

LETTERED PREVIEW

THIS IS MY FIRST HUNT.
SO EXCITING!

THAT WAS HOG MITIGATION TASK KP345582.

AND FROM THE JUMP, SANBORN HAD A BAD FEELING.

CUT THE CHATTER.

LETTERED PREVIEW

LANCER TASKS ARE ONLY SUPPOSED TO BE AVAILABLE TO FORMER MILITARY.

BUT SOME OF THESE PEOPLE DIDN'T FEEL LIKE VETS, AND SANBORN STARTED WONDERING IF LANCER MAYBE RELAXED THEIR STANDARDS AGAIN.

MOST VETS HAD THEIR OWN RIFLES. AND LANCER PAID WEAR AND TEAR FOR BRINGING YOUR OWN GEAR. \$30 FOR A FIREARM, PLUS 75¢ PER ROUND UP TO THIRTY.

BUT MONICA'S LOOKED LIKE A RENTAL.

THEN THERE WAS DYLAN.

SANBORN COULD TELL HE SERVED, BUT NOT BECAUSE OF ANYTHING GOOD.

SASHA, HEAD UP TO THAT RISE TO RECONNOITER OUR POSITION.

PETE, YOU BETTER WATCH MY SIX...

HE WAS EVERY ASSHOLE PEACOCK C.O. SANBORN HAD WANTED TO SLUG.

RUSTLE RUSTLE RUSTLE

THEN HE SAW THE FIRST HOG AND HE KNEW THEY WERE IN TROUBLE.

...I DON'T WANT TO GET CHARGED BECAUSE YOU'RE GOLD-BRICKING--

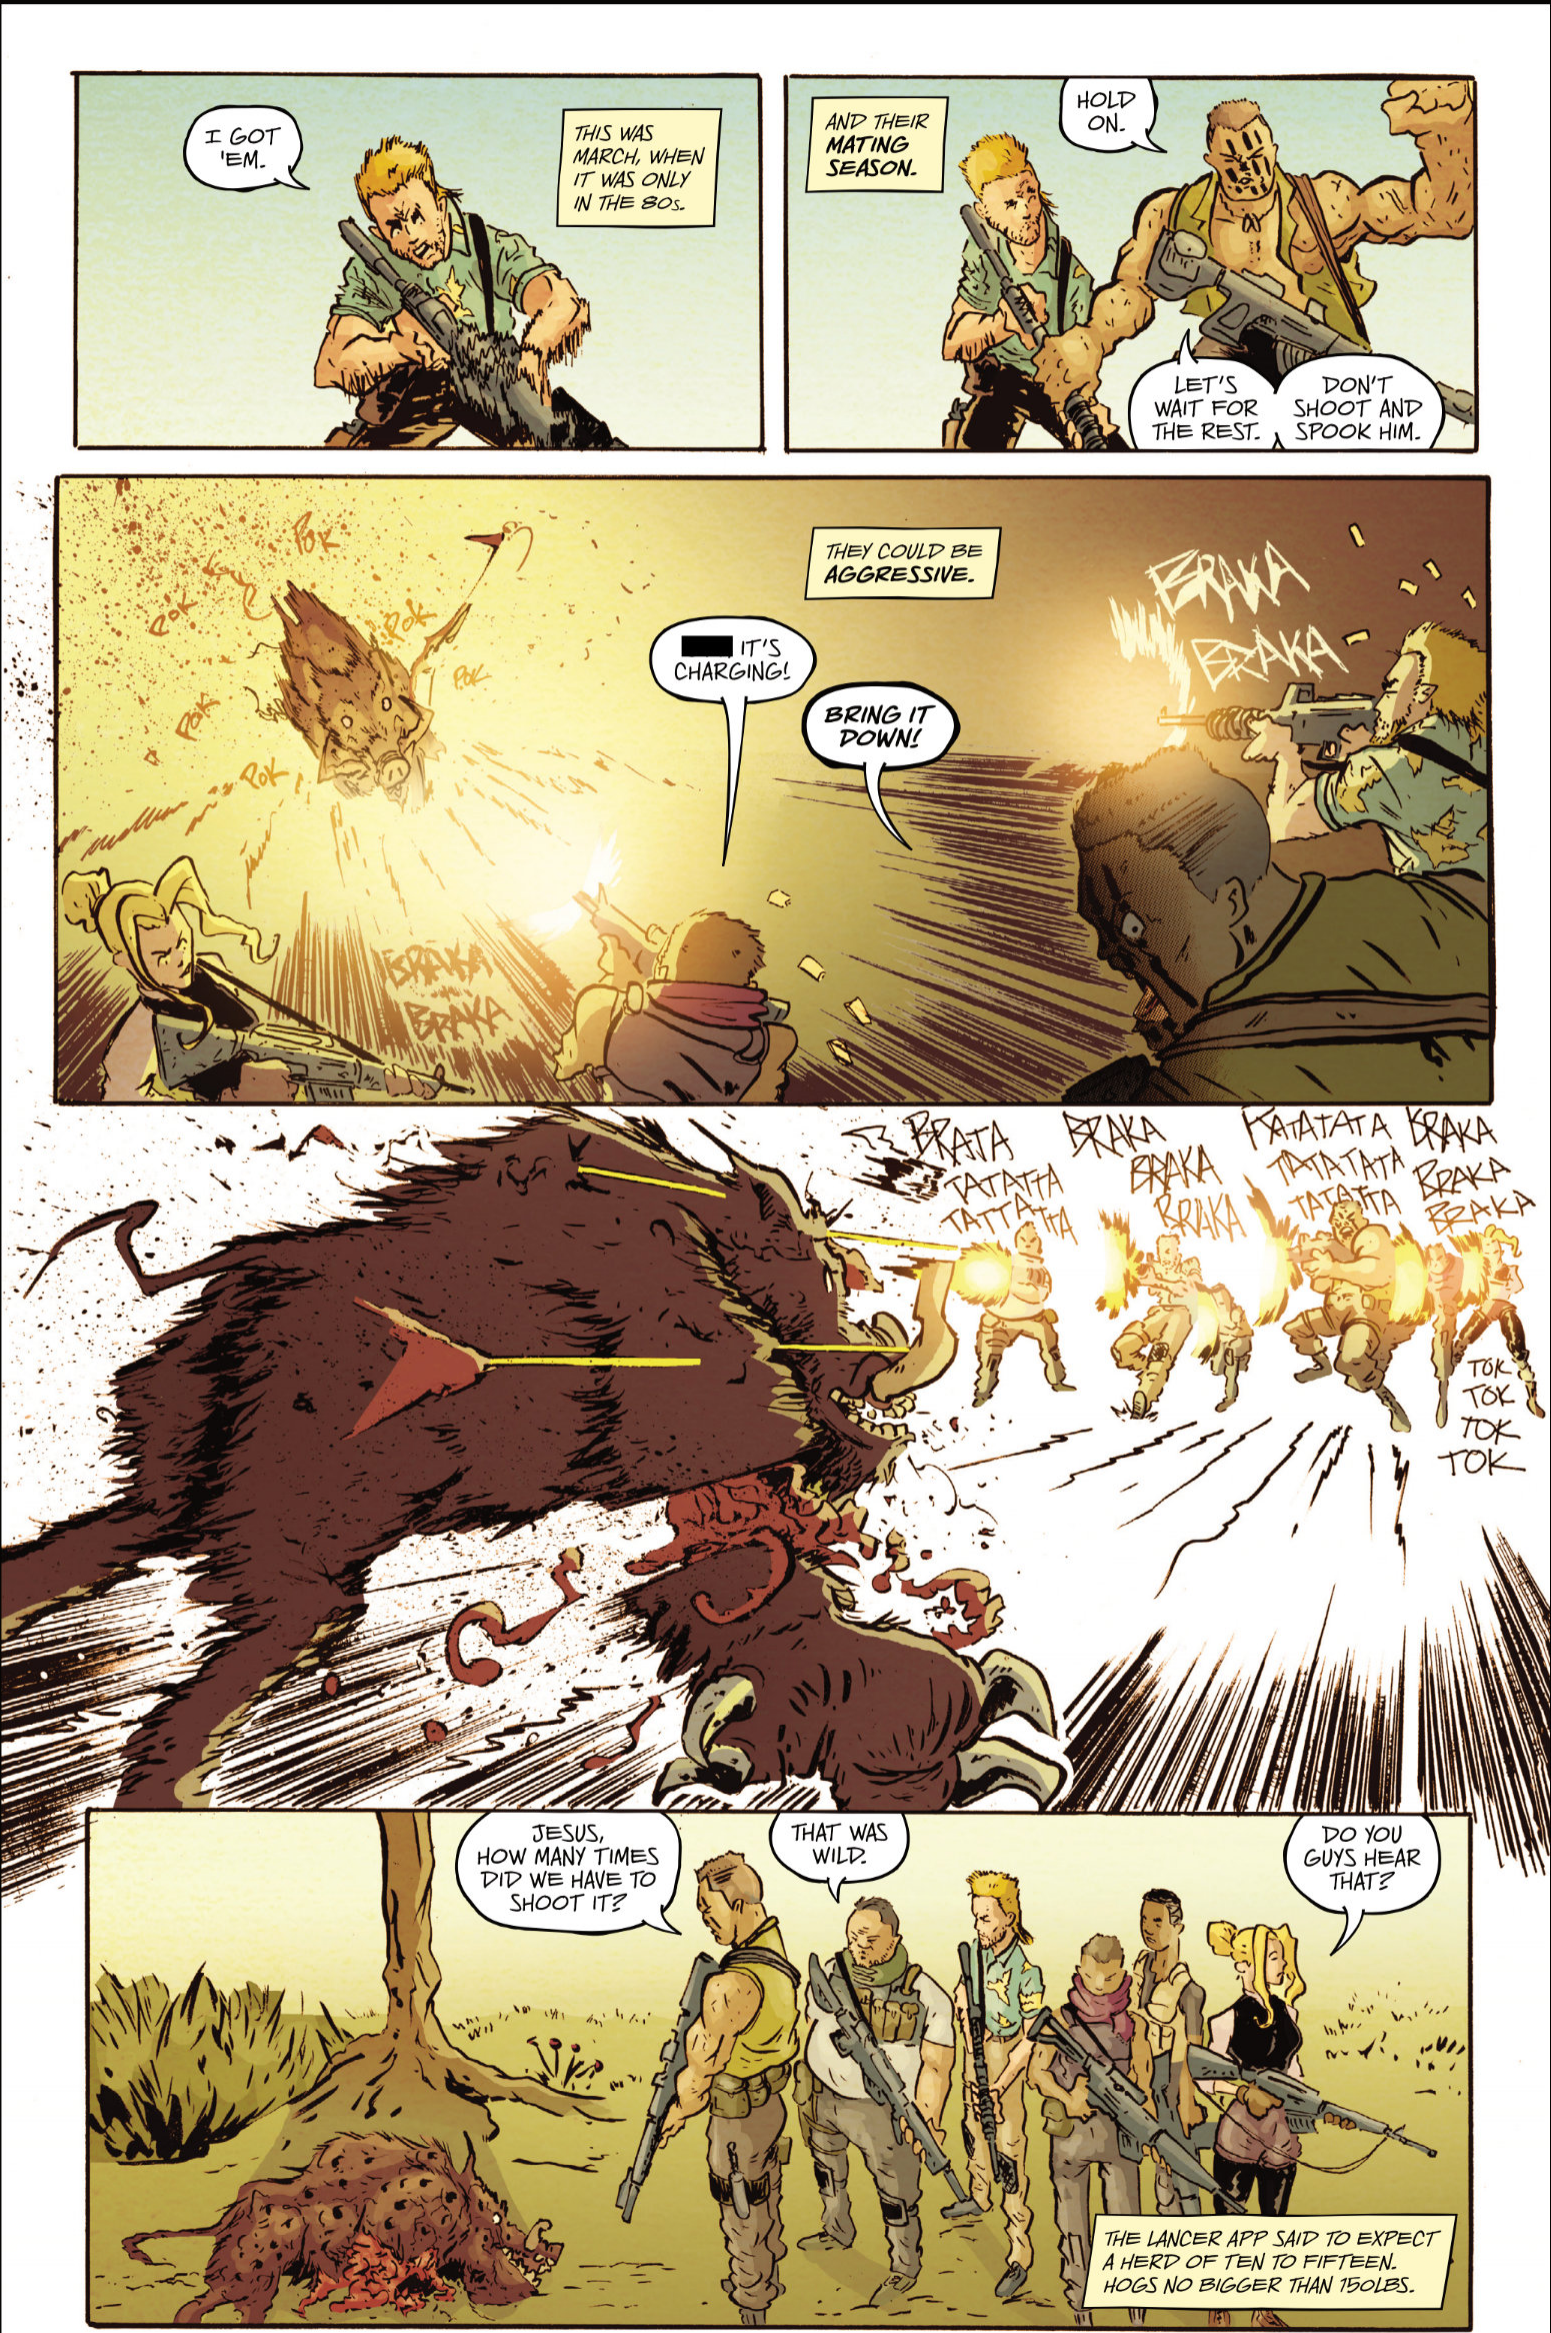

CONTACT!

LIKE EVERY VET SOUTH OF THE MASON DIXON LINE, SANBORN HAD WORKED HOG MITIGATION.

BUT THAT WAS IN AUGUST, WHEN IT WAS 130° AND THEY BARELY GOT OUT OF THEIR WALLOW.

LETTERED PREVIEW

LETTERED PREVIEW

BUT THE APP
HADN'T BEEN
UPDATED IN
A WHILE.

