its sole cost and expense, when required by the Township and/or BCRA, for the proper handling of liquid wastes containing excessive grease, inflammable wastes, sand, or other harmful substances. All interceptors shall be of a type and capacity approved by the Township and/or BCRA and be constructed or installed at a satisfactory location in accordance with plans approved by the Township and/or BCRA prior to installation or commencement of construction.
- 5.3 The use of mechanical garbage grinders in an Industrial, Commercial, Educational or Institutional Establishment shall not be permitted without prior written approval from the Township.
- 5.4 The Township may require Industrial, Commercial, Educational or Institutional Establishments having large variations in rates of waste discharge by way of flow rate on a daily, instantaneous or weekly or by strength of waste to install suitable regulating devices for pretreating and/or equalizing waste flows to the Sewer System when in the sole opinion of the Township Engineer that such discharges have potential to cause damage or operational concerns to the Pocono system or the BCRA WWTP.

SECTION 6 - GRINDER PUMPS

- 6.1 The Owner of any Improved Property, upon direction of the Township, shall install (unless otherwise agreed to by the Township), operate and maintain at such Owner's cost and expense, a grinder pump or similar apparatus satisfactory to the Township in the manner and at the location directed by the Township. Such grinder pump shall be installed at the time such Improved Property is connected to the Sewer System and shall be subject to inspection and approval together with the remainder of the Building Sewer.
- 6.2 All grinder pumps shall be owned and operated by the User.
- 6.3 All grinder pumps connected to a common low pressure sewer force main owned and operated by the Township shall utilize semi positive displacement type pumps with a flow rate per pump between 9 and 16 gpm regardless of operating pressures.

SECTION 7- VIOLATIONS

- 7.1 For any Violation or Significant Violation the Township may pursue any or all of the following enforcement rights and remedies as the Township, in its sole discretion, may elect:
- A. The Township shall have all Enforcement rights and remedies as set forth in the Connection Ordinance, all of which rights and remedies are incorporated herein by reference; and/or,
 - B. If a User is the source or cause, in whole or in part, of a Significant Violation and the Township either incurs, or is put on notice that it must pay, Violation Costs and/or a surcharge imposed by BCRA in relation to such Significant violation, the Township shall provide notice thereof to the User, and shall have the right to impose, demand and collect payment of/reimbursement for all such Violation Costs and surcharges imposed by BCRA upon the Township with respect to each such Significant Violation, which shall be due and payable by the User to the Township upon demand; in addition the Township may require that the User (i) indemnify and hold harmless the Township from, and pay, any and all resulting uninsured liabilities associated with such Violation Costs, (ii) pay any subrogation claims of the Township and/or (iii) pay any costs relating to obtaining any new permits and/or any increases in the insurance premiums payable by the Township resulting from such Violation or Significant Violation; and/or,
 - C. The User shall pay to the Township upon demand any surcharge(s) imposed upon the User by the Township pursuant to this Resolution.
- 7.2. In addition to the foregoing, the User shall take immediate action, with the approval of the Township, to alleviate the cause(s) of the Violation or Significant Violation, at the sole cost and expense of the User. The Township reserves all legal rights and remedies, including without limitation, the right to injunctive relief to enforce the obligation of the User to take such corrective action.

SECTION 8 - MISCELLANEOUS

- 8.1 The Township, BCRA, and their respective agents shall have the right of access, at all reasonable times, to any part of any Improved Property as necessary for purposes of inspection, observation, measurement, sampling, and testing and for performance of other functions relating to service rendered by the Township and/or BCRA. Where the Owner/User has security measures in force which would require proper identification and clearance before entry onto their premises, the Owner/User shall make the necessary arrangements with their security guards/personnel so that upon presentation of suitable identification, personnel from the Township and BCRA will be permitted to enter onto the Owner's/User's premises, without delay, for the purposes of performing their specific responsibilities.

