Series Description:

Banished and bloodied, Jacques Du Lac survived the woods outside Fort Courage, but the nightmare followed him back. Rescued by the fierce warrior Longhunter and her unlikely band of exiles, Jacques is pulled deeper into The Vast.. When he inadvertently plummets into the Skinwalkers' lair he emerges changed and with a terrible understanding of what these creatures truly are.

Back inside the fort's walls, his wife Virginia and daughter Marie fight their own war, navigating the cruelty of the Council with quiet ferocity, But the walls of Fort Courage offer no real protection from the darkness without, or the men within..

New Orleans has no idea what it has brought in.

**New Orleans, 1732. Three women arrive against their will. The city has no idea what it has brought in. COFFIN GIRLS is a paranormal Gothic series set in colonial New Orleans — a world built on stolen labor, on the bodies of women, on flesh bought and sold. Three women bound by circumstance and a reawakened ancient evil, are about to unleash a nightmare the likes of which the city has never seen.**

**Presented as a stunning flipbook in black, white, and pink. Side A is written and illustrated by Joseph Schmalke (SEVEN YEARS IN DARKNESS, WE DON'T KILL SPIDERS, MURDER HOBO). Side B is written and illustrated by Megan Hutchison (HELLO DARKNESS, ROCKSTARS, ARCHIE COMICS: JUDGEMENT DAY)**

Imagine if spam were a physical thing, something you could actually touch. Instead of clogging your inbox, it took the form of an army of people relentlessly pitching useless products to you on the street, at the supermarket, on the beach, and everywhere else.

That's exactly what's about to happen to the citizens of Promonthia if Fergus fails his mission. Not that he cares about the fate of society, far from it. All Fergus wants is to keep his ex-wife, Ingrid, from taking his beloved '72 Mustang.

But he won't face this ordeal alone. He's saddled with a perpetually dangerous companion: his best friend, Marcel, whose legendary bad luck has earned him the nickname "The Cubeman." Marcel is the world's first Logo-Man, a man who willingly genetically modified himself to become the official mascot of the D-Cube Corporation.

Unfortunately, Marcel's catastrophic luck is tanking the company's profits, pushing D-Cube to the brink of collapse. That's why there's now a bounty on his head in Promonthia, a retro-futuristic city where advertising and marketing dominate every aspect of daily life.

EroTech blends workplace comedy, tech satire, and relationship chaos into a wildly unpredictable ride. Featuring unstable sex robots, office politics, questionable ethics, and a cast of lovable disasters, EroTech is a bold graphic novel comedy for readers who like their science fiction funny, chaotic, and just a little dangerous. Featuring the art of Geoffrey Krawczyk.

This mature comedy is intended for readers 18 and older.

Join Samantha Jenkins, new Silicon Valley CEO, and her team of misfit engineers and out-of-touch managers to release the new Model SEX- 6000 on time. The only problem is the robot doesn't know when to quit.

*Even the creep in the basement, Erick, is part of an insanely good subplot. Cape has intrigued me, and now I'm along for the ride...*

-Matthew Sardo, MFR

*A wonderful opening with sex, humor, great storytelling & unfortunate things getting stuck in places. This futuristic sci-fi is sure to get you excited in bed. If that's where you read, of course.*

From the New York Times bestselling author of over a dozen novels, including "California Bear" and co-authored with James Patterson, "Lion & Lamb" and "Billion-Dollar Ransom."

In 1949, a gruesome murder shakes the small town that's home to the notorious Aztec Hotel, once a Prohibition-era den for gamblers, drinkers, and sexual deviants. A mysterious killer dubbed the "Flower Arranger" mixes and matches the body parts of three victims—Violet, Rose, and Lily—in a grotesque display before vanishing into thin air, leaving the mystery unsolved for decades.

Now, over 70 years later, the owners of the Aztec Hotel claim to have solved the case and promise to reveal the killer's true identity to anyone who takes their special tour. Laney Gennaway, new to town and curious about the infamous local attraction, decides to join this once-in-a-lifetime tour but soon finds that someone—or something—will go to deadly lengths to keep the secret hidden forever, no matter the cost.