SANBORN SAW MONICA'S RIFLE JAM.

CHEAP LANCER
EQUIPMENT THAT
PROBABLY RAN
10,000 ROUNDS
AND NEVER HAD A
GOOD CLEANING.

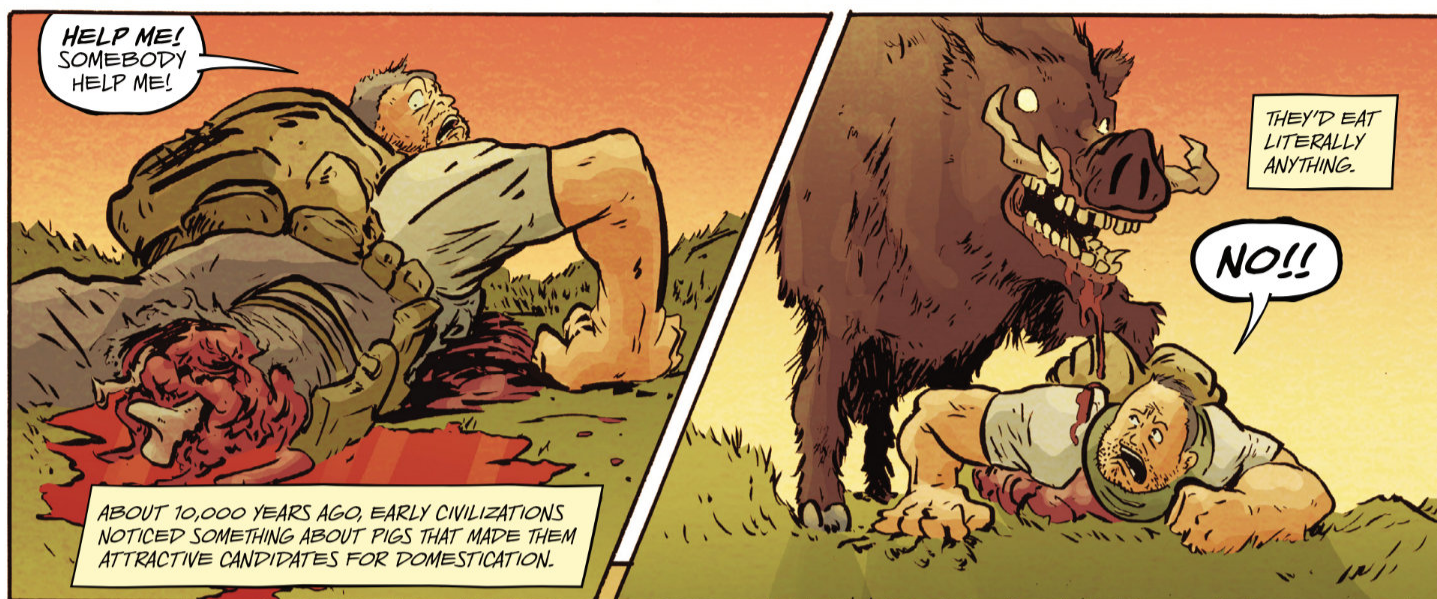

LATER, WHEN HE READ AN ARTICLE
ABOUT THIS, HE LEARNED SHE
ACTUALLY WAS A VET. SIGNAL CORPS.

HE DIDN'T READ
MUCH PAST THAT.

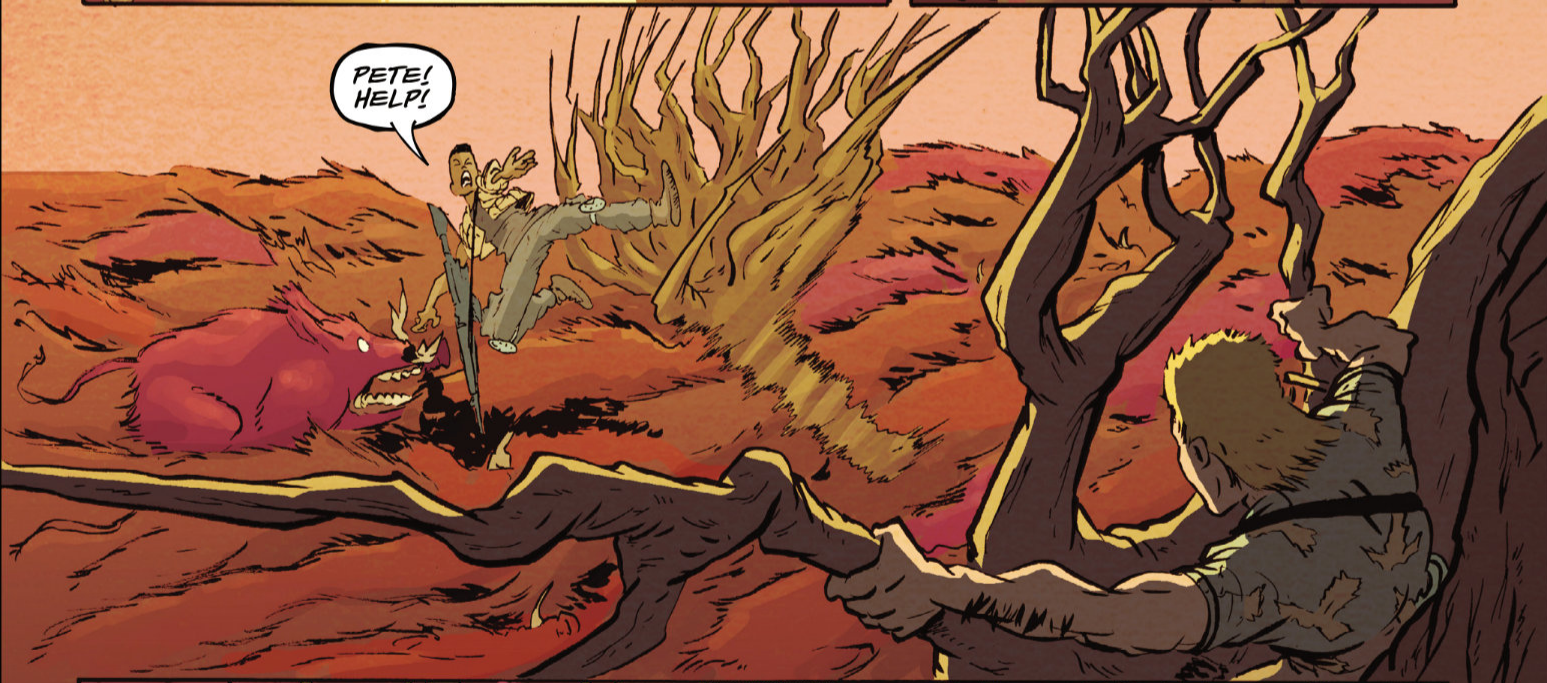

HE DIDN'T NEED
TO BE REMINDED.

LETTERED PREVIEW

LETTERED PREVIEW

LETTERED PREVIEW

SANBORN REPORTED THE DISASTER TO LANCER. THEY GAVE HIM A LIST OF NEARBY HOSPITALS. TREATMENTS WOULDN'T BE COVERED, OF COURSE.

THERE WERE NO OTHER CREWS IN THE AREA. AND THE RANCH WAS A FEMA NO-GO ZONE.

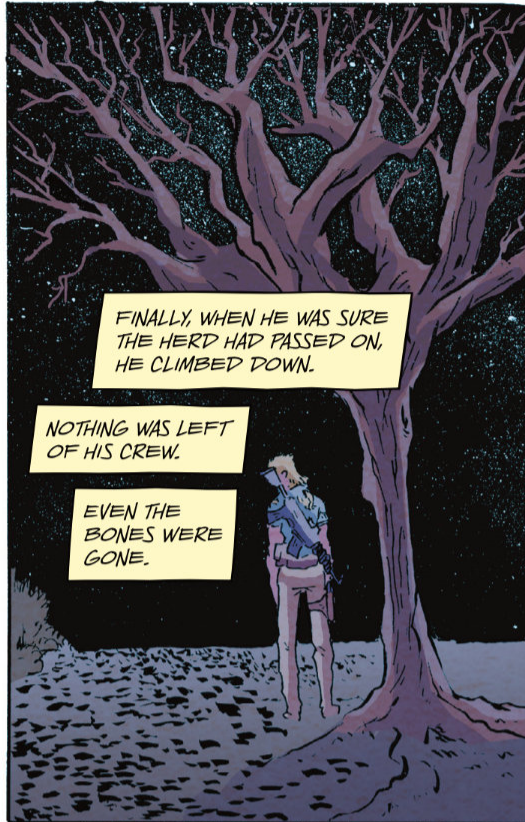

HE STAYED IN THE TREE FOR SIX HOURS.

FINALLY, WHEN HE WAS SURE THE HERD HAD PASSED ON, HE CLIMBED DOWN.

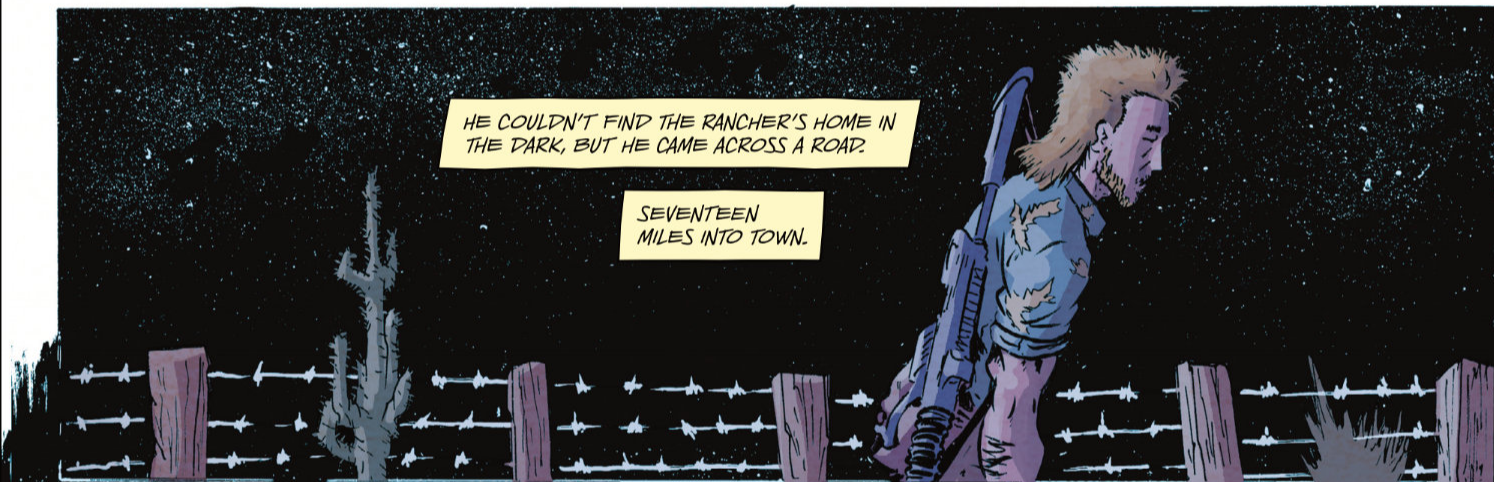

NOTHING WAS LEFT OF HIS CREW.

EVEN THE BONES WERE GONE.

HE COULDN'T FIND THE RANCHER'S HOME IN THE DARK, BUT HE CAME ACROSS A ROAD.

SEVENTEEN MILES INTO TOWN.

HIS PHONE DIED HOURS BACK SO HE COULDN'T ORDER A CAR.

HE DIDN'T HAVE ANY CREDITS LEFT ANYWAY.

IT WAS LANCER'S BLOODIEST DISASTER SO FAR.

SO FAR...

Blockbuster screenwriter **Derek Kolstad** – creator and writer of the internationally acclaimed, box office dominating motion picture franchise **JOHN WICK** – New York Times best-selling writer **Robert Venditti** (**SUPERMAN '78**), and Eisner Award-winning illustrator **Alex Maleev** (**DAREDEVIL**), tighten the screws in the penultimate issue of their white-knuckle, globe-spanning action/spy thriller ride.

After a daring high-speed rail heist, Cole Norton has escaped the clutches of the Russian FSB welcoming brigade and infiltrated the city of Vorkuta. Now, deep in the arctic circle, Cole's left hunting down the only lead his murdered friend Breck left behind: a single name stashed inside a bottle of bourbon – Valia Petrov – Breck's mysterious in-country CIA contact and former flame. Together, they may be the only ones who can pull off Breck's unfinished mission – seize one of Russia's devastating Spearhead jets for the United States and reduce the remaining fleet to ash.

But the treacherous Kovalev won't let Cole slip through his fingers again. This time he's brought back-up – a fully-armed squadron of Spetsnaz soldiers with orders to bring Cole down...no matter the cost.

In the 1980s, a killer stalks the streets of South Los Angeles. Task forces are assembled, detectives work overtime, but the bodies keep coming. This is the story of a community college professor who believes there's more to the story than a single madman. From writer Patrick Kindlon (Tigress Island, There's Nothing There, Nobody Is In Control, Gehenna) and artist Lorenzo Re (Firefly, The Terminator), Leaded Gasoline captures the mad energy of the most brash and risk-taking horror comics that are smart, dangerous, and intent on taking a sledgehammer to your mind. "Inspired by the killings in Los Angeles known as the 'Southside Slayer'... in this story, police are aided by a college professor, a single father trying to care for his son."