- 8.2 The Owner of any Improved Property shall be liable for all acts of tenants or other occupants of such Improved Property, as may be permitted by law, insofar as such acts shall be governed by the provisions of this Resolution.
- 8.3 The Township may, from time to time, modify these rules and regulations as it shall deem necessary and proper in connection with the use and operation of the Sewer System (as well as BCRA in the case of the Treatment Plant), which rules and regulations shall be, shall become and shall be construed as part of this Resolution. The Township hereby adopts BCRA's Rules and Regulations (appended hereto as Exhibit A) by reference. Should any of the provisions of the rules and regulations expressly set forth in this Resolution conflict with or be inconsistent with, BCRA's Rules and Regulations, then BCRA's Rules and Regulations shall supersede and control those of the Township, except to the extent such rules and regulations of the Township are more stringent than the conflicting BCRA's Rules and Regulations.
- 8.4 Should any provision hereof be finally determined by a court of competent jurisdiction to be illegal or invalid, no other provision of this Resolution shall be affected, and this Resolution shall be construed and enforced as if such illegal or invalid provision had not been contained herein,
- 8.5 This Resolution shall be effective immediately.
- 8.6 Township shall have the right to assign any of its rights, or delegate any its duties, hereunder to a municipal authority or to another local government unit, in the Township's sole discretion.
- 8.7 This regulation shall supersede any previous regulation in the event of a conflict in standards or procedures.

RESOLUTION NO. 2025 - 38

**A RESOLUTION GRANTING CONDITIONAL APPROVAL
OF CRANBERRY CREEK APARTMENTS PRELIMINARY/FINAL LAND
DEVELOPMENT PLAN**

WHEREAS, the Applicant, Amire, LLC, submitted a plan application titled “Cranberry Creek Apartments Preliminary/Final Land Development Plans” (the “Plan”). The Applicant proposes to construct an apartment complex with 150 apartment units, and a 126-seat restaurant. The property is located in the C Commercial Zoning District and is known as Monroe County Tax ID No. 12.9.1.36; and

WHEREAS, the Township Engineer has reviewed the Plan and offered comments in his letters dated September 8, 2022, February 7, 2023, May 22, 2023, January 25, 2024 and October 13, 2025; and

WHEREAS, the Pocono Township Planning Commission recommended conditional plan approval at its meeting held on October 13, 2025; and

WHEREAS, the Pocono Township Board of Commissioners desires to take action on this Plan.

NOW THEREFORE BE IT HEREBY RESOLVED by the Board of Commissioners of Pocono Township, County of Monroe, and Commonwealth of Pennsylvania:

That the following requests for modification from the Subdivision and Land Development Ordinance are hereby granted:

1. SALDO Section 390-29.K – Community impact analysis. *Applicant shall not have to prepare a community impact analysis.*
2. SALDO Section 390-55.C(2)(a) – One planning island shall be provided for every 10 parking stalls. There shall be no more than 15 contiguous parking stalls in a row without a planting island. *Applicant shall not be required to install a landscaped island every 15 spaces.*
3. SALDO Section 390-55.F(3)(a) & 390-55.F(3)(c) – Property line and road right-of-way buffers shall be required for the following types of development... all non-residential development; and all multifamily development; and the Property line/ROW width requirements; Medium (15’ for all side and rear lot lines and 30’ for the parking buffer along ROW). *Applicant shall be allowed to install less than the required trees in the front ROW/parking buffer along S.R. 0611, and be permitted to use existing healthy woodlands as an equivalent to the required buffer tree plantings along the side and rear lot lines.*

4. SALDO Section 390-55.G – Materials specifications, maintenance and guarantee. *Applicant shall be permitted to have trees and shrubs planted in the riparian buffer which are smaller than the requirements of this section.*
5. SALDO Section 390-59.B – Parking space and aisle dimensions. *Applicant shall be allowed to reduce the width of the parking spaces from 10 feet to 9 feet.*

That the following request for modification of the Brodhead and McMichael Creeks Stormwater Management Ordinance are hereby granted:

1. SMO Section 365-8.L – “Roof drains should not be connected to streets, sanitary or storm sewers, or roadside ditches in order to promote overland flow and infiltration/percolation of stormwater.” *Applicant proposes to have all roof drains connect to the storm sewer.*
2. SMO Section 365-13.B. – “Design Criteria for Rainfall Data.” *Applicant is proposing to utilize the NOAA Atlas 14 rainfall data as part of the stormwater management analysis to be consistent with the NPDES Application calculations.*

