DEATH, RETCON, REBOOT, REBIRTH . . . IS THIS FINALLY THE END OF RICK AND MORTY?!

They’ve finally burned every bridge and alienated every possible ally. They’ve seen too much. They’ve DONE too much. This version of Rick has crossed too many lines. He can’t be allowed to continue. At least, that’s what the Parmesan Universe seems to think! And perhaps she is right. As Rick finds himself on the verge of annihilation . . . universes collide! Trillions of lives lost! But perhaps there is still hope—hope for Rick-demption!

Is there time to restore order? Can Rick really undo all the horrors he’s visited upon existence? Can we finally go back to pronouncing Parmesan correctly? The galaxy-sized summer event of 2025 is almost over . . . and creators Daniel Kibblesmith (*Loki*) and Jarrett Williams (*Speed Force*) will forever grapple with the aftermath!

A RICK AND MORTY VS. THE UNIVERSE TIE-IN EXTRAVAGANZA! Rollicking writers Daniel Kibblesmith (*Loki*) and Alex Firer (*The Onion*) and artist Fred C. Stresing (*Adventure Time*) run headlong toward [INSERT TOP-SECRET CLIMAX HERE] as Rick and Morty’s galactically gargantuan summer event pits Morty against Morty against Morty for all the marbles!

As Rick tries (and fails) to trigger a reboot of reality . . . where the hell has Morty been? Just fighting for survival in a teenage boy’s dream/nightmare—a real life battle royale for ultimate Morty supremacy against all the non-canonical Morties of this void in an eternal life-and-death game of Capture the Key—the key that will unlock the massive door in the massive wall that imprisons them all here while the Non-Canonical Ricks have their serious adventures.

Our Morty is smarter and more competent than these losers. He’s a REAL BOY. And he can be again . . . he just needs to get that key and escape!

WRITER/ARTIST/COVER TED NAIFEH

For over 20 years, the world of Courtney Crumrin—tween curmudgeon witch—has been brought to life by Eisner Award-nominated, *New York Times* best-selling author Ted Naifeh. Now, experience the hit follow-up, *The Crumrin Chronicles*, collected in one place for the first time!

Will Crumrin is just a normal boy—who happened to spend hundreds of years in the realm of the faeries. Now, with the help of his big sister, Courtney, he's attempting to navigate the scariest realm of all: high school. Facing down ancient, powerful vampires, dreadful forest spirits, and bullies of all sorts, Will slowly learns what it means to be human again—thanks to his best friend, Tucker, his erstwhile enemy, Cinnamon, and, of course, the girl who started it all, Courtney Crumrin herself.

This complete edition collects *The Crumrin Chronicles* trilogy, including *The Charmed & the Cursed*, *The Lost & the Lonely*, and *The Wild & the Innocent*.

COVER ALVIN EPPS

The incredible journey of activist Opal Lee—known as the Grandmother of Juneteenth—is brought to life in this biographical graphic novel that not only explores Opal’s remarkable path, but the history of the holiday of Juneteenth itself.

From the 1860s to Ms. Opal’s childhood home, from her years as a teacher to the White House, *The First Freedom: The Story of Opal Lee and Juneteenth* seeks to give readers an insight into the history behind one of the central figures in the creation of America’s newest federal holiday, Juneteenth.

Born in 1926, Opal Lee grew up in a racially divided America and dedicated her life to overcoming the obstacles presented therein. A lifelong educator, Ms. Opal has been a community activist all her life, and would take on the movement to celebrate and commemorate Juneteenth not just as a holiday, but as a symbol of comprehensive freedom for all people.

Ms. Opal’s life personifies the fight for everyday freedom that leads to lasting change. As the Grandmother of Juneteenth says, “There is so much more to do.”

Written by acclaimed journalist, producer, and author Angélique Roché (*My Super Hero is Black*) and drawn by a trio of talented artists—including Alvin Epps (*I Survived Hurricane Katrina, 2005: A Graphic Novel*), Bex Glendining (the upcoming *On Starlit Shores*), and rising star Millicent Monroe—*The First Freedom: The Story of Opal Lee and Juneteenth* promises to illuminate the life of a singular woman and the history of a momentous holiday, with additional back matter providing more insights into Juneteenth’s history and the making of this graphic novel tribute.