Emily the Strange: 30 Postcards

PREVIOUSLY OFFERED THRU OTHER DISTRIBUTORS

BY ROB REGER

Celebrate the 25th anniversary of the first Emily the Strange book with a new line of gift items! This deluxe book of 30 postcards features the best of Emily the Strange and her band of misfit kitties, zonsters, and ghoulz.

Featuring 30 iconic illustrations of our favorite goth girl, these postcards are perfect for sending to all your friends—and your enemies!

Emily doesn't change . . . she's always strange! From the early 2000s, Emily the Strange has empowered generations of young rebels, philosophers, and cat lovers to get lost, stay strange, and take pride in what makes them different. The razor-sharp-witted, moody, goth teen and her four sinister black kitties are an inspiration to the strange in all of us. Whether you're new to Emily or a longtime fan, embrace your inner odd child with this unparalleled collection showcasing her bold goth-girl aesthetic, philosophical musings, and fiery wit.

CHURCH GHOST

CHURCH GHOST is a small press operating out of Cleveland, Ohio, featuring an international cohort of artists and writers. With an eye towards the esoteric and unusual, Church Ghost aims to integrate literary complexity and graphic art sophistication in finely produced books and art prints.

Comix. Design. Prose. Glossolalia. Peacockery. Obscenity. Minimalism. Orphism. The sacred and the profane. We embrace these contradictions because we can. We do this because one book opens another.

THE ELECTRO-ETHERIC MINOTAUR

OCCULT RETRO-GAMING FICTION

By **Damian Murphy**
With Illustrations by **Le.BLUE**

Partial color | 204 pages | \$40.00

9x6in | Deluxe softcover | T+

In-store date: 10/21/26

FOC date: 8/31/26

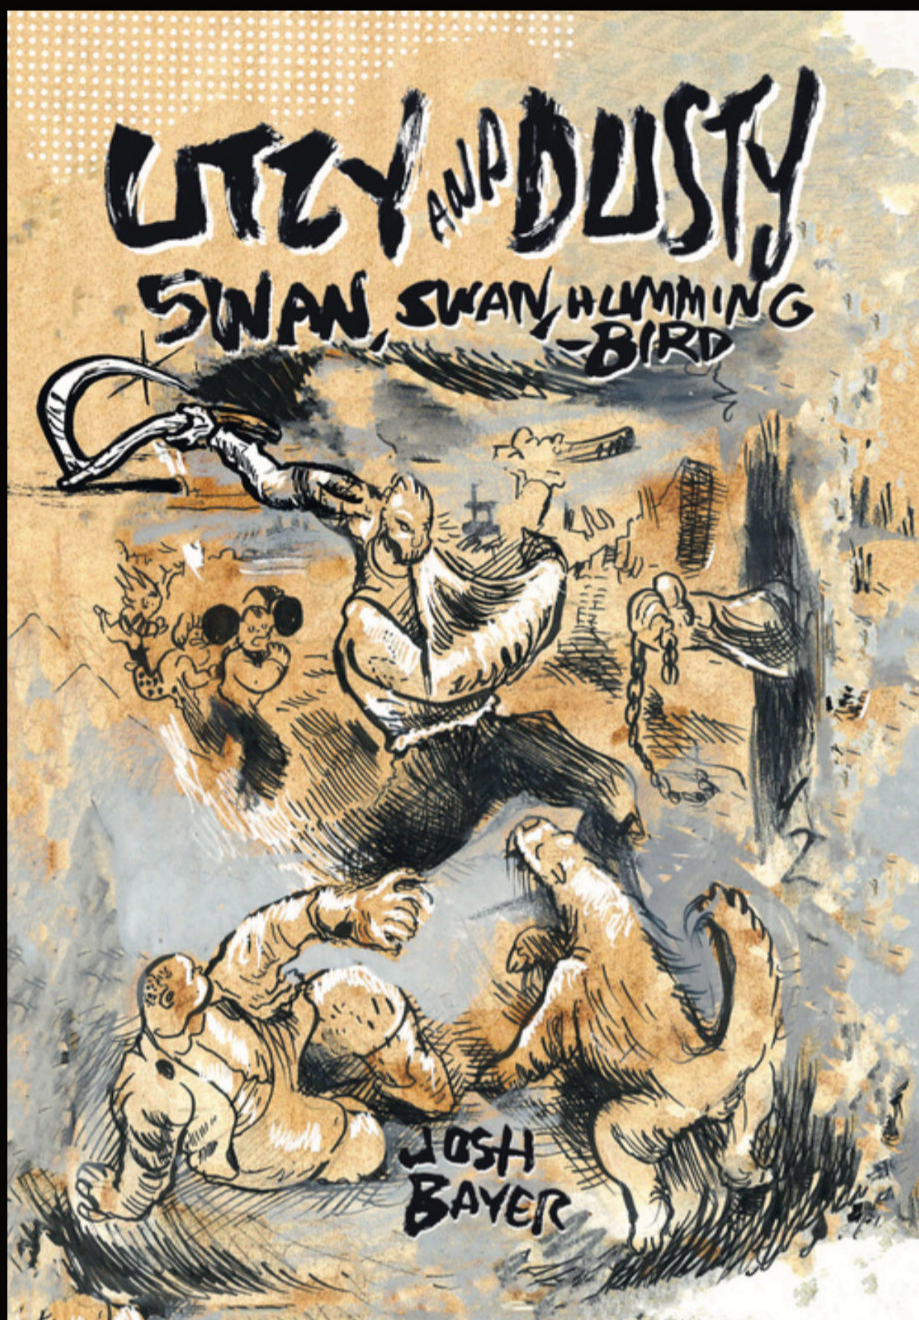

ISBN: 979-8-9994523-2-0

The six stories and novellas in *The Electro-Etheric Minotaur* collect all of Damian Murphy's "occult retro-gaming fiction"—including two previously unpublished tales—along with newly commissioned illustrations by Le.BLUE. Combining the aesthetic motifs and arcane mechanics of vintage electronic gaming with the gnostic exaltation of ancient and modern occultism, this is fiction as *Metroidvania*: nonlinear exploration in the search for keys and secrets.

Murphy's rich prose is like a cheat code from a half-remembered dream (or nightmare)... where sadomasochistic rites combine with vector angels and spectral wolf-sprites in mazes with flickering walls...

Although the juxtaposition of occult ritual and modern electronic gaming may at first seem incongruous, anyone who has ever pursued either activity seriously will have had intimations of the other. Notions of secret areas and strategies, exploitable glitches and hidden codes, always formed part of the gaming experience, and all of them have their correspondences in occult practice. And the parallels between the astral double and the avatar of a video game character are obvious, but had yet to be explored seriously in fiction until now.

—Justin Isis, from his introduction

UTZY AND DUSTY:

SWAN, SWAN, HUMMINGBIRD

A NEW GRAPHIC NOVEL

By Josh Bayer

BW | 280 pages | \$40.00

5.83x8.27in | Deluxe softcover

Mature readers

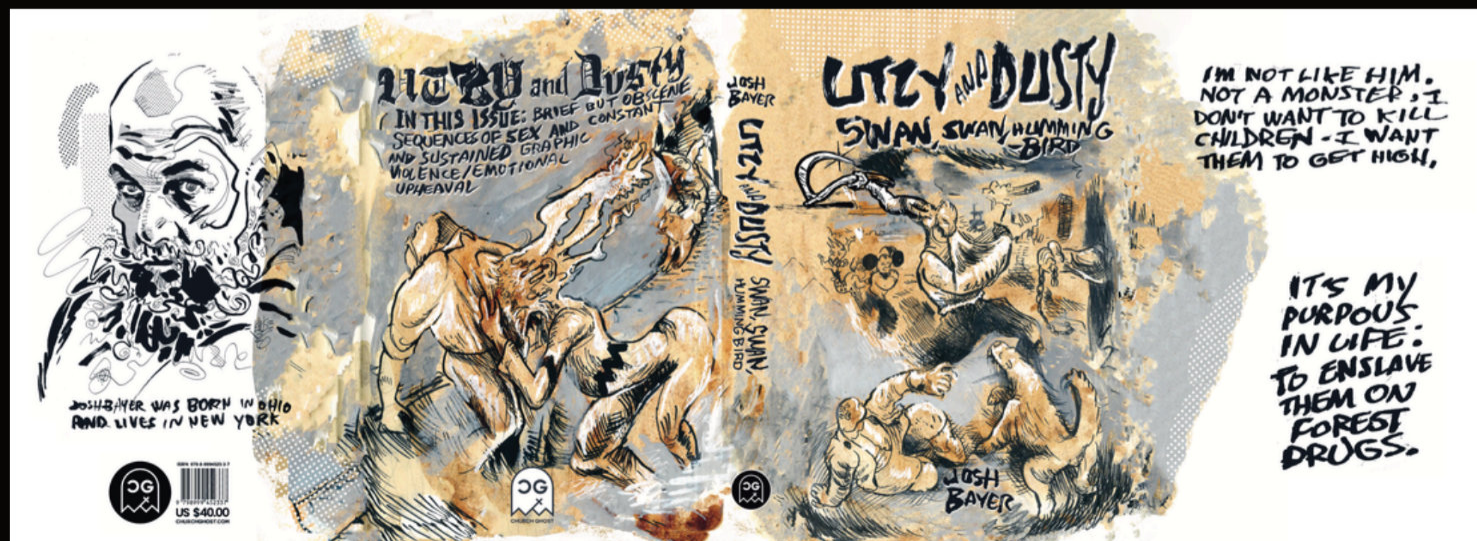

In-store date: 10/21/26

FOC date: 8/31/26

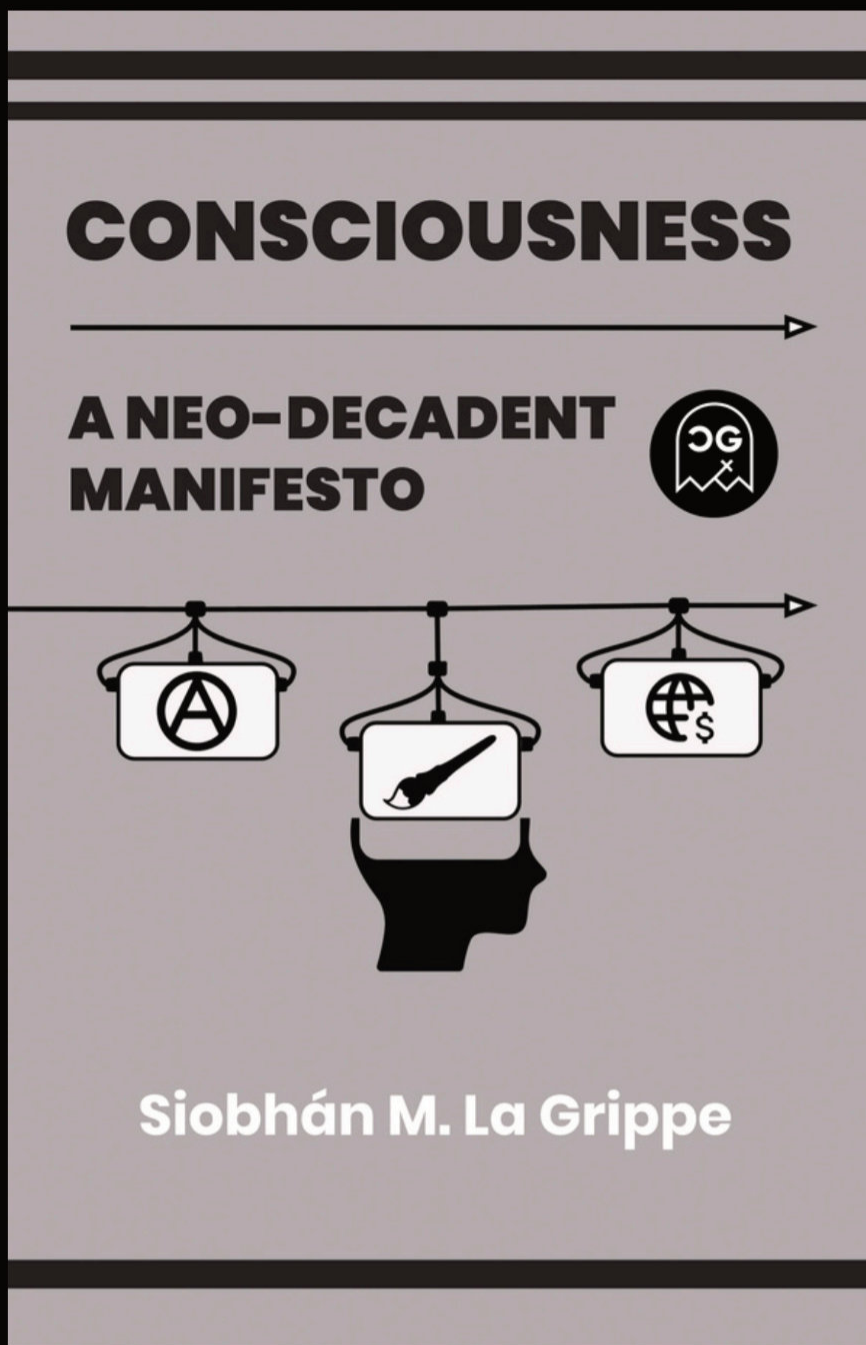

ISBN: 979-8-9994523-3-7

Utzy, a young runaway and psychokinetic, and her faithful dog Dusty, inhabit a blackened exurban sprawl known as Suddentown—where the looming silhouettes of enemies and boogiemer is ever-present. Finding herself imprisoned in the adolescent wing of a strange “Trauma Recovery Center,” Utzy meets a gaggle of other endangered outcasts, who drink milk and vape between therapy sessions... and sometimes get slaughtered in the night.

