

Carlisle United Church Cemetery

Special Offer

Expert Monument Cleaning

Carlisle United Church Cemetery is offering access to expert services for cleaning, raising, repairing and restoring family monuments and flat markers at discounted prices.

Services will be provided by Alan Ernest, a Carlisle resident and one of the country's leading historic monument restoration specialists. A portion of the proceeds will be donated to the Cemetery.

Costs vary depending on size and material
e.g. Cleaning a typical mid-sized 2-stage granite upright monument = \$340 + HST

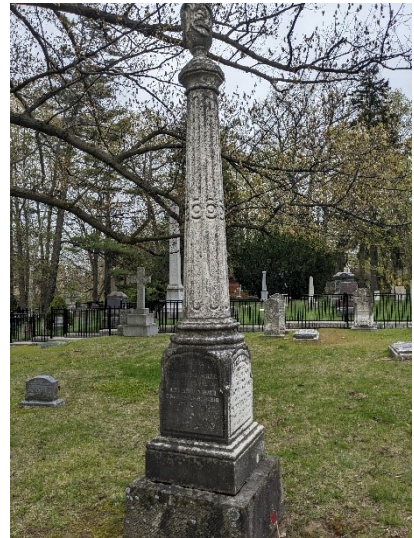

Raising and cleaning a 12x16" flat marker
= \$200 + HST

Discounts for additional work at the same time.

Work will be completed before October 2026.

This is a limited-time offer.
Order deadline is **July 20, 2026**.

For an estimate or more information,
contact Al Ernest at 905-689-9466
or a.e@cogeco.ca

*Before and after –
John Belyea monument, St.
Jude's Cemetery, Oakville*

Monument Services Available

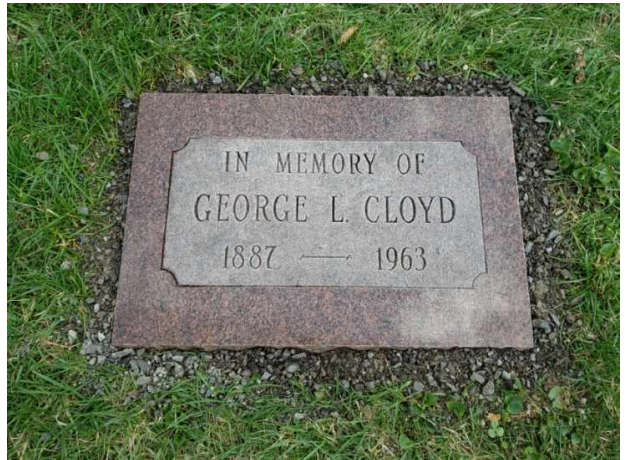

- Cleaning of all kinds of upright monuments (limestone, sandstone or granite). A multi-stage cleaning process will use products that are approved for use on historic monuments and will not harm plants or the stones themselves.
- Raising, cleaning and resetting sunken flat markers and footstones.
- Other repairs, including resetting loose dies, with pinning where required, levelling monuments, and specialized conservation treatments.

*Before and after –
Cloyd flat marker, Carlisle United
Church Cemetery, Carlisle*