Trip into adventure with Nedd and Karter!

Legend has it that when the seven pieces of the Ever Star are brought together, all in its presence are granted their one true wish. This is an Ever Trip. Brothers Nedd and Karter have dreamt their whole lives of going on their very own Ever Trip...and now their van is loaded up and the time has finally come!

Along the way, Nedd and Karter create a band of friends and adventurers: Macha, the realest rollerblading bear, Mo, the mechanical monk and martial artist, Lex.e, the form-less artificial being (that's also very naturally intelligent), and Crys, the child of the illusive Mt. Colossus—a literal mountain! Traveling the digital streets of Network City or protecting the ancient roots of the Infinitree, the boys' journey finds the attention of Princess Roma, whose kingdom floats above the world in the AstroNova Constellation.

Can they collect all seven pieces of the Ever Star? Find out in this madcap road trip adventure with your new BFFs, Nedd and Karter, as they discover vibrant worlds, equip new friends, and encounter (and defeat!) random enemies in a road trip that's a real wish come true!

"Everything's Coming Up Roses" and Other Tales!

It's a windy, drizzly, icky day in Paris—but Rose LaVillant, a.k.a. Pigella, is determined to have a good time! And it looks like she's going to succeed—until an innocent artist gets akumatized and starts freeze-painting everyone in town! Can Pigella's positivity save the day?

Then, Adrien Agreste hosts a fashion show! It's going beautifully... until two of his models quit. He needs Marinette and Alya to help out—but Marinette can barely walk across a room in front of her crush. How will she manage a stage in high heels?! Can she channel her Ladybug confidence to put on a good show?

And when Marinette gets the blues, Alya comes up with the perfect way to cheer her up: a chronicle of the many times Ladybug has made a positive impact on people around her! It's a tour of Ladybug's most lovable qualities in "Ladybug's Top Five."

All this and more in the Miraculous Ladybug graphic novel series, influenced by the award-winning TV show and with chibi art from the Youtube shorts!

*Gargamel, Friend of the Smurfs* is the forty-first album in the Smurfs comic book series originally created by Peyo. This classic tale is written by Alain Jost and Thierry Culliford and illustrated by Alain Péral.

Master Homnibus meets Gargamel for the first time. Homnibus reveals that the formula for the philosopher's stone contained in his grimoire is false. Gargamel realizes that capturing the Smurfs will not allow him to produce the coveted stone and that he has therefore devoted years to this quest for nothing.

But the blue elves must face another threat: a biologist, Georges-Louis Bouffon, has decided to study their way of life at all costs. He begins to hunt them down. The sorcerer chooses to completely change his ways and help the Smurfs against this new peril.

Plus Johan and Peewit, Benny Breakiron and more!

Punk Taco is a loveable, space-taco who rocks out with his band of misfits spreading peace and love through music. While their songs bring joy to every corner of the universe...it also tends to land them in trouble from time to time, as Punk Taco always feels compelled to help those in need, no matter the odds against them. Friendship, empathy and compassion for all, are the key notes Punk Taco lives by.

### **The Award-Winning Adventure Continues!**

Punk Taco and his band of friends have been kidnapped and brought to a planet in an unknown part of the universe that is being threatened by a giant so enormous, that our heroes are the size of ants in comparison. Despite their small size and the impossible odds they face together, Punk Taco must inspire new friends and allies to stand tall, join forces, and let their voices be heard, before the giant destroys their planet. Action, adventure, and humor abound in this tale of inner strength, unity, and friendship created by the father and son team of Adam, Makana and Keola Wallenta.

PLUS: The origin of Punk Taco and more brand-new stories!

Imaginative artwork, galaxy-spanning adventures, and themes of friendship make this graphic novel shine.