Inspired equally by gory '80s slasher films and Harold Gray's *Little Orphan Annie* comic strip, this is *Utzy and Dusty: Swan, Swan, Hummingbird*... an intense new graphic novel by Josh Bayer.

STRATEGIES FOR LIVING

By Siobhán M. La Grippe

BW | 44 pages | \$9.00

10.25x6.27in | Saddle-stitch | T+

In-store date: 10/21/26

FOC date: 8/31/26

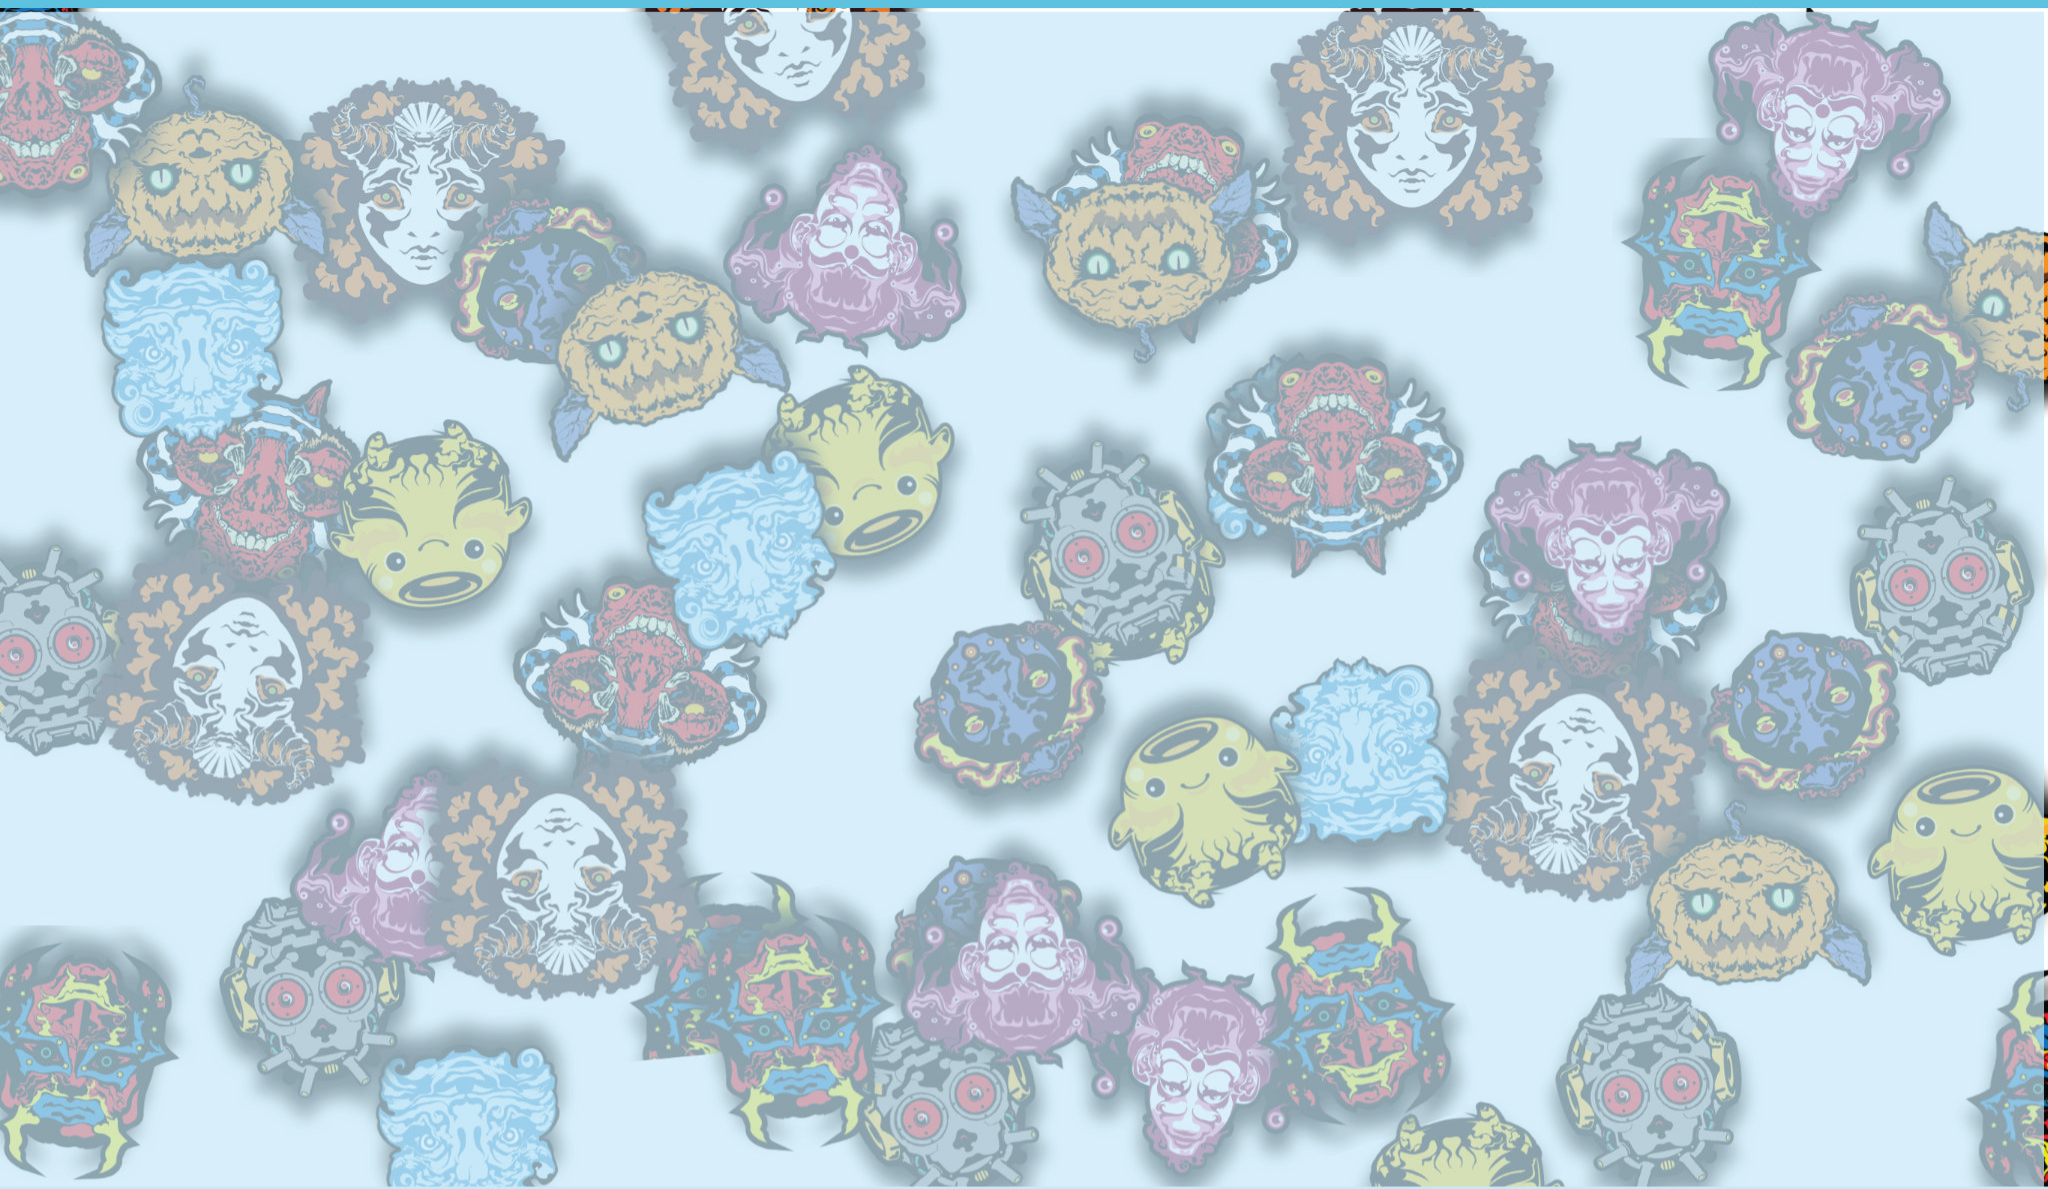

ISBN: 979-8-9994523-1-3

A Neo-Decadent manifesto outlining techniques for consciousness in the 21st century and beyond. Fully illustrated with informational graphics by the author.