WRITER/ARTIST/COVER COLLEEN COOVER

Collecting Eisner Award–winning illustrator Colleen Coover’s scintillating tale of sapphic friendship, love, and orgasmic indulgence in one softcover volume for the first time!

Small Favors explores the playfully erotic romance between a highly aroused young woman, Annie, and the coquettish, pocket-size manifestation of her conscience, Nibbil. As a Cosmic Keeper of Annie’s Conscience, it’s Nibbil’s job to pull Annie’s mind out of the gutter—which is unfortunately the one place she’s bound (consentingly) and determined (begging) to stay herself. Encouragement turns to dripping excess as Annie and Nibbil learn that maybe all you can do in the face of temptation is give in to yourself . . . and your friends.

This collection includes the full-color eighth issue of the original run, early character sketches and extra comics, and an introduction from writer Kelly Sue DeConnick (*Bitch Planet*, *Wonder Woman Historia*).

From Eisner Award-nominated writer/artist Patrick Horvath (*Beneath the Trees Where Nobody Sees*) comes a brutal new vision of capitalism by combat . . .

In the future, the World Finance League exists to benefit all, randomly choosing those from among the billionaires and trillionaires of the world and presenting them with a choice: Either donate half of their assets to the common good—or defend them in ritual combat.

Reigning champion and real estate magnate Ted Brooks has 22 victories under his belt—defending the wealth he schemed and stabbed to get—when he is forced to face his ex-wife, Luella Dominguez, in a fight to the death. Luella has been training, waiting for this moment. But will she have what it takes to defeat the man who would do anything—absolutely anything—to keep his fortune? It's every shareholder for themselves when death and bankruptcy collide!

Join Geronimo Stilton, investigative reporter and Editor-in-Chief of New Mouse City's biggest newspaper and blog, The Rodent's Gazette, as he and his crew seek to uncover truths and grab headline stories. Thea Stilton is worried that Geronimo may be living the lonely bachelor life. With Ben's help, they sign Geronimo up for a dating service to find the rodent of his dreams. But what happens when the service gives him the most unlikely match and who will save them from the devious water pirates?! Next up in "Top Model Thea," Geronimo is entrusted with the latest fashion secret from top designer, Felipolino, but Sally is after the information and she uses every dirty trick she can to get the scoop for herself and leaves Geronimo fighting to clear his good name! It's up to Buggy Wugsy, Thea, Trap and Benjamin to infiltrate the world of fashion and help clear Geronimo's name. Lastly, Geronimo and the gang set sail in the arctic seas to help his old friend Professor Ranoble with her ice research in "Attack of the Killer Whale." But the captain of their ship may be up to something big, especially with frequent orca attacks. Can Geronimo and his team help save the day before it is too late? The Mongoose

by Joana Mosi

the mongoose
joana mosi

In a lonely house by the sea, a woman is haunted by ghosts unseen and memories unspoken.

In the aftermath of a devastating loss, Julia finds herself living with her unemployed brother Joel in their grandmother's beach house, haunted by ghosts unseen and memories unspoken. But when her nascent garden plot is destroyed one night, Julia becomes obsessed with finding the culprit... A mongoose who's existence no one else seems to believe in.

A powerful tale of grief, *The Mongoose* is stunning, formally-inventive graphic novel in the vein of Nick Drnaso's *Sabrina* and Richard McGuire's *Here*.

"Mosi thoughtfully and compassionately follows Julia's halting journey through the stages of **grief and mourning**, coming to terms with difficult emotions, and learning how to unpack the symbolism that only comes with overwhelming preoccupation, brain fog, and loss. A **poignant portrait of mourning, grief, and recovery.**"

Carlos Ezquerra

An often unsung titan of the industry, Carlos Ezquerra's influence has been as broad as his artwork was inimitable. His co-creation of Judge Dredd and powerful work on Strontium Dog alone helped establish 2000 AD as a powerhouse and him as a comics master. When he passed away unexpectedly in 2018, comics was robbed of one of its most vibrant, dynamic

and powerful talents, yet his legacy is almost unparalleled in the industry. Publishing as part of 2000 AD's 45th anniversary celebrations, this 240-page hardcover collection spans half a century of his comic work and is ideal for both long-time fans and those looking to discover his work for themselves. from his early art to his greatest creation, Judge Dredd.

