New York Times bestselling writer and master of the macabre, **Mike Carey** (LUCIFER, X-MEN) makes his long-awaited return to comic books, combining his powers with groundbreaking fine art illustrator **Jonathan Wayshak** (SPAWN: VIOLATOR) to deliver a nightmarish new vision for the horror genre.

What lurking evil lies hidden at the end of the cul-de-sac?

Nestled in a tucked-away corner of sleepy suburbia, the Kingsley, Herriman and Ortega families seemed like any other close-knit neighbors. So nothing seems amiss when Mrs. Kingsley piles all the neighborhood kids into the family RV for their annual summer camp-out. But in the dark of the woods, she unleashes a grisly, bloodcurdling display, revealing their families' shocking secret—their parents are vampires and they're eager to pass on their legacy.

Now the children must choose—to join them and revel in their awesome dark powers or live out their lives as mortals. But when they return home, they confront a gruesome scene—their parents dead on the floor, brutally murdered by an elite squad of vampire hunters. And the hunters? They're looking to finish the job. Now the kids are on the run, chased by vampire hunters, the police, and even a shadowy cabal of their fellow vampires as they search for answers to unlock the secret of what they really are before their fates are sealed forever.

The seemingly straightforward tale of a man with the body of a superhero in the trunk of his car, driving from one nefarious organization to another and selling it piece by piece. An ordinary man at the end of his rope, this score is his last shot, one night to make good. He's bound and determined to carve out a place for himself in this world, even if he has to do it one bloody body part of Captain Fab at a time. His black market buyers all looking for a piece of the superpowered action, to own a piece of the paragon. To collect it. To touch it. Even taste it. Because eating even a tiny piece of The Fab? Grants you unbelievable powers. Ingest a drop of Captain Fab's blood? Develop a miraculous healing factor. Feast on an eyeball, snort some teeth dust, dine fabulously and take the ride... although the powers you get may not be what you expected.

"Shortly after his funeral, my dad started haunting me . . . and it's been a delight!" —Alex

Inspired by real-life experience, Alex Krokus's graphic novel is a heartfelt and humorous story of losing a parent and getting to know him better after his passing.

Set over the course of a single year, this book follows Alex and his father's ghost as they stroll along winter beaches, camp in rattlesnake-infested deserts, and share countless diner meals together. Between fielding fatherly lectures on the importance of doing his taxes, how to properly shovel the driveway, and why he should always tip twenty percent, Alex tries to figure out what he needs to say to his dad.

Is this a good time for him to come out as bisexual? Or maybe he should ask his dad why he loved drinking so much when it nearly destroyed his health? With help from his mom, his brother, a whole cast of extended family members, and, of course, the ghost himself, Alex tries to figure out how to say goodbye.

In the tradition of Roz Chast's Can't We Talk about Something More Pleasant? and Alison Bechdel's Fun Home, this graphic novel uses humor to examine family foibles and eccentricities as well as the experience of losing a parent.

Relatable and heartfelt, it speaks to the universal experience of grief and how it ripples through a community.

BÉLA LUGOSI: THE MAN BEHIND THE CAPE

Writers: **Robert Cremer**

Béla Lugosi's commanding presence, hypnotic voice, and mesmerizing gaze made him the embodiment of Count Dracula, a role that has established him as a cultural icon and a legend of the silver screen forever. But there's so much more to this captivating individual than meets the eye.

This definitive biography of the man behind that menacing cape takes you deep into the personal life of Béla Lugosi as no other biography can. Exclusive interviews by the author, Robert Cremer, with Lillian Lugosi Donlevy, his wife of 20 years, as well as with Béla's closest Hungarian relatives and friends, reveal new insights into Béla's humble beginnings in Transylvania, his political activism in Hungary — which cost him his wife, family and almost his life, his harrowing transatlantic crossing to the U.S. and his struggles here to realize his dream of becoming a success on stage and in film. The story doesn't stop there, and this book includes exclusive interviews with Edward D. Wood, Jr. unlock heretofore unknown background on Béla's involvement in the filming of the cult classics *Glen or Glenda*, *Bride of the Monster* and *Plan 9 from Outer Space* as only Ed Wood could provide.

At pennies an issue, it's the least expensive way to get new customers in the door, grow your sales and keep folks coming back every Wednesday. Stamp your store name in the paper and drop extras off around town to attract new customers. Use CSN instead of a bag to encourage more sales from existing customers. You can even charge customers for a copy and cover all your costs! Try the new CSN for a month and see the results. It's marketing for your store that works.

A MESSAGE FROM SCOTT SNYDER:

When Josh and I were coming up with K.O., we realized that there's a point in the story where this big tournament all the characters are taking part in would have an all-out brawl section. So the result of that is a whole month of slugfests fans have speculated about for decades. These are one-shot special issues that tie into the main story of DC K.O. and show the brutal face-offs between friends and foes alike. Some results will shock you, some may thrill you, but that's what this event is all about. Knock down, drag out, brutal *fun*.
