Rampant Swine #1 Cover A **Christopher Mitten**

Comic Script by SIMON SPURRIER;

Illustrated by

CHRISTOPHER MITTEN;

Colorist BRENNAN WAGNER;

Letterer

HASSAN OTSMANE-ELHAOU

This never happened, yet it's all true.

In a Britain forged in blood, mud, magic, and monsters, the legendary King Arthur is a brutal warlord surrounded by his knights who are every bit as savage, strange, and legendary as the world they inhabit. When the young knight Culhwch arrives at Arthur's fortress pleading for help in completing 39 impossible tasks assigned him by the giant Ysbaddaden to win the hand of his beautiful daughter Olwen, he and Arthur's warriors embark on an incredible quest of giant slaying, monstrous boar hunting, and magical treasure theft, as they battle their way through a dying age of myth.

But beneath the bloodshed and barbarism, something isn't right. Because every great legend has a story beneath the story—and King Arthur was never meant to be this kind of hero.

From Si Spurrier (*Minotaur*, *The Flash*) and Christopher Mitten (*Hellboy*, *The Autumn Kingdom*), comes a savage and subversive reimagining of an Arthurian legend—a brutal five-issue fantasy epic in the tradition of *Conan the Barbarian*, where the heroes are dangerous, the monsters are real, and the age of wonder is coming to an end.

Archie in Hell #1 Cover A Tyler Crook

Comic Script by PATRICK HORVATH;

In the bloodstained tradition of *AFTERLIFE WITH ARCHIE*, something wicked this way comes to Riverdale in an infernal new ongoing series from multiple Eisner Award winner Patrick Horvath (*Beneath the Trees Where Nobody Sees*) and Russ Manning Award winner Tyler Crook (*Harrow County*)!

They say that every small town has a secret. Well, in the case of Riverdale, it's one heck of a humdinger: An ancient order of cultists has infiltrated its townspeople, bent on using human sacrifice to usher a demon lord into our mortal plane. And they've finally identified the final target they need to bring a century's worth of planning to fruition: hometown football champion and all-around good guy Archie Andrews. But this secret cabal never dreamed that actual witches walk Riverdale's streets . . . and when cult and coven clash in the final stages of Archie's secret-ritual sacrifice, the consequences will be cosmic . . . and young Archie Andrews will find himself damned to something far worse than Hell's inner circle.

Unstuck from time and space. Bound to a terrible curse. Late for school. Things are about to go from bad to downright diabolical... and, truly, you'll never, ever expect what happens next.

A Self-Help Guide Against Self-Help

Written by LIV STRÖMQUIST;

Translated by MELISSA BOWERS

In this incisive, hilarious history of our obsession with self-help and wellness, graphic artist and activist Liv Strömquist tackles the commodification of advice and shame.

Using the teachings of an outrageous cast of characters—from historical figures like Catherine of Siena and the Oracle at Delphi to modern-day philosopher Slavoj Žižek, internet personality Rollo Tomassi, and even God himself, Strömquist satirizes what has become a billion-dollar self-help industry. She decries the capitalist corrosion of the human spirit and, at the same time, reminds readers of our relentless instinct to create meaning out of existential nothingness.

The Reddest Rose Unfolds

The Death of Love Under Late Capitalism

Written by LIV STRÖMQUIST;
Translated by MELISSA BOWERS

****New and revised edition****

In this long-form comic essay, Strömquist walks us through the evolution and perception of romantic love in her distinctly irreverent style. Strömquist takes on philosophers and pop-culture figures alike—from Socrates to Leonardo DiCaprio and Beyoncé—to break down why modern love feels so devoid of genuine feeling. She reveals how, under late-stage capitalism, our preoccupation with the individual self has warped the concept of love from something felt to just consumed. Strömquist wrestles with our dating culture's isolating obsession with endless choice and comparison, intensified by dating apps, social media, and internet culture writ large.