Judge Maitland has a plan to lower the crime rate of Mega-City One: divesting funds from the Justice Department into education and services that would benefit the average citizen. She is given one year to improve one sector of Mega-City One; one year to succeed, and create a better world. But when her plan begins to work, and the Justice Department decides

to roll it out over ten more sectors, citizens like vid-news mogul Robert Glenn and Judge Hernandez - who have a vested interest in keeping the status quo - step in to spoil the experiment using whatever means are at their disposal. Writers Rob Williams and Arthur Wyatt, with artist Henry Flint, craft a taut political thriller that challenges readers to reassess what they think of the world of Dredd.

GHOSTS TP

Previously Offered thru Other Distributors

From Raina Telgemeier, the #1 New York Times bestselling, multiple Eisner Award-winning author of *Smile*, *Drama*, and *Sisters!* Catrina and her family are moving to the coast of Northern California because her little sister, Maya, is sick. Cat isn't happy about leaving her friends for Bahía de la Luna, but Maya has cystic fibrosis and will benefit from the cool, salty air that blows in from the sea. As the girls explore their new home, a neighbor lets them in on a secret: There are ghosts in Bahía de la Luna. Maya is determined to meet one, but Cat wants nothing to do with them. As the time of year when ghosts reunite with their loved ones approaches, Cat must figure out how to put aside her fears for her sister's sake -- and her own. Raina Telgemeier has masterfully created a moving and insightful story about the power of family and friendship, and how it gives us the courage to do what we never thought possible.

FACING FEELINGS HC INSIDE THE WORLD OF RAINA TELGEMEIER

Spend an afternoon with Raina as she shares her artwork and tells stories about a range of topics spanning from her childhood to the creation of her graphic novels *Smile*, *Sisters*, *Guts*, *Drama*, and *Ghosts*! Raina Telgemeier is the #1 New York Times bestselling, multiple Eisner Award-winning cartoonist who has been at the forefront of today's middle-grade graphic novel boom and has published several beloved books that are widely regarded as modern classics. The idea to create *Facing Feelings* was born from an exhibition featuring Raina's work that was shown at The Ohio State University's Billy Ireland Cartoon Library & Museum. This book explores how Raina developed into a legendary cartoonist, looks at the artists who influenced her work, and considers why her art resonates so strongly with readers of all ages. Mature Readers

A devoted android traverses the memories of their missing partner in this science fiction comic perfect for fans of thwarted love and surreal art.

Alfie and Caroline are celebrating. Tomorrow, they'll go down to the enormous red desert planet they're orbiting, restart the electric dynamo at the planet's core, and create a new habitable planet for humankind. Tonight, they kiss over hot toddies and rest knowing their mission is nearly complete.

Yet when Alfie awakes the next morning, Caroline is nowhere to be found. Alfie descends to the barren planet and discovers a tear in the spacetime continuum, allowing them to clamber into Caroline's memories in search of her. As they chase an elusive Caroline through time, they receive more questions than answers — why won't she let Alfie find her, and who is this other stranger in her memories?

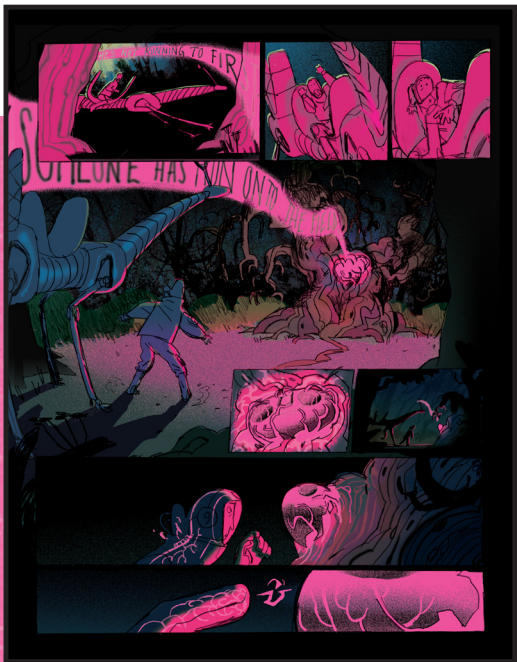

Debut author ansel kite weaves a twisting tapestry of identity and love in this time-travel romance.