-Kirkus Reviews

"Punk Taco is overflowing with action, music, and colorful characters, in addition to a delightful blend of meat, cheese, and vegetables. There's always room for tacos, even in book form, and Punk Taco will have kids coming back for seconds and thirds!"

—John Patrick Green, New York Times bestselling creator of the InvestiGATORS series

"Punk Taco is one of those rare books that BOTH parents and kids will enjoy with each turn of the page."

Claire's hive is in trouble! She and her sisters haven't foraged enough food to survive the coming winter. Now Claire, a lonely worker bee, has to keep up with the growing work demands or risk starvation.

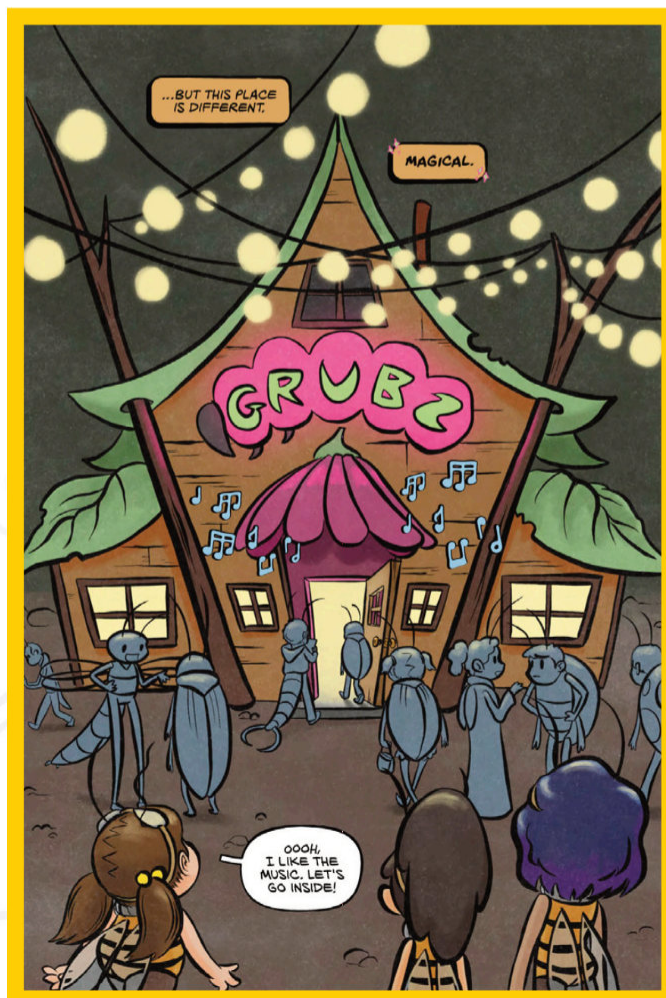

As if that's not enough, she must also avoid the neighboring hive's pesky drones, bee-hunting predators, and Nia, the Queen's bossy hive deputy.

And when Claire begins training her two sisters, Hannah and Abi, the pressures only increase. But it's through these struggles that Claire discovers what she's capable of... and much more.

More thrilling action from the future-shocked world of the 22nd century cop! Judge Dredd leads this month's Meg with the concluding part of "Rojimbo" by Geoffrey D. Wessel and Nick Roche, as Dredd attempts to stamp down the fool heel of the Law on the criminal elements of the city. We also head into the Lawman's past for a new one-off Mega-City 2099 story from Ken Niemand and Conor Boyle, as we witness the untold early case files of Dredd's younger years!

Rogue Trooper's latest adventures across the toxic planet of Nu-Earth continue in "An Iteration of Allies" by Andi Ewington and Sinu Senan, and the gothic horrors of Storm Warning head into darker territory! All this, and we return once more to the frontier colony of Badrock, as Metta Lawson and her crew attempt to enforce colonial justice in the far reaches of the galaxy!

Britain, 2019.