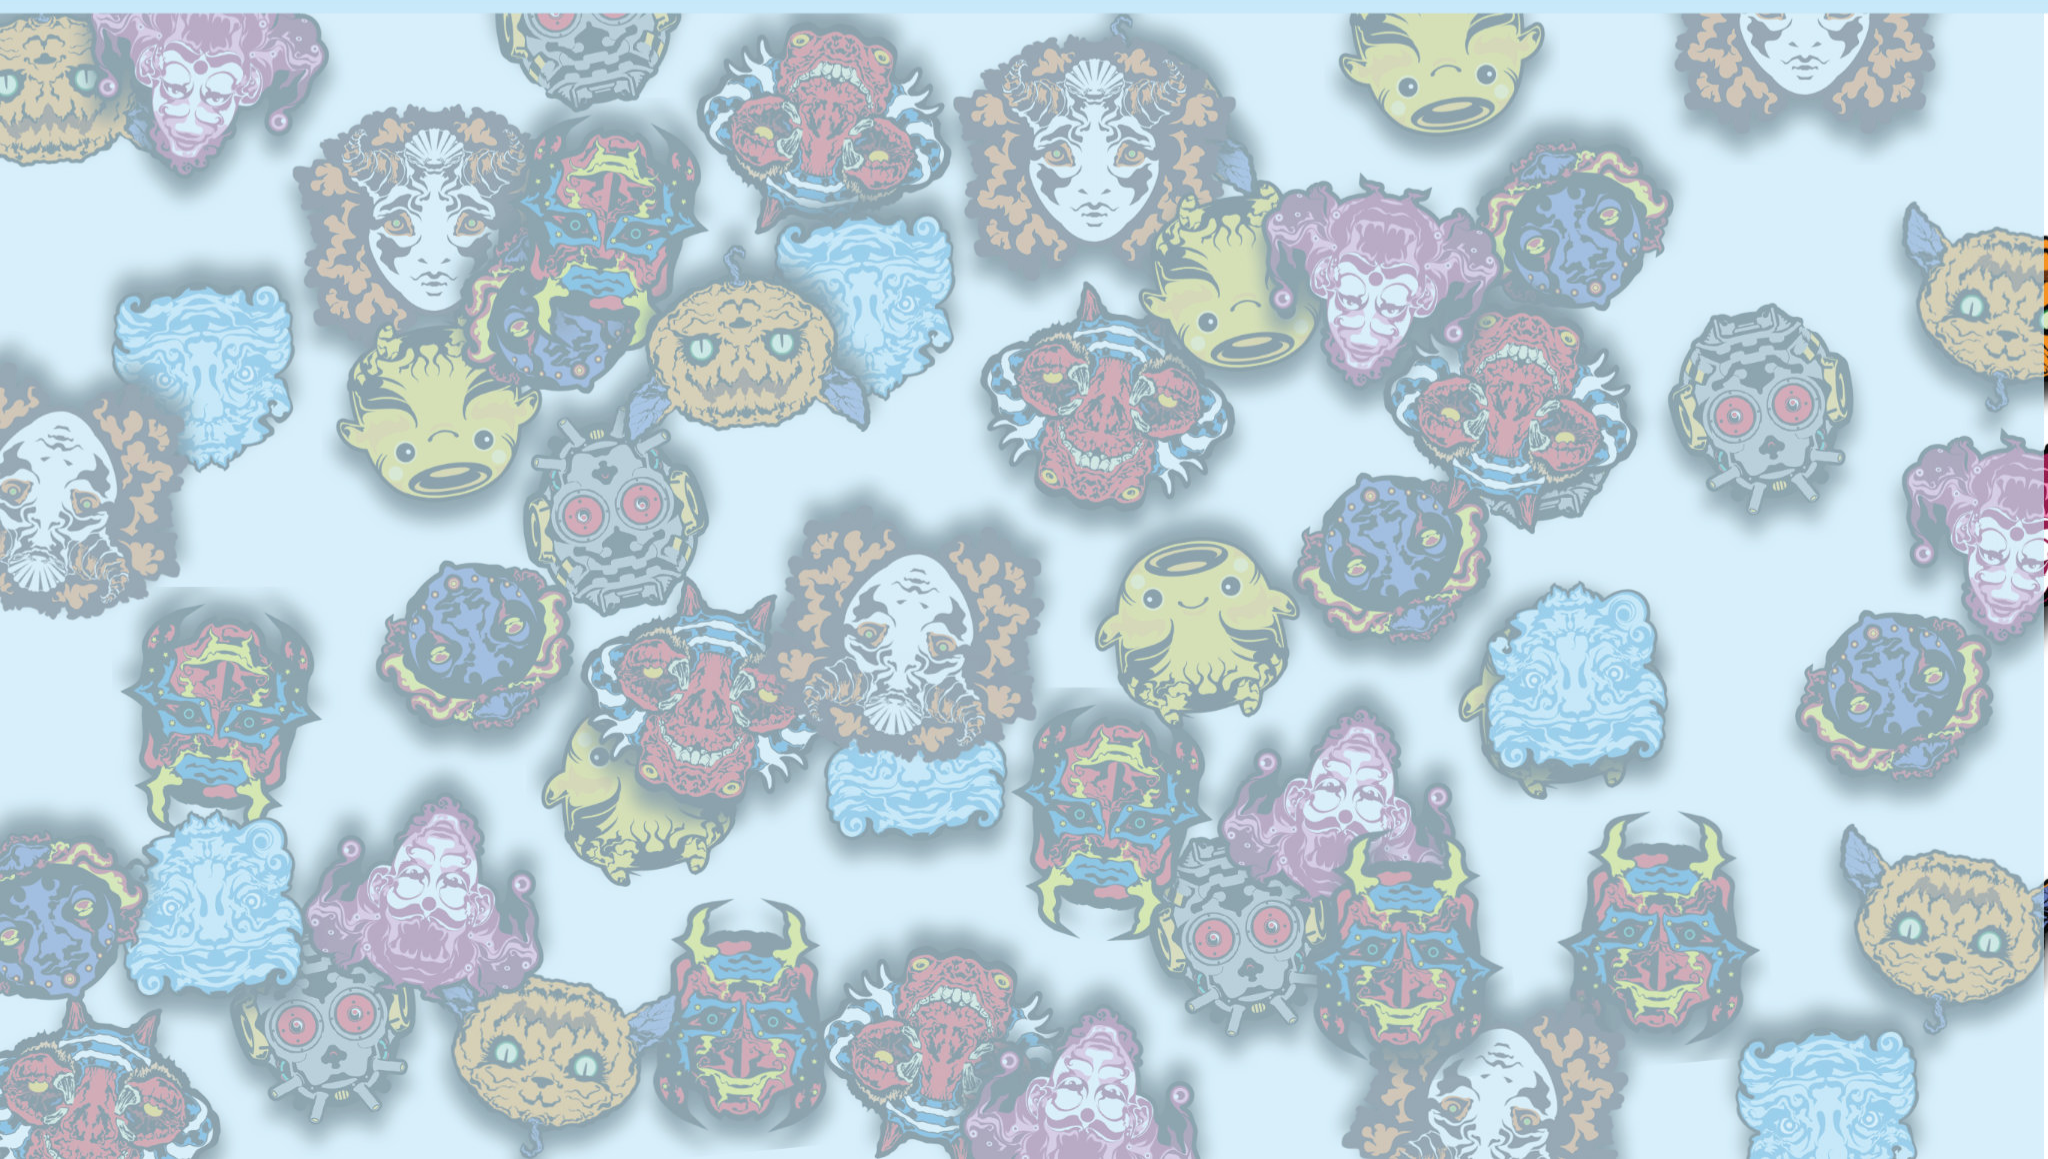

Neo-Decadence is an international art movement built around redefining art, ideas, and everyday life in anti-utilitarian terms. The Neo-Decadent excavates all aspects of life, creating new sites for the potentiation of frightening beauty. Neo-Decadence rejects aesthetic limitations, which exist only to facilitate Neo-Passéist commercial art and Capitalist Realism.

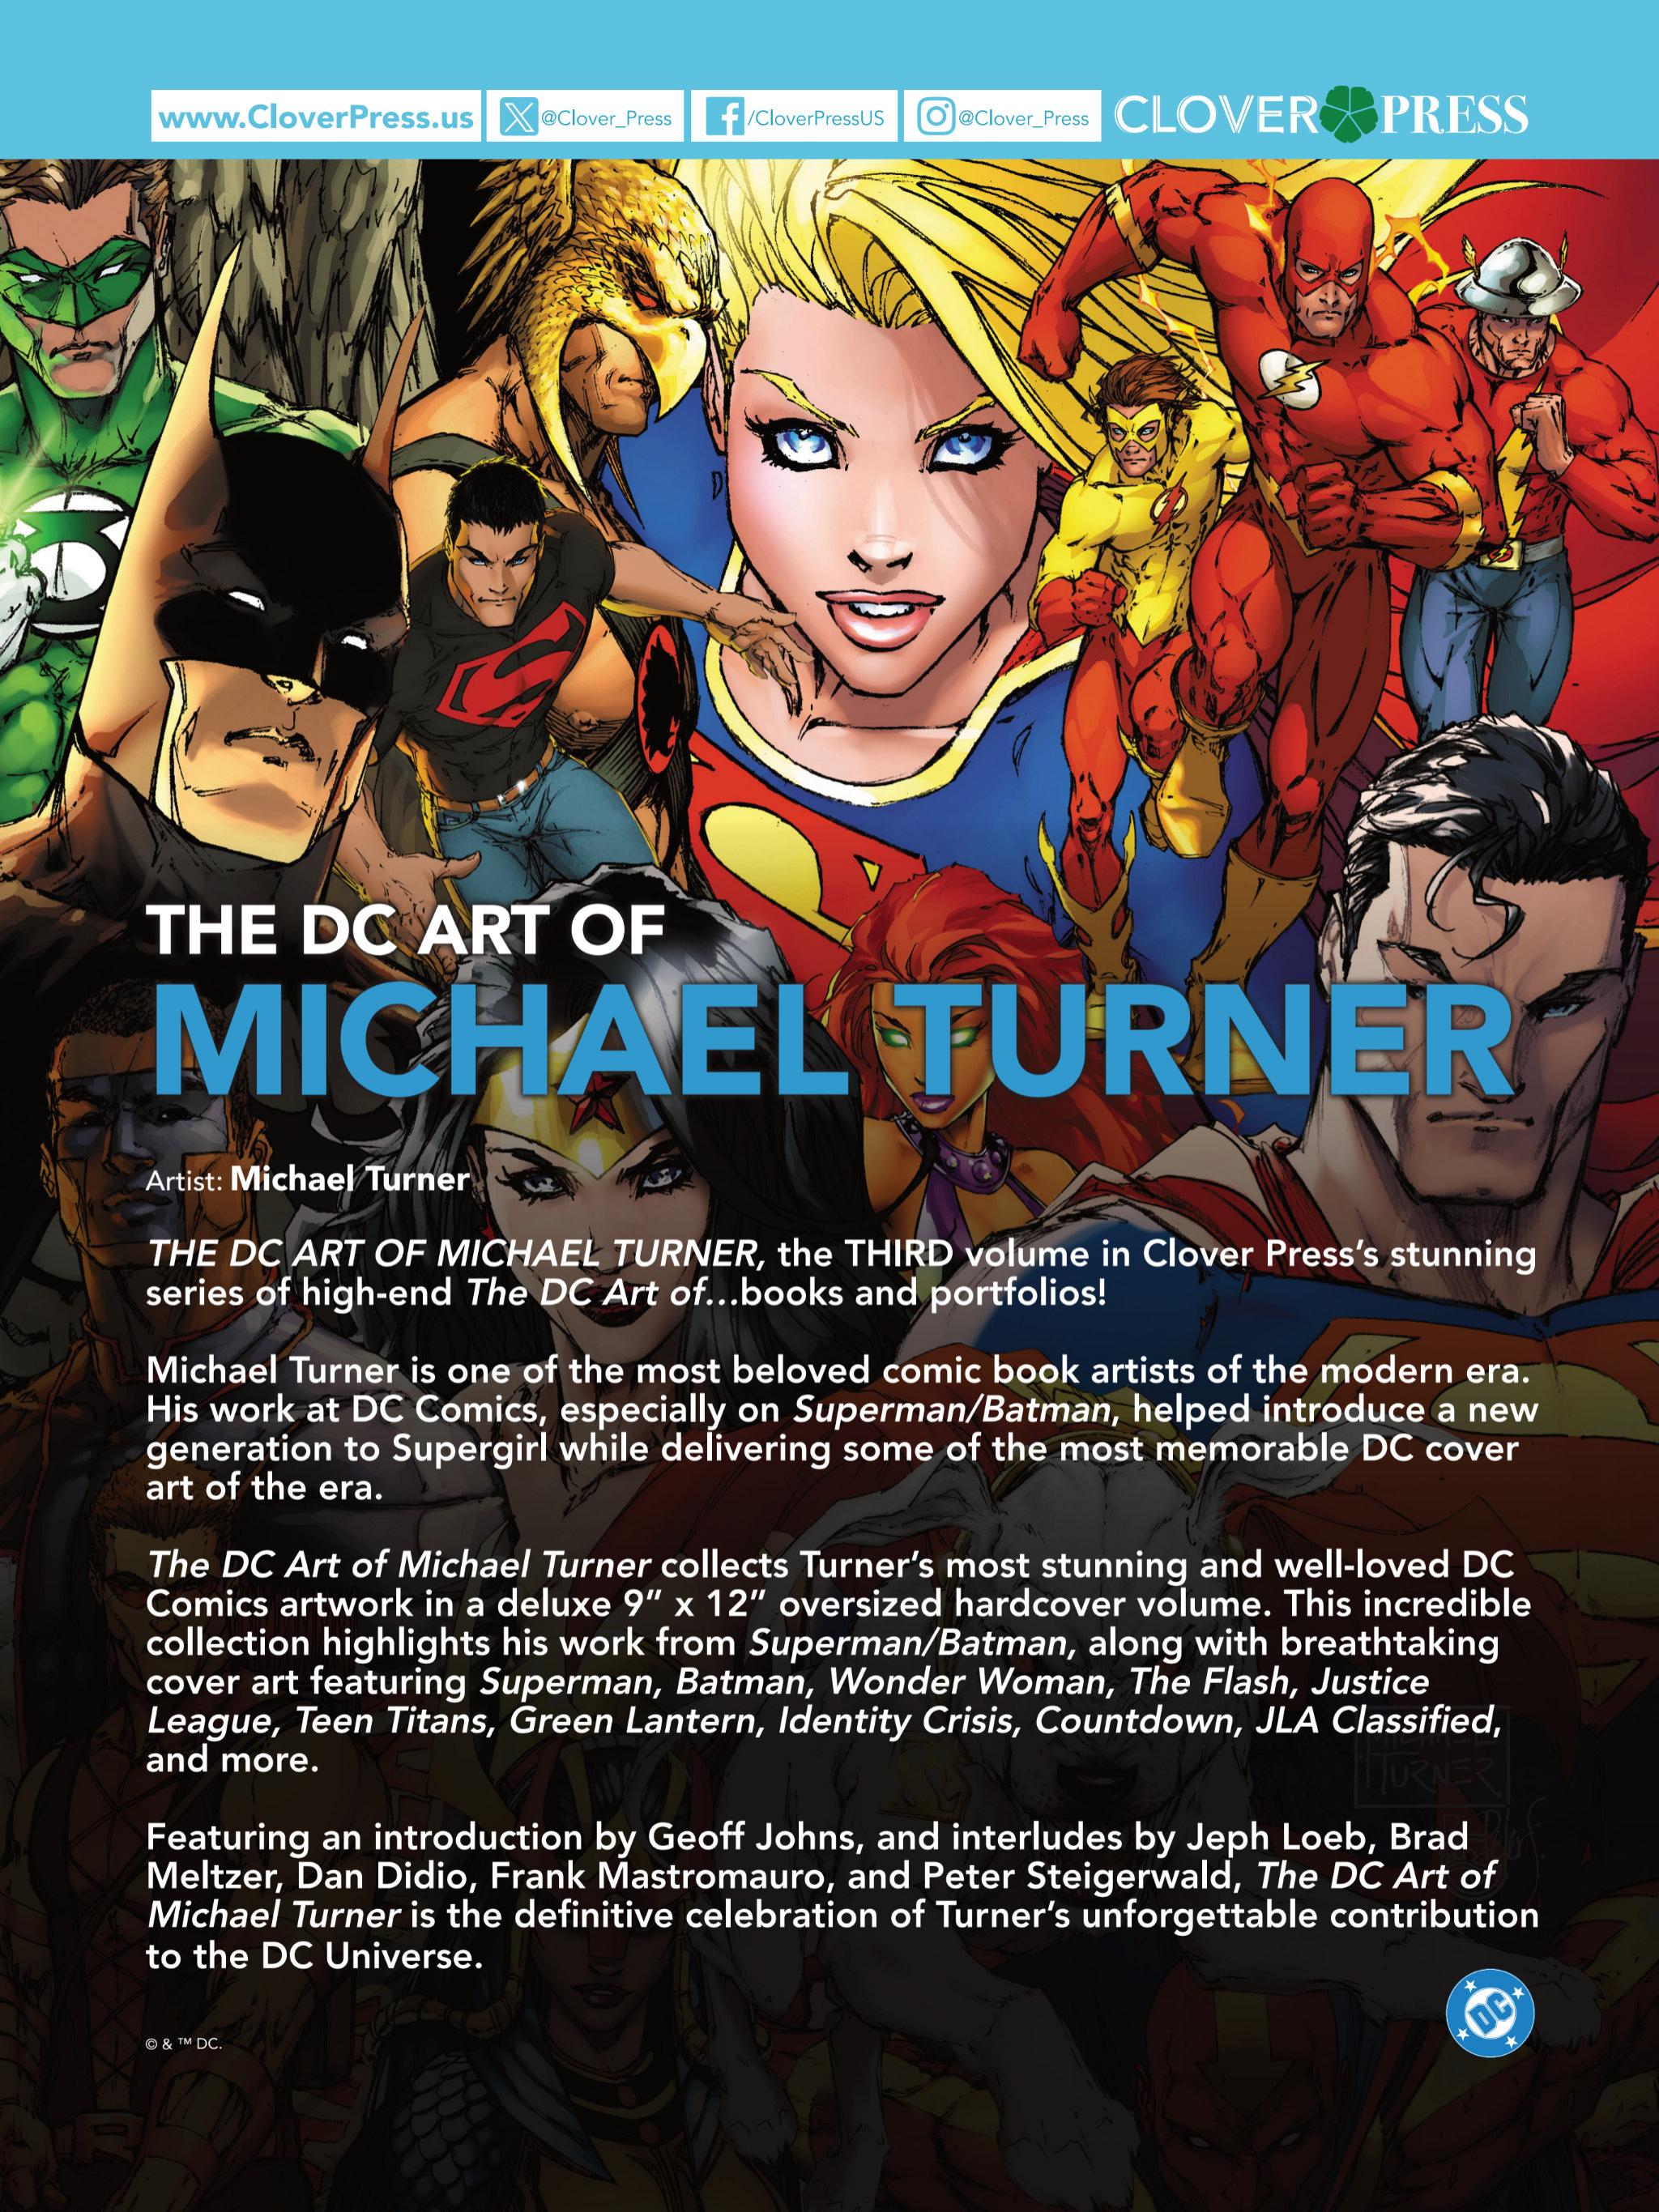

It is better to be obscure than to be boring.

