Pocono Autism Society

We are a totally volunteer based, 501(c)(3) non-profit organization, support group of families and professionals involved with Autism Spectrum Disorders (ASD) run by a Board of Directors.

We advocate for the interests of children and adults with autism, their family members, and the professionals who work with them. We discuss information on therapies, treatments, legislation, and conferences dealing with or affecting ASD. We also exchange information on locally available resources for families with ASD and provide mutual support.

Meetings

Our primary area is Monroe County in Northeastern Pennsylvania but others are always welcome to attend. Our meetings are scheduled for 9:30am, on the 4th Wednesday of the month, at the Hughes Library, Route 611, Stroudsburg, in the Pullen meeting room on the second floor. We meet during the months when school is in session, September through May. We have intermittent "breakfast meet-ups" at local establishments, where all are welcome to come and join in conversation and friendship.

Activities

We schedule various activities throughout the school year and during the summer months. The activities are announced on our Facebook Page and via email. They are also announced at our meetings. Our community activities include building projects at Lowe's and Home Depot, crafts at Michael's Craft Store, rock painting, craft activities for all ability levels, making Christmas cards and crafts for nursing homes, ice cream socials, bowling at Skylanes in East Stroudsburg, playing miniature golf in Snydersville, Planetarium Nights at ESU, visiting ESU's Schisler Museum, Imagination Zone in Brodheadsville, a nature walk, visiting an Alpaca Farm, and Pocono Kidz Zone.

All are welcome to participate in our activities. Most activities are free for children with ASD, as well as their siblings and parents.