"A remarkable debut, Electric Cowboy explores the Wild West of love and loyalty, which is as romantic as it is horrifying, and as beautiful as it is painful."

INTERVIEW SPECIAL!

With both the brand new *Little Nightmares* comic series and video game coming out in October, this seemed like a perfect opportunity for comic editor Phoebe Hedges to chat with one of the architects pulling the strings on the franchise, Lonnie Nadler!

LONNIE NADLER - NARRATIVE DIRECTOR *LITTLE NIGHTMARES*

PH: Writing a comic based on a hugely successful video game series must be a daunting prospect. How did you approach it?

LN: I have so much respect for the deep and haunting world Tarsier created, and it felt so close to much of my personal writing work that it wasn't daunting so much as it was an honor. I played the games a lot while writing this and read over Tarsier's lore bible several times to try and fully understand their world and how they told stories within it. First and foremost I wanted to make sure I nailed the dreamlike tone and tried to use the tools of the comics medium to create equilibrium between this series and the games. For the part of the story set in The Nowhere I didn't want any dialogue, so I focused purely on visual storytelling in the script, and tried to create empathetic characters just through actions and mise-en-scene. The Counties part of the story was a bit tougher since it had not been explored before in the games. But I wanted to make sure that reality had an equally strong sense of atmosphere and mystery that was different from The Nowhere but still felt part of the same story world.

PH: The comic features a story centered around the Counties. This location was part of *The Sounds of Nightmares*, an audio fiction series in the world of *Little Nightmares*. How different is it telling stories across two different mediums?

LN: One of my favorite things about writing, and my job as *Little Nightmares* Narrative Director, is that I get to play in several mediums. To me, it's all storytelling at the end of the day, but each medium comes with its own unique set of tools and restrictions, all of which are beautiful in their own right. It brings me so much joy to figure out how to translate a world like The Counties into different

narrative formats, always trying to make sure there is a consistency of atmosphere, voice, and vision. I really hope readers will fall in love with The Counties as much as they have with The Nowhere as it's equally full of mysteries and odd occurrences.

PH: How does *Descent to Nowhere* tie into the wider game series?

There are a lot, and I mean a lot, of little details, some hidden and some overt, that link *Descent to Nowhere* to other *Little Nightmares* stories. And not just the games. There are links to the podcast, and even to future stories that haven't been announced yet. I'm really hoping that this series can live in the fandom for years to come. I hope they won't find all the connections between stories right away, but I also know how diligent they are in searching for these parallels. Even if there is one hidden detail that goes uncovered, I'll be happy.

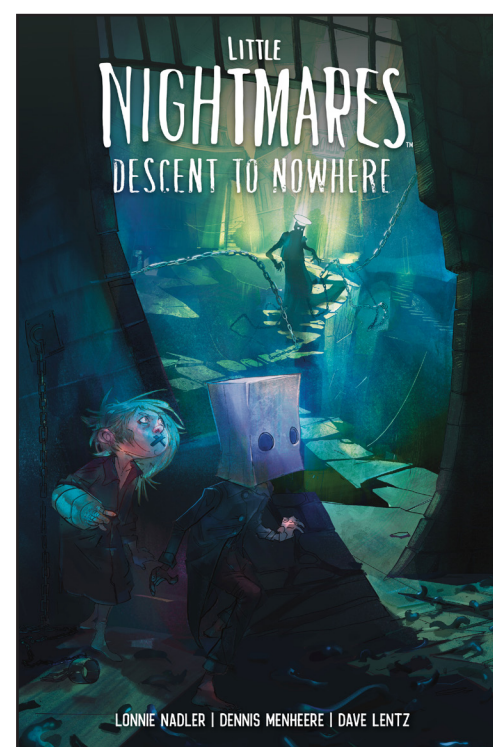

PH: The *Little Nightmares* series has always been unique in its approach to horror; how do you balance the childlike perspective whilst also writing a story with adult characters?