That the following request for modification of the Grading, Erosion and Sedimentation Control Ordinance are hereby granted:

1. Section 220-8.C – “Edges of newly created slopes shall be a minimum of five feet from property lines, ultimate/future right-of-way lines of streets, and easements to permit the normal rounding of the edge without encroachment on the abutting property, right-of-way, or easement.” *Applicant proposes grading to be 0 feet from the site boundaries.*

That the “Cranberry Creek Apartments Preliminary/Final Land Development Plans” as shown on July 13, 2022, as revised, be hereby approved with the following conditions and provided the plan is revised as follows, subject to the review and approval of the Township Engineer and/or Township Solicitor:

1. The applicant shall comply with all of the conditions and requirements identified in the Township Engineer’s letters dated September 8, 2022, February 7, 2023, May 22, 2023, January 25, 2024 and October 13, 2025.
2. The applicant shall enter into an Improvements Agreement with the Township and provide appropriate security.
3. The applicant shall enter into a Maintenance Agreement with the Township and provide appropriate security.
4. The applicant shall enter into a Stormwater Management and Maintenance Agreement with the Township.
5. Prior to the recording of the Plan, the applicant shall pay all necessary fees associated with the Plan, including but not limited to a fee in lieu of dedicating open space in the amount of \$ _____, any outstanding plan account charges, and all

professional services fees.

6. The applicant shall obtain all required permits and approvals from other governmental and regulatory agencies prior to presenting the Plan for signatures.
7. The applicant shall provide the requisite number of plans which are signed and notarized by the owner and sealed by the engineer.
8. The applicant shall meet all conditions of the preliminary/final plan approval, and Plan shall be recorded within twelve (12) months of Conditional Plan approval, and agrees that if such conditions are not met, the Conditional Plan approval will be considered void.
9. The applicant shall accept these conditions in writing within five (5) days of receipt of the Board of Commissioners Resolution, otherwise the application is denied.

In Attendance: Leo DeVito-Township Solicitor; Jon Tresslar- Engineer; Patrick Briegel-Public Works Director; Jerrod Belvin-Township Manager; James Wagner, Chief of Police; Erica Tomas-Administrative Assistant, Paul Morgan, SFM Consulting, Jennifer Gambino, Public Works Asst. Mgr.

Announcements

Public Comment – Non-Agenda Items:

Limited to 3 minutes per person, please state your name and if you are a Pocono Township Resident.

Atty. Chris Brown- Council for 611 Land Development – Updated the board of Hamilton Township's stance regarding the hotel project that encompasses both Pocono and Hamilton and their demand for the tax revenue. They want an agreement in writing, or it goes to court.

Michelle Bisbing – Pocono Mountains Economic Development – introduced herself and the organization along with their offerings of service.

Cheryl Parks – Resident – updated everyone regarding the Kennel near her including dogs being boarded and noise complaints. She expressed her frustration with her neighbor and believes he is trying to intimidate her. E. Gndt wants zoning to look further into the laws regarding the kennel.

Rebecca Gallagher – Executive Director of the Pocono's Association of Vacation Rental Owners. – introduced herself and looks forward to working together in the community.

Jim Pellegrini – Resident – Spoke regarding social media. Asked that all commissioners rise above when addressing or commenting in response to social media.

Josie Keppler – Resident – expressed her concerns regarding intimidation and abuse of power by a commissioner who has served her family with legal action for speaking out.

Dawn Eilber – Resident – Reminded the board not to forget residents on Zoom that would like to speak and were inadvertently missed at the last meeting.

Presentations

Frank Cefali, Treasurer Pocono Township – Treasurer Report – walked the board through the report and how it was set up. General Fund collected 72.23% of the annual budget. Expenses are at 46% of total annual expenses. E. Gndt asked what the time line will be going forward.

Eckert Seamans & Pocono Mountains Economic Development Corp – Camelback TIF Bonds Refunding – E. Gndt asked what the restrictions are and what is being terminated. In-depth discussion took place between the presenter and the board. Leo DeVito gave clarification to the subject matter.