CLOVERPRESS®

THE DC ART OF MICHAEL TURNER

Artist: **Michael Turner**

TILL DEATH

Writers: Michael Schwartz, Rachael Schaefer

Artist: Gaia Cardinali

Cover Artist: Tula Lotay

A ghostly romantic horror-comedy that's part *The Frighteners* and part *Harold and Maude*.

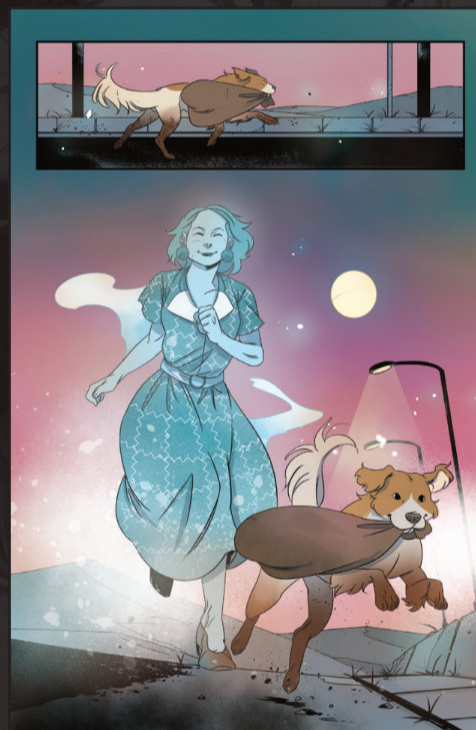

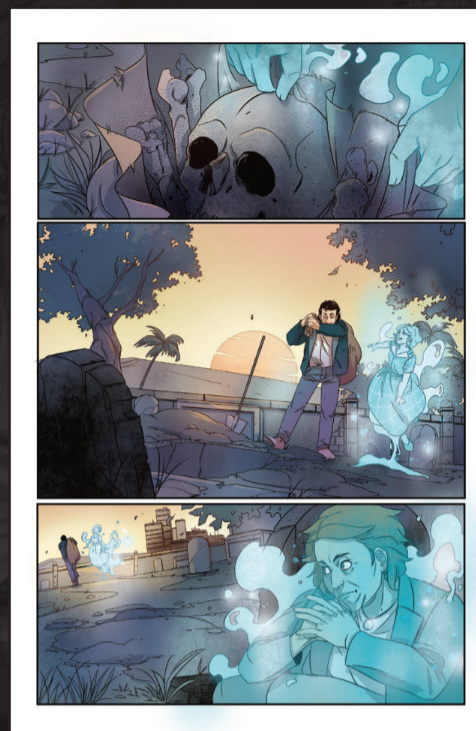

Vivian died in a horrific car accident in the 1960s and has spent decades as a restless spirit, waiting at her gravesite for her beloved husband to join her so they can ascend to the next plane together. But when someone else is buried in her husband's plot, she learns he was laid to rest across the country. Just as Vivian is spiraling into despair, Mack, a troubled man with demons of his own, crashes into the cemetery during a skydiving accident and the near-death experience opens his eyes to the world of spirits. Bound to her remains, Vivian convinces Mack to exhume her bones and set off on a cross-country journey to find her husband. Their mission breaks a sacred rule of the afterlife, and soon the unlikely pair are pursued by a force of relentless reapers, determined to wipe them from all existence.

"Beautifully tragic and emotionally resonant."—Geoff Johns (*Geiger*, *Rook: Exodus*, *Green Lantern*)

"A bold, original, yet necessarily nostalgic four color romance, fitting snugly inside comics' most unsung genre"—Brad and Lisa Gullickson, *Comic Book Couples Counseling*

From writers Michael Schwartz (*Armored*) & Rachael Schaefer (*The Next Step*), illustrator Gaia Cardinali (*King Arthur and the Knights of Justice*), and letterer Ferran Delgado, *Till Death* brings together an incredible creative team for a haunting, heartfelt, and darkly funny original graphic novel.

This deluxe hardcover edition also features a cover by Eisner Award-Winning artist Tula Lotay and chapter break artwork by Matthew Therrien, plus a bonus art gallery with pieces by Fell Hound, Francesco Tomaselli, Jeff Dickson, Emilia Strilchuk, and Suspiria Vilchez.

DICK TRACY®

COLLECTION
BY CHESTER GOULD

DICK TRACY COLLECTION—1962

Writer: **Chester Gould**

Artist: **Chester Gould**

Cover: **Brent Schoonover**

Introducing Clover Press and The Library of American Comics' new deluxe softcover slipcase series, collecting all of Chester Gould's *Dick Tracy* newspaper strip. Every volume collects a full year of newspaper strips, from January 1 through December 31. Each book is printed in an 11" x 8.5" landscape format softcover book that slides into a vertically oriented die-cut slipcase!

Dick Tracy brushes shoulders with the man with the face wig—The Brush! Tracy has his hands full with a revolt of trained chimps! Meanwhile, the Brush goes undercover to transport millions of dollars in laundered money! Dick Tracy joins the space race when Diet Smith returns with the case that takes them to the stars above! Another full year of thrilling stories like only Chester Gould can deliver! This volume features a brand new cover by Brent Schoonover!

Softcover w/slipcase | 160 pages | B&W | 11" x 8.5" | 978-1-951757-21-2 | \$29.99 | Solicited for a November 24, 2026 release.

FLIPPITOONS: ODDITOME OF DEADLIES AND DREADLIES, VOL. 1 HC

Writer: **James Martin & Jim Fletcher**

Artist: **Jim Fletcher**

Cover: **Jim Fletcher**

From the mind of Jim Fletcher, the award-winning creative director and DC Direct veteran, comes a whole new world of confounding creatures that flip over to reveal a surprising dual nature!

This deluxe hardcover field guide introduces readers to the strange and wildly imaginative world of Flippitoons, a curious collection of Deadlies, Dreadlies, and other impossible scaracters whose hidden forms are revealed when their images are turned upside down. Packed with illustrations, classifications, and field notes by noted Oddibiologists Jim Fletcher and James Martin, this first volume serves as both an art book and an essential guide to identifying the bizarre beings steadily creeping into our world.

Published by Clover Press, *Flippitoons: Odditome of Deadlies and Dreadlies, Volume 1* is a gorgeous 224-page deluxe hardcover art book measuring 10" x 10", with details of a selection of the crazy confounding creatures that are turning heads!

Hardcover | 224 pages | Full Color | 10" x 10" | 978-1-951757-99-1 | \$50 | Solicited for a November 23, 2026 release.

SCOTT SNYDER AND SANFORD GREENE
REVEAL THE LATEST CHAPTER OF THE

DC ALL IN SAGA: DARKSEID VS. THE WORLD #1

WHAT'S INSIDE

NEXT LEVEL #1

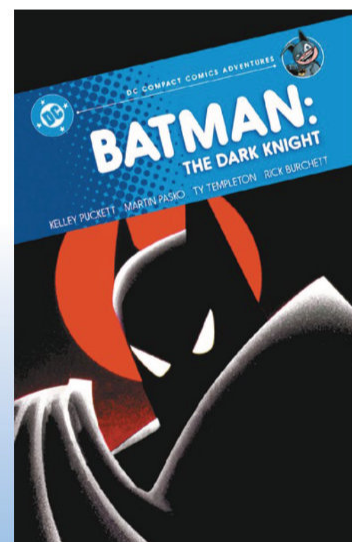

- Superstar James Harren takes the Demon Etrigan to the Next Level in a brand-new horror series with *The Demon* #1!
- Michael Walsh takes Jonah Hex to the Next Level with a new Western horror epic in *Jonah Hex and the Shadow of Death* #1!
- Matter-Eater Lad and Brainiac 1 of 5 are on the case as Joshua Williamson and Hayden Sherman continue their reinvention of the Legion in *Legion of Super-Heroes* #2!

ACROSS THE DCU #2

- The All In Saga continues with Scott Snyder and Sanford Greene in a brand-new one-shot about the ultimate evil in *DC All In Saga: Darkseid vs. the World* #1!
- Celebrate the most famous couple in comics with *Superman: The Wedding Album 30th Anniversary Special* #1, featuring some of the biggest names in comics!
- *Absolute Batman* and *Absolute Wonder Woman* celebrate milestone 25th issues as the best-selling Absolute Universe continues with shocking revelations and new character reveals!

GOTHAM CITY #13

- Poison Ivy makes her last stand as the superbloom sweeps across Gotham City and the Batman: Bad Seeds event comes to its shocking conclusion! Don't miss the final issues across *Batman*, *Poison Ivy*, *Nightwing*, *Harley Quinn*, *Batwoman*, and *Detective Comics*!
- The everyday heroes of Gotham wrestle with the fallout of Ivy's plan in *Batman: Bad Seeds: Gotham Central* #2 and *Batman: Bad Seeds: Gotham General* #2!
- The sun has set. The dust has settled. Gotham City will never be the same in the shocking conclusion in *Batman: Bad Seeds: Sunrise* #1!

Welcome to the end of the Wild West. Welcome to the quiet life of a broken-down bounty hunter whose own story, one of bloodshed, pain, and guilt, ended long ago—or so he thought.

In a small town called Ashecott, something evil has arrived. Something more dangerous than a gunslinger, more sinister than an outlaw, and older than the town it seeks to infect. Something from a world beyond the only one its victims have ever known. Something darker. Unfortunately for that evil, Jonah Hex has taken notice. Not just of the otherworldly entities surrounding his home or the child with mysterious abilities they seek to capture—but also of the chance to finally redeem himself. Join master of horror Michael Walsh (*Exquisite Corpses*) as he begins a terrifying new era of DC's most infamous bounty hunter!

The Doom Patrol's latest heroing-for-hire gig has brought Robotman, Elasti-Girl, and Negative Man face-to-face with a massive UFO and its strange—and rather gloopy—inhabitants. Now, as Negative Man breaches the minds and memories of these alien invaders, he finds himself digging into the Doom Patrol's past and future...and the mysterious young girl who seems to be intrinsically connected to both. When all is revealed, the Doom Patrol may never be the same again...

Award-winning writer Darcy Van Poelgeest (*Little Bird*) and superstar artist Niko Henrichon (*Spectators*) continue the Next Level adventures of the world's strangest heroes.

After rejecting an offer from Nightwing, the next generation of the Teen Titans have chosen Red Hood as their mentor! But does the harrowed former boy wonder have what it takes to control these impulsive heroes of tomorrow? The clock is ticking to save their missing friend as the kids take their team out of the chat rooms and onto the streets of Seattle for their first stake out and attempt to infiltrate Ascend.

"LAST DEATH OF LOBO," PART 2 OF ETERNITY

LOBO #8

Written by **SKOTTIE YOUNG**

Art and cover by **JORGE CORONA**

Variant covers by **DERRICK CHEW, SCOTT GODLEWSKI, and ALITHA MARTINEZ**

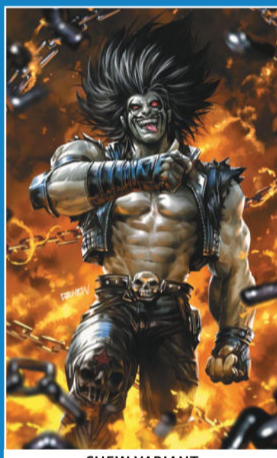

\$3.99 US | 32 pages | Variant \$4.99 US (card stock)

ON SALE 10/21/26

"Oh my Guardians, what have I allowed to happen?"

A weeping man once whispered these words to an unfeeling universe, and the universe answered: "Doom. Doom. You are the unhappy midwife to the Szerpent of Czarnia, and all the blood he spills henceforth is on your hands." His power was taken, his title, his fellowship. But he'd made an oath: "No evil shall escape my sight." Unrelentingly. Unstoppably. Unbelievably. Francis Dalex would become the last man to kill Lobo for the last time. At last.

At sunset, Poison Ivy unleashed an attack that transformed Gotham City into a prehistoric nightmare. If she isn't stopped by the first light of dawn, the city will be lost forever...along with all who dwell there. With the clock ticking, Batman and his allies will put it all on the line to save the day before everything changes forever at sunrise.