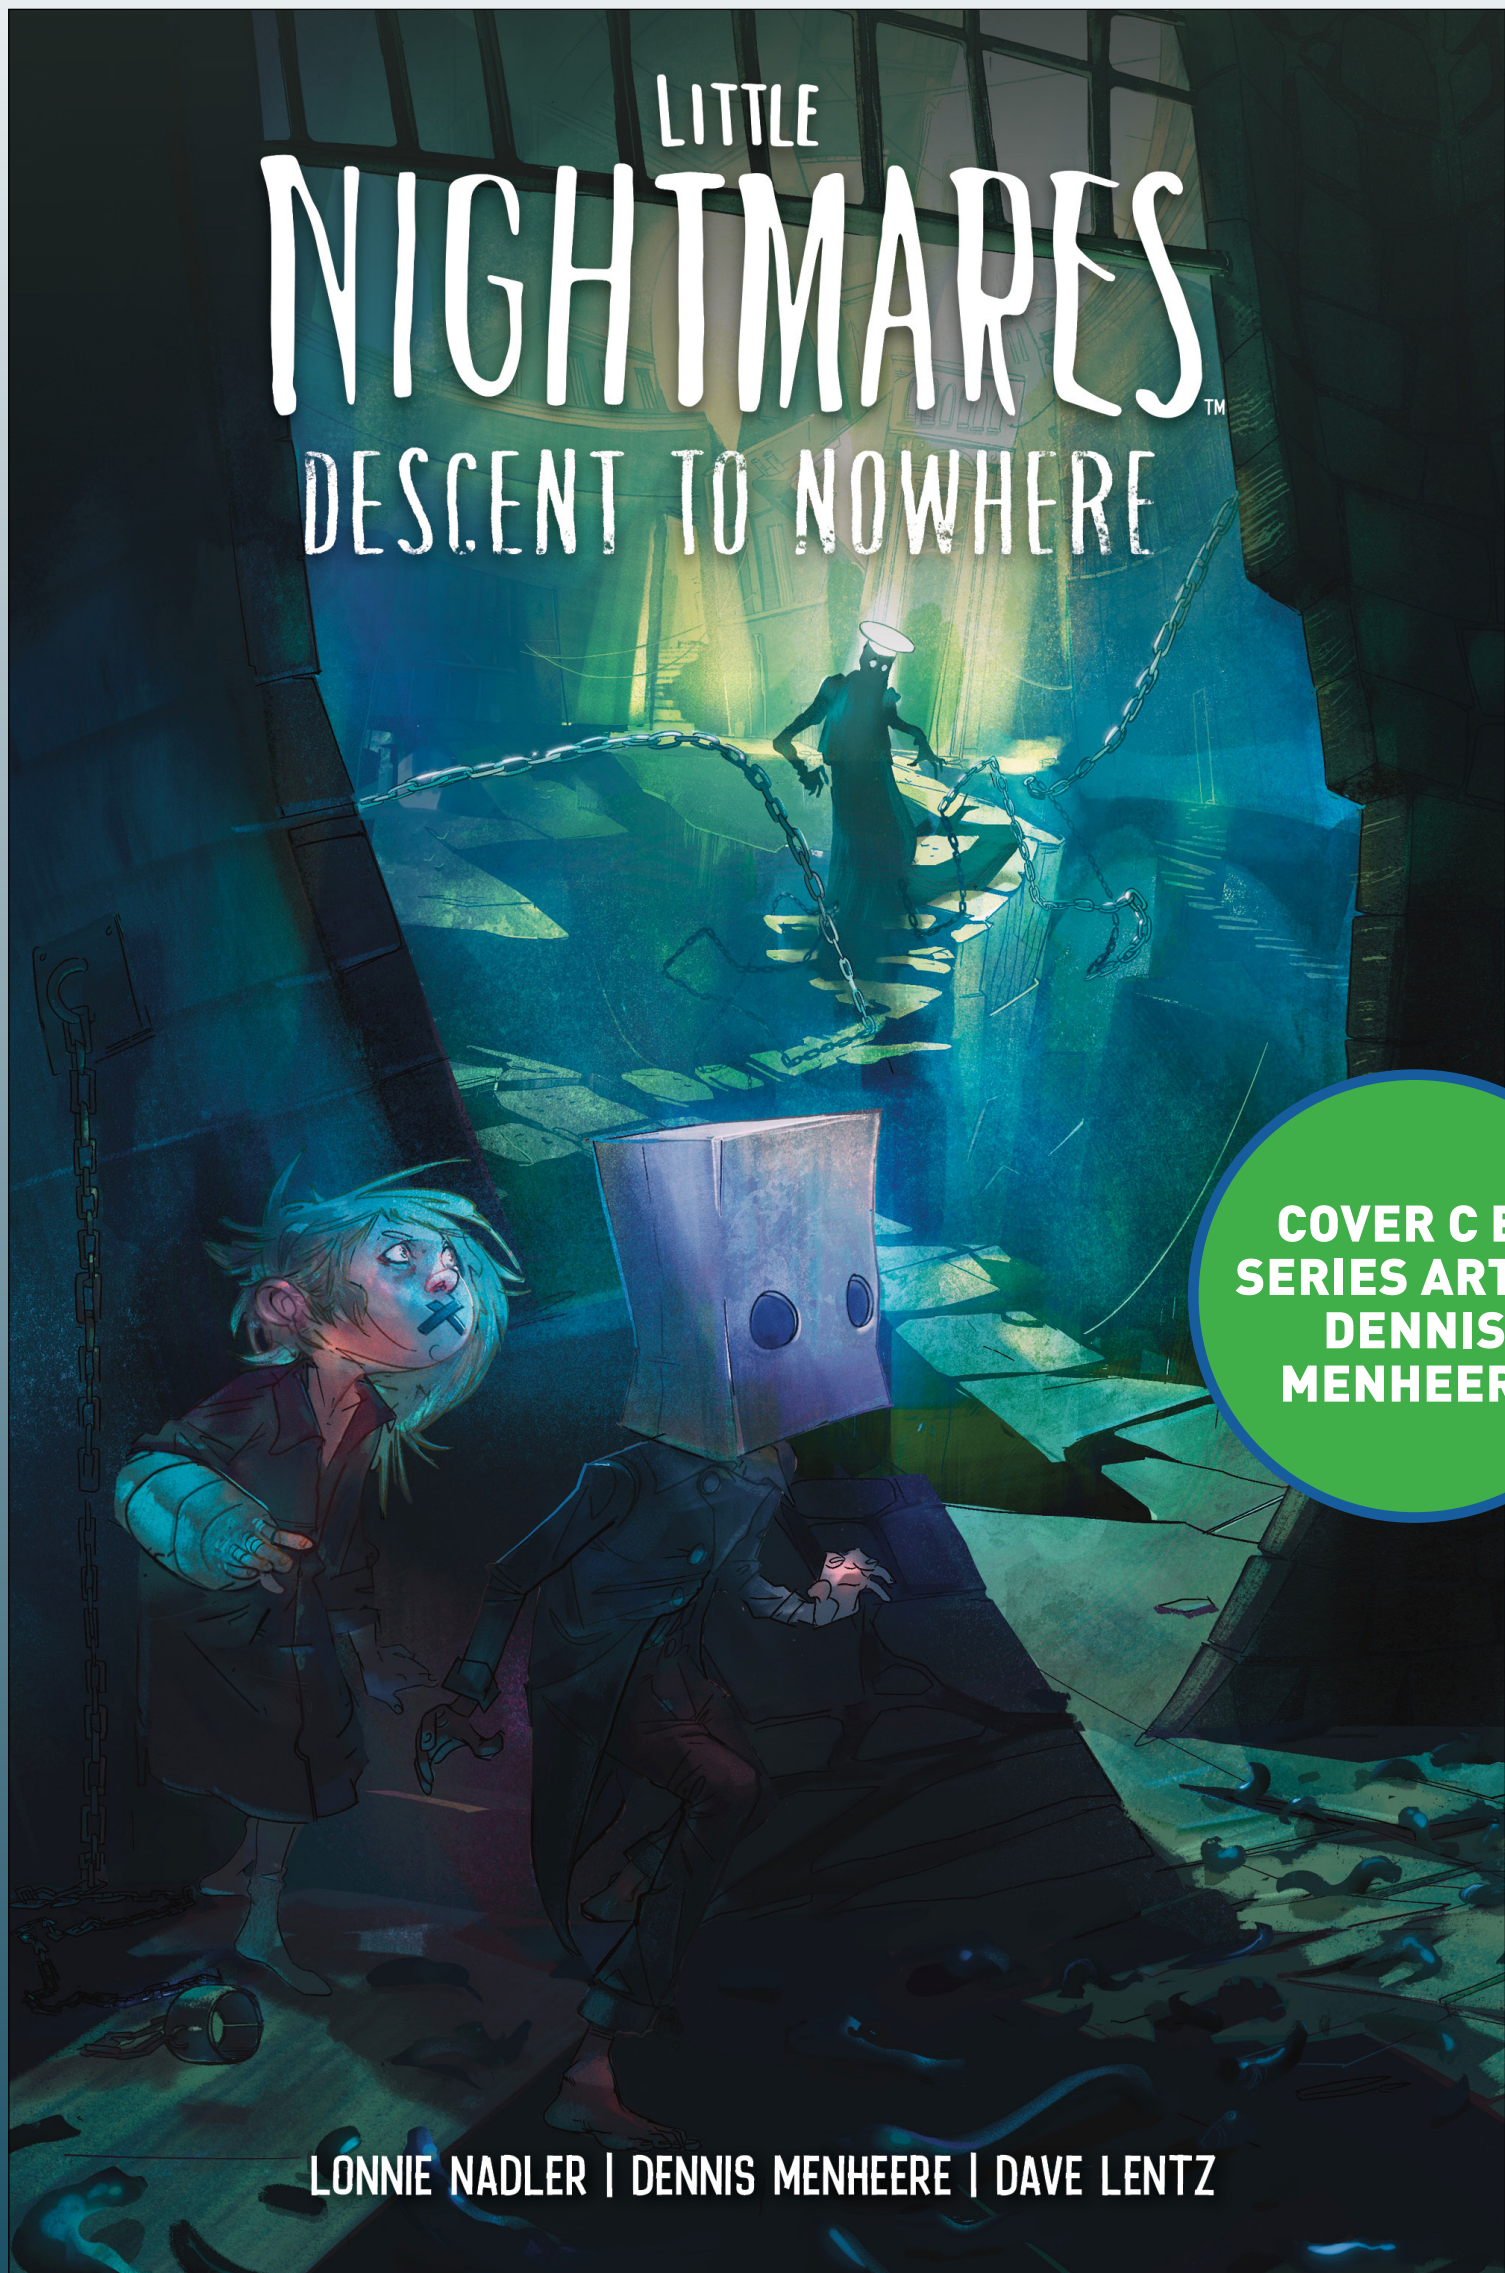

LN: You nailed it. I think this is the most challenging part of telling stories in the *Little Nightmares* world. It's a brand of horror that is very unique and considered. While most contemporary horror comics tend to be very in-your-face, the key with *Little Nightmares* is not to ever go into overt gore, and to always strive for subtlety and implication over affectation. We want to create this sense of, "Is that really what I think it is?" which is essential to the oneiric quality of the horror. And I think that lack of certainty, the lack of answers, is always what makes this a story about kids, but not for kids. It aids with the child's perspective aspect of the The Nowhere. Kids look at the world and have no answers. They

simply accept it at face value, for better or worse. At the same time kids have vast imaginations and open themselves up to unreality in a way that adults seldom do. Trying to bring that youthful dream logic into the narrative is also a focus of mine.

PH: The art and covers for this series are truly spectacular, and crafted with great care - would it be fair to say *Little Nightmares* is a series where there's a story in every detail?

LN: Absolutely. My scripts for this series were admittedly dense and long for exactly that reason. I wanted every panel to be meaningful. I wanted every page to have weight. I wanted readers to feel that there are all kinds of secrets in this book to uncover. Thankfully, Dennis really took to that aspect of the scripts and was able to breathe life into the environments, characters, and mysteries. He's a very dynamic artist and I think having his aesthetic sensibility mixed with this cold, cruel, uncanny world creates a nice dichotomy in *Descent to Nowhere*.