- R. Wielebinski made a motion, seconded by B. Winot, to approve the Termination of Declaration of Restrictive Covenants MCIDA Camelback TIF ***All in favor. Motion carried.***

PFM & Eckert Seamans– Financing for Police Wing

PFM is proposing to finance the police wing project with a \$9.5 million bond, including \$3.5 million for project completion, \$5.25 million to pay off interim financing, and \$150,000 for reimbursement. The 30-

year bond will have an estimated interest rate of 4.75% and annual payments around \$620,000. Discussion took place between the board and PFM.

- R. Wielebinski made a motion, seconded by M. Velardi, to proceed with authorization for financing and to have PFM/ Township Solicitor to draft debt ordinance amendment & advertise for BOC meeting 10-20-2025. Discussion took place with the public. All in favor. Motion carried.

PFM & Eckert Seamans & Mike Gable T&M Engineering – Penn Vest Sewer Loan

The township plans to extend sewer services to three areas: Bartonsville Ave., Stadden Road, and Sullivan Trail, addressing failing septic systems and improving water quality. The total project cost is estimated at \$11.2 million, with potential funding from tapping fees, grants, and a Penn Vest loan, with no anticipated increase in user rates. Discussion took place. PFM suggests using the sewer funds \$7.9 million cash reserves strategically, potentially borrowing from Penn Vest at low interest rates or creating a rate stabilization fund. The goal is to maintain low user rates while preserving financial flexibility for future needs. Discussion took place.

- R. Wielebinski made a motion, seconded by M. Velardi, to execute the letter of engagement for the Penn Vest Sewer Loan. Discussion took place. All in favor. Motion carried.

Hearings – Knox Box Amendment:

R. Wielebinski made a motion, seconded by M. Velardi, to open the hearing. All in favor. Motion carried.

R. Wielebinski made a motion, seconded by M. Velardi, to Close the hearing. All in favor. Motion carried.

R. Wielebinski made a motion, seconded by M. Velardi, to approve Ordinance 2025- 21 amending the Pocono Township Code of Ordinances, Part II General Legislation; Chapter 170 Emergency Access to Buildings; § 170-1 Definitions, § 170-4 requirements for existing Commercial and/or Industrial Buildings. Discussion took place. Roll Call Vote: E. Gnanadt, nay; M. Velardi, aye; B. Winot, aye; R. Wielebinski, aye. (Passed 3-1) Motion carried.

Resolutions

- Motion to approve Resolution 2025-34 denying preliminary plan approval of the Swiftwater Pond LLC preliminary land development plan. ***The plan was withdrawn and therefore no resolution was needed.***

**AN ORDINANCE OF THE BOARD OF COMMISSIONERS OF THE TOWNSHIP OF
POCONO, MONROE COUNTY, PENNSYLVANIA AMENDING ORDINANCE NO. 110
THE POCONO TOWNSHIP ZONING ORDINANCE, CHAPTER 470**

**"ZONING", OF THE TOWNSHIP OF POCONO'S CODE OF ORDINANCES,
AS AMENDED, BY ADDING THE POCONO TOWNSHIP HISTORIC OVERLAY
ZONING DISTRICT AND CORRESPONDING POCONO TOWNSHIP HISTORIC
OVERLAY DISTRICT ZONING REGULATIONS AND REPEALING ALL ORDINANCES
INCONSISTENT HERewith**

WHEREAS, Pocono Township's Code of Ordinances; Chapter 470 *Zoning* (the "Ordinance"), § 470-125 *Amendments* provides "The provisions of this chapter and boundaries of zoning districts as set forth on the Official Zoning Map may from time to time be amended or changed by the governing body of the municipality."; and

WHEREAS, Ordinance § 470-11 *Amendments* provides "If, in accordance with the provisions of this chapter and the Pennsylvania Municipalities Planning Code, as amended, changes are made in district boundaries or other matters portrayed on the Official Zoning Map, such changes shall be entered on the Official Zoning Map promptly after the amendment has been approved by the Township Commissioners."