The superstar creative team of Matt Fraction, G. Willow Wilson, Giuseppe Camuncoli, and Cliff Rathburn proudly presents the Earth-shattering conclusion to *Batman: Bad Seeds* in an oversize special that shows the only thing more impossible to survive than this night in Gotham...is the day.

ON SALE 12/1/26

No prison can hold him. No trap can contain him. He is Scott Free, the worldwide celebrity sensation known as Mister Miracle, and he is the greatest escape artist who ever lived. But can he pull off the ultimate trick—and escape death itself?

Something has gone horribly wrong with the perfect life that Scott and his wife, Big Barda, have made for themselves on Earth. With war raging between their homeworlds of Apokolips and New Genesis, Scott's cruel adoptive father, Darkseid, seems to have finally found the Anti-Life Equation—the weapon that will give him total victory.

As the mountains of bodies on both sides grow ever higher, only Mister Miracle can stop the slaughter and restore peace. But the terrible power of the Anti-Life Equation may already be at work in his own mind, warping his reality and shattering the fragile happiness he's found with the woman he loves.

Is death the trap that's been waiting for him all along? Or is it life itself? And what price will Scott Free have to pay to learn the answer?

Eisner Award winners Tom King and Mitch Gerads present a bold new vision of one of Jack Kirby's greatest creations with Mister Miracle—powerful, intimate, and utterly unique, this modern comics classic will challenge everything you know about superheroism! Collects the entire 12-issue series.

ON SALE 12/1/26

It's the dawn of a new age. Superheroes—like Superman in Metropolis and Gotham's mysterious Batman—are new and frightening to the world at large. But when a series of strange attacks unleashes an otherworldly threat on Earth, these heroes will have to stand together...if they can stand each other!

Superman. Batman. Wonder Woman. Green Lantern. The Flash. Aquaman. Cyborg. Though young and inexperienced, brash and overconfident, each one alone is a powerful force in the battle of good against evil. Together, they may be the only thing on Earth that can stop the alien warlord Darkseid from claiming our planet as his own. Together...they will become the Justice League!

Justice League: Origin (collecting *Justice League* #1-6) unites superstar creators Geoff Johns (*Green Lantern*) and Jim Lee (*Batman: Hush*) to deliver the most talked-about comic book of the new millennium...and reimagine the DC Universe as never before!

THE ACCLAIMED STORY WRITTEN AND ILLUSTRATED BY
EISNER AWARD-WINNER DANIEL WARREN JOHNSON!

WONDER WOMAN: DEAD EARTH: ABSOLUTE EDITION

Written by **DANIEL WARREN JOHNSON**

Art and cover by **DANIEL WARREN JOHNSON**

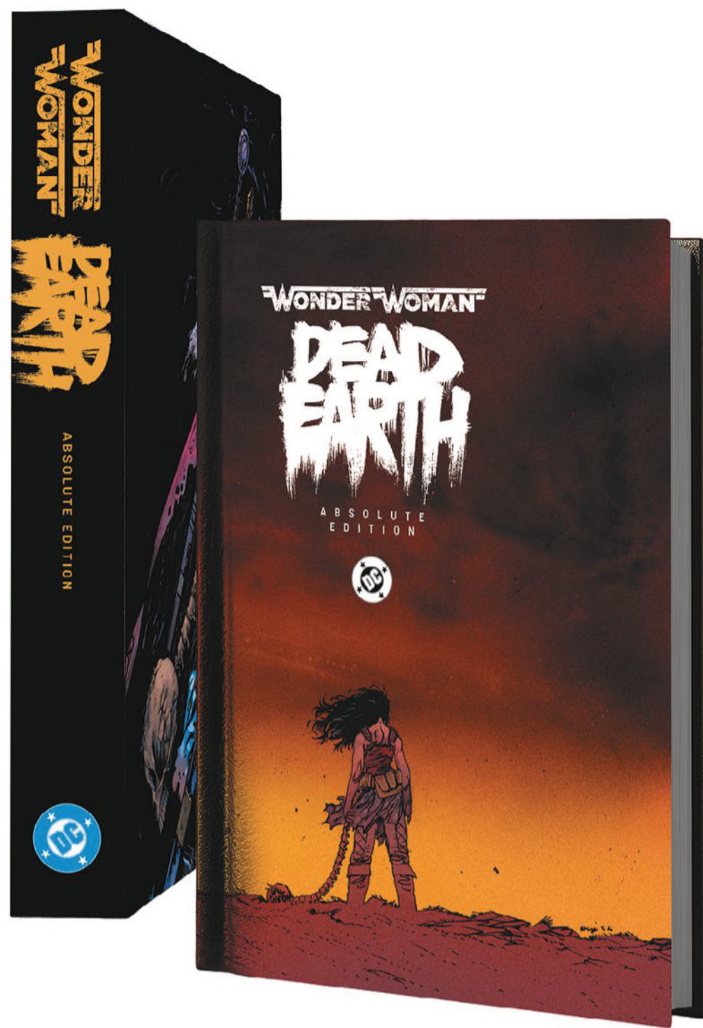

\$100.00 US | 288 pages | 8 1/8" x 12 1/4" | Hardcover | ISBN: 978-1-79951-403-9

ON SALE 4/6/27

The Earth is dead. After an event called the Great Fire scorched the planet, what remains of humanity has reverted to tribal societies who live in fear of mutated creatures called Haedras.

When a weakened, amnesiac Diana awakens from stasis to this shocking new world, she realizes that she has failed her mission to protect humankind and sets out to right this wrong. As she discovers more about her strange new home, she encounters new allies and old enemies. And as her memories return, she comes to understand that sometimes the ability to forgive can be more powerful than brute strength.

This oversize Absolute edition features the entire four-issue series written and illustrated by Daniel Warren Johnson (*Murder Falcon*, *Beta Ray Bill*) and includes a new introduction, character sketches, the series outline, scans of all the original ink pages, stickers, and more—all presented in a collectible clamshell hard case.

ON SALE 3/2/27

For years, Batman and Commissioner Gordon have stared into the unyielding, black abyss that is Gotham City. But even after a lifetime of quelling the worst of humanity, an even darker and more dangerous evil pushes the two crime-fighters to their absolute limits. As the city's top cop, James Gordon has seen it all. But can he unravel a deep and personal mystery that is inextricably tied to Gotham City's underworld? Or will the darkness that turns Gotham's citizens into monsters blind him forever?

Eisner Award-winning writer Scott Snyder (*Batman: The Court of Owls*) launches into comics superstardom with his #1 New York Times bestselling debut work on the Dark Knight. With stunning art by Jock (*The Losers*) and Francesco Francavilla (*Swamp Thing*), this Absolute Edition collects *Detective Comics* #871-881 and includes additional bonus material featuring sketches, designs, and a first-draft script from the author.

THE EPIC SEQUEL TO *DC vs. VAMPIRES* BARRELS
TOWARD A CHILLING CONCLUSION!

ON SALE 12/1/26

Matthew Rosenberg and Otto Schmidt reunite to bring their tale in the *DC vs. Vampires* universe to a shocking end, set against a world plunged into a grueling winter. As the human resistance gathers strength against the menacing vampire queen Barbara Gordon, an even more sinister threat lurks just beyond sight.

The malevolent Darkseid has tightened his grip on this ravaged planet, forcing a tenuous alliance between humans and vampires. To stave off complete annihilation, they must join forces to confront the terrifying New God. But their ultimate victory lies in a prophecy surrounding the child of Mister Miracle. Can these bitter foes keep from tearing each other apart long enough to uncover their greatest chance at survival?

This collection delivers the foreboding conclusion of *DC vs. Vampires: World War V*, including issues #7-12.

\$59.99 US | 1,240 pages | 6 5/8" x 10 3/16" | Softcover | ISBN: 978-1-79950-965-3

ON SALE 11/24/26

In this second epochal collection of one of the most beloved superhero series of the 2000s, the greatest multi-generational team in comics confronts the existential challenges inherent in carrying on a legacy and honoring the past while still protecting an ever-changing future.

Collects *JSA* #26-51, *JSA All-Stars* #1-8, *JSA Secret Files* #2, *JSA: Our Worlds at War* #1, *JLA/JSA: Virtue and Vice* #1, *JLA/JSA Secret Files* #1, *Green Arrow* #12-13, *Suicide Squad* #12, *Hawkman* #19, and stories from *All-Star Comics 80-Page Giant* #1 and *Secret Origins of Super Villains Giant* #1.

MAGIC COMES TO METROPOLIS!

SUPERMAN/SHAZAM: FIRST THUNDER

Written by **JUDD WINICK**

Art and cover by **JOSHUA MIDDLETON**

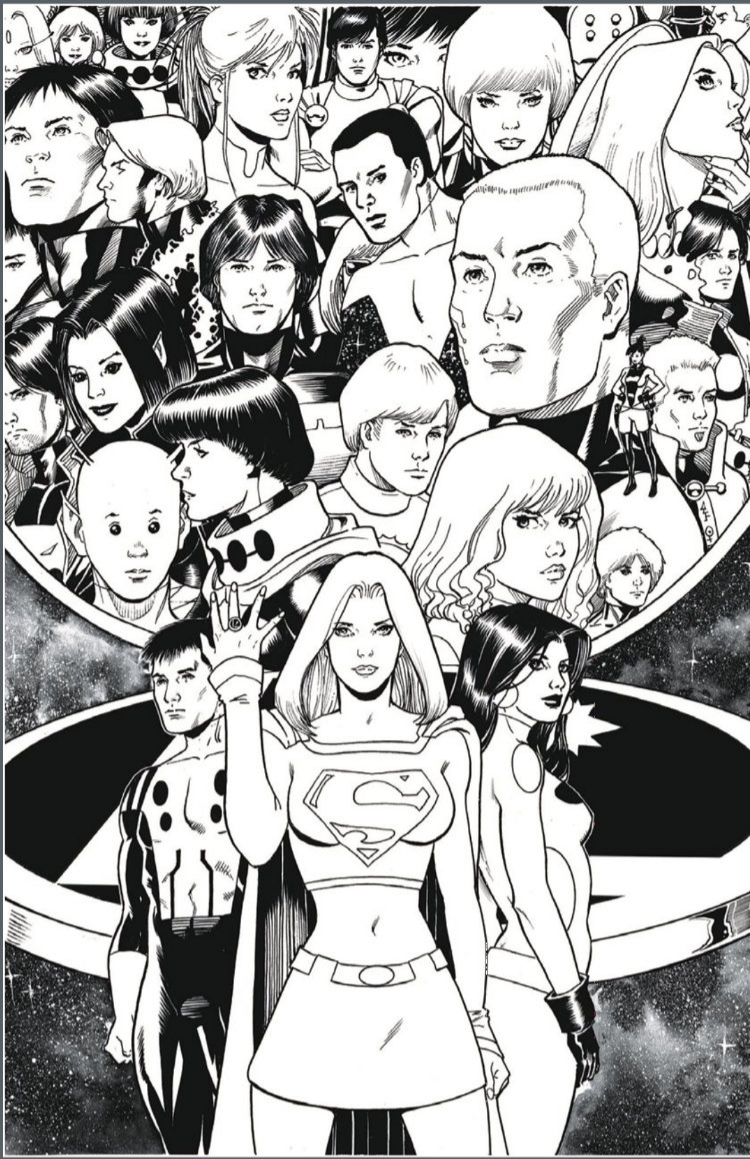

\$19.99 US | 144 Pages | 6 5/8" x 10 3/16" | Softcover | ISBN 978-1-79950-985-1

ON SALE: 12/08/26

While Superman must stop members of a cult from stealing an ancient artifact from the Metropolis Natural History Museum, in Fawcett City, Shazam must defeat rampaging giant mechanical monsters. When the same cult attempts to pay a visit to the Fawcett City Museum, Superman drops by and teams up with Shazam against an all-new threat only the combined might of Superman and Shazam can stop!

Collects *Superman/Shazam: First Thunder* #1-4

NOT FINAL COVER

THE LEGION REDEFINED BY COMICS LEGENDS!

LEGION OF SUPER-HEROES BY MARK WAID AND BARRY KITSON OMNIBUS

Written by **MARK WAID**, **BARRY KITSON**, **TONY BEDARD**, and othersArt by **BARRY KITSON**, **KEN LASHLEY**, **GEORGE PÉREZ**, and othersCover by **BARRY KITSON**

\$150.00 US | 1,184 pages | 7 1/16" x 10 7/8" | Hardcover | ISBN: 978-1-79950-975-2

ON SALE 12/8/26

Poverty, famine, war, and disease have been eliminated in the 31st century. The new millennium is utopian—shining, hopeful, and so dreadfully boring. That is, until a legion of brilliant and spirited super-powered teenagers come together from across the universe to shake things up!

The Legion of Super-Heroes face hidden masterminds, devastating wars, and legal battles for recognition—all while bickering, learning, and loving through the trials of being a teenager. But as they learn to navigate these hurdles together, internal factions threaten to break all they've built.

Can these heroes find their footing to become the greatest team since the Justice League? And what happens when an amnesiac Supergirl shows up in the future and wants to join the team? Can these rebellious teens rein in someone more powerful than all of them combined?

Collects *Legion of Super-Heroes* #1-15, *Supergirl and the Legion of Super-Heroes* #16-36, *The Brave and the Bold* #1-6, and a story from *Teen Titans/The Legion Special* #1.

THE TITANS TEAM-UP IS COMPLETE!