The secluded rural village of Harrowvale holds a dark past: years earlier, on a farm bordering the woods, a cult—led by the charismatic Jasper Hillman—sought to escape civilisation and find purity in the old ways, namely worshipping an ancient deity called Thistlebone. The cult's pagan beliefs grew so deranged that they kidnapped a young girl, Avril Eason, with the intention of sacrificing her. But Avril escaped... and now, so many years later, she returns to Harrowvale to face the demons of her past.

Haunting and visceral, the Complete Thistlebone collects volumes 1-3 of the acclaimed folk horror series by T.C. Eglington and Simon Davis.

## JUDGE DREDD: EVERY EMPIRE FALLS

### WRITTEN BY

Michael Carroll

### ILLUSTRATED BY

Henry Flint, PJ Holden, Paul Davidson,  
Colin MacNeil

### COVER ART BY

Tom Foster

Following the decimation of Mega-City One during Chaos Day, Judges from other 'friendly' Justice Departments have been brought in to strengthen the

ranks and help maintain law and order on the streets. Amongst the newcomers is Fintan Joyce - son of a former Emerald Isle Judge, who teamed up with Judge Dredd in one of the most fondly remembered Dredd stories. Exploiting the Big Meg's weakened state, several groups have risen up against the Judges, including the Goblin King's Undercity army and a mutant group lead by the monstrous Thorn, who have been attacking Cursed Earth outposts. Have the odds finally stacked up enough to spell the end of Dredd?

## JUDGE DREDD: LEGENDS OF THE LAW

### WRITTEN BY

John Wagner, Alan Grant

### ILLUSTRATED BY

Anthony Williams, Brent Anderson

### COVER ART BY

John Higgins

DC Comics take on Mega-City One's toughest lawman! Launched in late 1994 to coincide with the release of the 1995 Judge Dredd movie, Legends of The Law was a 13-issue series

published by DC comics and initially written by Judge Dredd co-creator John Wagner and his (then) writing partner, Alan Grant.

This book collects the first seven issues for the first time since their original publication. The madness and majesty of Mega-City One are perfectly captured in these full-colour, all new stories, Judge Dredd is presented with a host of colourful villains, including the organ-harvesting, musical-obsessed Dr. Bliss!

Orlok the Assassin is Back!

Judge Dredd thought that Orlok the Assassin, one of his most nefarious

enemies - responsible for infecting Mega-City 1's citizens with Block Mania during the Apocalypse War, and the murder of Judge Giant Snr - was dead. But Orlok appears to be back, and responsible for a shocking wave of murders. Even more troubling, Orlok is not alone, and is working with La Reine Rouge, a brutal Crimelord who is trying to take over Europe. Can Dredd stop the Red Queen's sinister plans before it's too late?

### COVER ART BY

Steve Austin, Quinton Winter

Judge Dredd is the top lawman of Mega-City One, but now it seems as though the end has come – he must face off against the Four Horsemen of the Apocalypse! Luckily he has an

unexpected ally at his side in the form of meta-normal cowboy killer Ichabod Azrael. The Dredd epic of the year has arrived as Rob Williams (Judge Dredd: Control) teams up with Henry Flint (Judge Dredd: The Small House) and Colin MacNeil (America) to bring you this revelatory tale of the harbingers of the Final Judgement facing off against Mega-City One's toughest Judge. This collection is rounded out with epilogue stories from Rob Williams, Arthur Wyatt, Boo Cook and Dan Cornwell.

You think you know her story. Chief Judge of Mega-City One, Barbara Hershey had been a powerful ally to Judge Dredd, until she became infected with

an alien pathogen and – supposedly – died. But little do the citizens and judges of Mega-City One suspect that Hershey's death was faked.

Now, join fan favourite character Judge Hershey as she embarks on a new adventure beyond the grave and beyond the walls of Mega-City One, to right the wrongs of her past and dispense justice! Critically acclaimed creative team Rob Williams (Judge Dredd, Doctor Who) and Simon Fraser (Judge Dredd, Doctor Who) tell a globe-spanning, gritty story of retribution.