WHEREAS, the governing body, the Board of Commissioners of the Township of Pocono, Monroe County Pennsylvania (the "BOC") seeks to enact amendments to the Ordinance by adding the Pocono Township Historic Overlay Zoning District to its Zoning Map and Zoning Districts with corresponding district regulations; and

WHEREAS, the BOC finds that the proposed amendments will promote, protect and facilitate the public health, safety and welfare; and

WHEREAS, pursuant to § 609 of the Pennsylvania Municipalities Planning Code , 53 P.S. § 10609, the Township of Pocono Monroe, County, Pennsylvania (the "Township") is authorized and empowered to enact amendments to the Ordinance after public hearing thereon pursuant to public notice and posting of the subject properties by the Township; and

WHEREAS, the BOC has conducted a public hearing pursuant to the public notice concerning the following amendments to the Ordinance; and

WHEREAS, after public hearing pursuant to public notice, the BOC desires to ordain and enact the amendments to the Ordinance set forth hereinafter.

NOW THEREFORE, BE IT ORDAINED AND ENACTED by the Board of Commissioners of the Township of Pocono, Monroe County, Pennsylvania, as follows:

SECTION I. Chapter 470 *Zoning*; Article II *Terminology*; § 470-8 *Definitions* is amended by adding the following:

“Transient Dwelling Unit (TDU)

Any dwelling unit owned or managed by a person which is rented or leased for a period of less than 30 days.”

SECTION II. Chapter 470 *Zoning*; Article III *Zoning Map and Zoning Districts*; § 470-14 *List of Districts* is amended by adding the following:

“HOD Historic Overlay District”

SECTION III. Chapter 470 *Zoning*; Article III *Zoning Map and Zoning Districts* is hereby amended by amending the existing Zoning Map, as revised, by adding the Historic Overlay District designation to land located in the Township of Pocono, Monroe County, Pennsylvania as shown on the map attached hereto as **Exhibit “A”**, consisting of approximately One Hundred Thirty-Eight and Forty-Six Hundredths (138.46) acres, and identified as the respective properties which are attached hereto as **Exhibit “B”**.

SECTION IV. Chapter 470 *Zoning*; Article IV *Basic District Regulations*; is amended by adding the following:

“§ 470-22.2 Historic Overlay District

A. Intent

1. Pocono Manor is recognized for its historic significance, including designation by the Pennsylvania Historical & Museum Commission and listing on the National Register of Historic Places by the National Park Service.

2. The Township’s intent is to preserve the historic character, integrity and livability of Pocono Manor without creating additional design review bodies or architectural approvals.

B. Applicability; Use Regulation

1. The HOD applies to all lots, uses, and structures located wholly or partly within its boundary.

2. Where the HOD is silent, the regulations of the underlying zoning district(s) remain in full force. If a conflict arises, the more restrictive provision shall control.

3. Prohibited Use. Transient Dwelling Units (TDUs) are prohibited within the HOD as a principal use, accessory use, temporary use, special exception, and conditional use, regardless of the provisions of the underlying zoning district.

4. Nothing in this section shall affect hotels, inns, bed-and-breakfasts that are otherwise permitted by the underlying zoning district and separately defined by Township ordinances.

C. Existing Uses; Nonconformities

1. Any TDU use lawfully existing and operating within the HOD prior to the effective date of this ordinance shall be considered a legal nonconforming use and shall be governed by Article V's regulations on nonconformities.

2. Legal nonconforming TDU uses shall not be expanded, enlarged, or intensified; any discontinuance or abandonment as defined herein shall terminate such nonconforming status. Any renewal, transfer, or lapse of a separate TDU license shall be treated in accordance with the applicable township licensing provisions, if any."

SECTION V. REPEALER

Any existing ordinances or parts of ordinances in conflict with this Ordinance, to the extent of such conflict and no further, are hereby repealed.

SECTION VI. SEVERABILITY

If any part, section, subsection, paragraph, subparagraph, sentence, phrase, clause, term, or word in this Ordinance is declared invalid, such invalidity shall not affect the validity or enforceability of the remaining portions of the Ordinance.

SECTION VII. ENACTMENT

This Ordinance shall be effective within five (5) days and shall remain in force until modified, amended or rescinded by Pocono Township, Monroe County, Pennsylvania.

ENACTED AND ADOPTED by the Board of Commissioners this ____ day of _____, 2025.