TEEN TITANS: TOGETHER CONNECTING COVER EDITION

Written by **KAMI GARCIA**Art and cover by **GABRIEL PICOLO**

\$16.99 US | 208 pages | 6" x 9" | Softcover | ISBN: 978-1-79950-307-1

ON SALE 11/3/2026

Kori Anders wants to trust newcomers Dick, Raven, Gar, Max, and Damian, but can she? After all, accusing H.I.V.E. of abduction, experimentation, and torture is the same as accusing family friend Lynch Fairweather! And Vic Stone, whom she definitely trusts, has a summer job designing next-level prosthetics in Edge Labs, which funds certain projects at H.I.V.E.

Plus, Kori's sister Kira is singing the praises of working with H.I.V.E., offering an inside look at the potential a partnership could bring. They've got a plan for taking down Raven's demon father Trigon. They've got a plan for training the next generation of superheroes. They've got plans for everything.

Lines become blurred as the teens struggle to agree on the best plan of action. H.I.V.E. might be their greatest ally...but at what cost? And can the Titans pull together a plan before they fall apart?

Join #1 *New York Times* bestselling author Kami Garcia (*Beautiful Creatures*) and artist Gabriel Picolo, the creative duo behind the *New York Times* bestselling *Teen Titans* graphic novel series, for the ultimate showdown!

The word **TOGETHER**, shown in rainbow gradient here, will be a holographic foil on the final cover.

THUNDERCATS #1

FC | All Cardstock Covers | 32 pages | Science Fiction / Adventure | \$4.99 | Teen | 10/7/26

writer: Greg Pak
artist: David Cousens
covers: Mark Spears (A) Seth Damoose (K-RI/Virgin)
David Cousens (B) Stephen Byrne (L-RI/Virgin)
Daniele Cellini (C) Daniele Cellini (M-RI/Virgin)
Stephen Byrne (D) David Cousens (N-RI/Line Art)
Seth Damoose (E) David Cousens (O-RI/Virgin)
Blank Authentix (F)

Superstar writer GREG PAK (*World War Hulk, X-Men, Superman/Batman*) joins rising star artist DAVID COUSENS (*Cheetara: World-breaker*) to present a stunning new chapter in the 'Cats history!

The THUNDERCATS face a strange, dangerous new life on their Earth, sharing the world with the SILVERHAWKS, a multitude of other societies, and the cat-hating MU'TANTS. This is a time for outreach and diplomacy...or it would be, if it weren't for a mysterious omen from the sky that unleashes a beast within team leader LION-O, transforming him into the deadly FERAL KING!

This issue features a PREMIUM MYSTERY BLIND BAG which contains three limited editions of the issue selected randomly from a range of variant covers exclusive to this title. Please Note: The number of Blind Bags is limited. Allocations may occur.

THE NEXT ERA OF THUNDERCATS KICKS OFF WITH SUPERSTAR WRITER GREG PAK

(*Planet Hulk, X-Men, Batman/Superman*)

The explosive ThunderCats X SilverHawks crossover epic is coming to a close, and we're striving to always bring fans of the Thundercats something exciting. We announced the first leg of this next phase last month with Saladin Ahmed launching the first ever solo ongoing for Cheetara. Now it's time for the flagship title! What's it like taking on this beloved franchise that has drawn so many readers in the past couple years?

I'm over the moon! I've been hungry to dig into a story like this for years. Anything can happen on Third Earth, and if you've ever watched the original ThunderCats cartoons, you know that anything and everything did. There's a huge element of surprise and wildness to this particular mix of science fiction and fantasy, and we're taking it as far as we can. I'm also thrilled to be working on a story that feels deeply relevant about heroes slamming up against the limits of monarchy and teetering between triumph and catastrophe as they struggle to become a free people. Huge fun, massive action, big emotion, and searing relevance? You want this book.

We have to ask about your history with the *ThunderCats*. Was it something you tuned into at the time? And/or how did you approach any research or reference while developing your new storylines?

I was born in 1968, so I was the perfect age to think I was too old for ThunderCats when it first came out, ha ha! But I've been watching the original series, and every single episode makes me gasp and laugh. I particularly love how out there it is, at all times. The set up of Third Earth gave the creators incredible leeway to make up brand new things all the time, and they never held back. It's endlessly surprising, sometimes really goofy, and hugely fun, while at the same time building this emotional and thematic framework for a big story about a boy king learning responsibility through found family. Couldn't ask for more in a world to play in and tell new stories!

That said, you're no stranger to massive franchises and epic events. Many fans revere your tenure with the *Hulk*, which your editor here Nate Cosby was also involved in at the time, across character defining arcs like *Planet Hulk* and *World War Hulk*. You've also grappled with the *X-Men*, *Batman* and *Superman* together, and a lot more. Are there ways you are channeling some of that more traditional superhero storytelling experience into *ThunderCats*?

ThunderCats absolutely fits into a kind of superhero paradigm. Most of the characters have some kind of special power, and the way they move and fight owes more to superhero comics than high fantasy. And in that very first episode of the animated show, all the characters even get tight superhero-like costumes! So if you dig superhero team comics, you should have no trouble diving right into this book.

Daniele Cellini cover C

Stephen Byrne cover D

That being said, the big genre here is sci-fi fantasy, and the themes circle more around the responsibilities of kings and conflicts between societies. Of course we sometimes see that in superhero comics – heck, that was a big part of *Planet Hulk* back in the day! But there’s often a notion in superhero comics that the world will always return to a state roughly like the status quo. Maybe villains take over the US, for example, but eventually “normalcy” gets restored. What I love about working with the ThunderCats is that the status quo is so open that there’s no guarantee anything gets tidily put back in its box. It’s rare to be able to cut loose entirely the way we are here, to tell a story with huge, wild stakes, and I’m loving every minute of it.

Our understanding is front and center to your initial yarn of Lion-O’s transformation into The Feral King. He’s devolving into even more of a feline beast. A handy comparison for superhero fans may be what a certain furry, Canadian hothead went through. With him in the middle, it’s a race between the ThunderCats and Mumm-Ra’s Mu’Tants in trying to track him down to either save him or recruit him to the dark side. What can you tell us about this fun new approach to the usual central character?

I might be best known in comics for writing the Hulk and Darth Vader, so my abiding interest in monsters and dark sides shouldn’t be a surprise to anyone, ha ha! In this case, I found myself thinking about the fact that the ThunderCats are all, well, cats! And it seems like there’s so much to explore there. So yes, a big attraction of the Feral King is to see what kind of cats these cats really are.

The bigger thematic impulse comes from the fact that Lion-O is the Lord of Thundera, essentially a king. And one of the great virtues of the original series is that it constantly explores the notion that he needs to work through his youth and inexperience and recklessness in order to fulfill his responsibilities. I wanted to take that notion a big step further, to question the validity of monarchy and authoritarian leadership, to essentially ask if ANYONE should be a king. I don’t want to spoil too much, but I think the Feral King gives us a huge opportunity to explore all of that in ways that respect all the continuity that all the creators in Declan Shalvey’s run built while setting up massive consequences for all our characters.

Though this series is the perfect opportunity for readers to jump on board, with a totally new status quo, cast of characters, and some exciting new costumes and designs – it’s also following the aforementioned crossover that collided with the SilverHawks. Will that corner of the “ThunderVerse” lore and characters factor into your series? And additionally, overall what kind of “roster” should fans be expecting initially?

As always, I’m trying to write so that literally anyone can pick up the book and immediately settle in and have fun without having to do any previous reading. But Declan and company did incredible worldbuilding and introduced some fantastic characters and we’re trying to respect and integrate all of that. Essentially, they gave us a tremendous set up with the ThunderCats exiled to this strange Third World where a slew of other tribes all hold all Thunderians in great suspicion and contempt – possibly for good reason! Can they establish a new era of peace through diplomacy and equal respect? Or does survival require all the might of the Feral King? And if so, what price does the whole world pay?

Artist David Cousens has excited Dynamite readers for a while with some electrifying covers across the ThunderCats titles, *The Terminator*, and more. Those who have followed the franchise closely got to enjoy his rare interior art in the *Cheetara: Worldbreaker* special. Now he’s fully unleashing himself, joining you to draw this series alongside colorist Igor Monti and letterer Jeff Eckleberry. How excited are you to see David bringing your scripts to the page?

David’s a dream to work with. I’ve loved the covers he did for *Supernatural*, and his designs for this Feral King story are just mindblowing. He’s got so much energy and passion and an absolute love for this genre and story and these characters and it comes through with every page and panel. And Igor and Jeff and editor Nate Cosby are fantastic creators and collaborators. I can’t wait for y’all to see what we’re cooking up!

SUPERNATURAL: DEAN WINCHESTER #1 AND SUPERNATURAL: SAM WINCHESTER #1 CONNECTING COVERS BY STEPHEN BYRNE!

SUPERNATURAL'S NEW DUO OF WRITERS DISCUSS SPLITTING UP THE WINCHESTER TEAM OF SAM AND DEAN!

Dynamite kicked things off with a new era of *Supernatural* comics long ago, to great fervor from the fanbase that has been hungry following years of the show being off the air. Now you two are taking on the franchise with twin titles. What is your history with the show, and/or have you been diving into some of it for reference while working on your new stories?

CHUCK: I've loved this show for a very long time. I grew up with big brothers, so the Winchester's dynamic was one of the best parts of the show. I've seen all 15 seasons, and I'd watch 15 more if I could. When our editor approached me about writing the book he said, "Do you happen to have any particular affinity for *Supernatural*?" I thought to myself, 'Heck, yeah I do!' I remember when the *Supernatural* comic book prequels came out. It was John Winchester hunting while raising his boys alone. I thought to myself, 'This is cool. I want to write something like this one day.' And here we are!

PAULINA: *Supernatural* is one of those shows that's

been haunting the screens of my home since 2006. Comfort show might put it lightly. For at least two years, during the peak pandemic era, my husband and I would watch *Supernatural* every night before bed. The dulcet tones of the Winchesters killing monsters is just a part of me now. I did blow through seasons one through five since getting this job, absolutely. Gotta keep it fresh up there!

This next phase is teed up this September with the *Wayward* special, which you're writing, Paulina. We're building it so that fans can of course pick up *Dean #1* and *Sam #1* and enjoy the new direction, but can you tell us a bit about how that issue bridges to these stories? And Chuck, how much are you pulling from that starting point and how has the collaboration across the board been so far?

PAULINA: Definitely. The main purpose of *Wayward* is to create the rift that separates the brothers. It also lets us bridge the gap between Greg Pak's initial series to where they are now. Yes, the core of this story is a jumping-off point for the solo books, but I made doubly sure to partially treat it as its own self-contained story as well. *Supernatural* does a great job of framing over-

arching plots and character development within their regular “monster of the week” jobs. This will be just that: an average hunter job that gets twisted and goes very very wrong.

CHUCK: I’ve read what Paulina has planned for *Wayward* and I love it! As I’m writing my story I’m building off of Sam and Dean’s falling out. We’ll get to see Dean’s rougher side, but he’ll bounce back and do what he does best. Without Sam around as his anchor, anything could happen.

We’re sure many fans do have their favorite between the brothers, but it’s so hard to choose. How did you two end up landing on which character you were going to handle? Do you have your preferred Winchester, did you flip a coin, or did editor supreme Nate Cosby see something special in your skills that seemed to align with one or the other?

PAULINA: Editor Nate chose, of course! I think he saw both of our strengths as writers and doled the boys out accordingly. For example: I really thrive writing sad, pathetic men searching for life’s purpose, so Sam Winchester is in very good hands with me. I promise you. I honestly love both of the brothers equally, so I’m just happy to be here with either Winchester.

CHUCK: Dean’s my favorite because he can really go to some dark places. He can also switch gears and be a very light-hearted character. He has a hard job, but enjoys life whenever he can.

Chuck, you’re taking Dean down to Mardi Gras in the streets of New Orleans, crawling with creepiness. Not particularly out of the *Supernatural* playbook, but what drew you to that setting and mythology? Voodoo is a pretty major element of your Eisner Award-winning indie series *Bitter Root* as well.

CHUCK: In the very first episode of the show Dean goes to pick up Sam to find their missing father. Dean tells Sam he was on a solo case, a voodoo thing in New Orleans. I’ve always wondered what happened. So I decided to start there and take Dean through the South where I grew up.

Meanwhile, Paulina, Sam is the one who has seemingly wronged his brother and set them off apart. Can you tell us a bit about where he’s coming from in your story and what is about to go down?

PAULINA: Sam’s actions in *Wayward*, like almost all of his motivations as a character, come from a place of him trying to do the right thing. Everything is for the greater good or the protection of his brother. Sam would self-sabotage himself into oblivion to save Dean’s life or keep him out of harm’s way any day of the week. And that’s kind of what’s happening here. Again. The ouroboros of brotherly sacrifice is part of the core of what *Supernatural* is anyway. In that sacrifice and separation the Winchester brothers must carry on and pick up the pieces they’re left with.

Welcome to Golarion! It's a world of swords and of sorcery. A place where adventurers tempt fate, monsters lurk in every shadow, and powerful beings seek ever more power. One of those beings, the vampire lord Zaloch, has performed a ritual to summon a being that will give vampires a new advantage against any who would try to destroy them – but to Zaloch's surprise, his ritual summons not a raging demon...but Vampirella. And then the monster hunters show up! There's chaos, dark magic, a life-and-death battle...and that's before we even mention legendary heroes Kyra and Merisiel! Roll the dice on a new adventure as Vampirella navigates her way through the world of PATHFINDER in this thrilling new four-issue miniseries by writer ERIK BURNHAM and artist FEDERICO DALLOCHIO
