MIDNIGHT X-MEN

A forced peace following a quiet war that remade the Earth's predator-prey ecosystem. Shadows are longer. The night lingers. Lines are firmly drawn. Humans. Mutants. Vampires. And something worse.

MIDNIGHT FANTASTIC FOUR

A n origin story. A cracked-mirror version of the characters you think you know. The monsters they confront individually will bring them together into a team devoted collectively to battling cosmic and eldritch terror. Stories about cults. Scientific and occult mysteries. Nightmares who live among us, and the dark gods who want to swallow us whole.

MIDNIGHT SPIDER-MAN

With Great Power Comes Great Responsibility. Peter Parker believes that in his heart. But life has taught him a different lesson. Power Makes Monsters. Peter dreams of becoming powerful himself, to prove it is possible to wield power responsibly, perhaps even heroically. When he finds himself within a monstrous oligarch's obsession with immortality, his newfound power makes him a monster. His once hopeful dreams now become a desperate attempt to reclaim his humanity before it is lost forever.

The classic anthology is collected in its complete form!

As Marvel approached its 50th anniversary, the company launched a bold new series that echoed the variety and excitement of its earliest comics. MARVEL COMICS PRESENTS delivered a twice-monthly burst of high-energy storytelling, showcasing characters from across the Marvel pantheon. Top creators fueled the anthology: Claremont and Buscema unleashed signature Wolverine action — while Gerber, Moench and McGregor returned to Man-Thing, Shang-Chi and the Black Panther, respectively. The series also surprised readers with rare work from legends like Steve Ditko and Dave Cockrum and gave heroes such as Havok and Colossus room to shine. Fast, experimental and packed with surprises, MARVEL COMICS PRESENTS defined late-'80s Marvel. This series has never been collected in its complete form, and our continuing series of Omnibus volumes will reprint every page! Collecting MARVEL COMICS PRESENTS (1988) #1-25.

The Sentinel of the Spaceways returns to Earth with sad news for the Fantastic Four about the death of Nova — and faces the flaming-mad fury of a grief-stricken Human Torch! But soon the Surfer and the FF must join forces to face shocking enemies beneath Monster Island! What does all that have to do with the Hulk?! Life takes a happy turn when the Surfer and Nova are reunited! As they return to the stars, will he finally pledge his soul to her? Or will Norrin Radd's hopes of happiness be shattered once again? Things won't get any better when he returns to Zenn-La to find Shalla-Bal in the arms of another! His torment too much to bear, he turns to Galactus, but will the World-Eater grant him his wish to be the Silver Surfer no more? If he won't, maybe Doctor Doom will! Collecting SILVER SURFER (1987) #93-110 and material from COSMIC POWERS UNLIMITED (1995) #1.

WRITTEN BY PETER DAVID, BOB HARRAS & STEVE ENGLEHART

PENCILED BY JEFF PURVES, DAN REED, ALEX SAVIUK, KEITH POLLARD & HERB TRIMPE

COVER BY JEFF PURVES

Bruce Banner's most startling transformation yet!

Someone is trying to take down the biggest mob boss in Las Vegas. But the gangster's bodyguard is big and angry, with gray skin — all of which "Mr. Fixit" has in common with the currently missing Hulk! Soon Hulk's life as a Vegas leg breaker is interrupted by a circle of cyborgs and the Amazing Spider-Man! Next up is the triple threat of the Thing, Doctor Doom and...the green Hulk?! Magical wizards and Maggia goons keep Joe's oversized hands full, and the golden god-man Glorian wants to give Hulk an emotional makeover — but the mysterious Mister Cloot thinks they'd both look better in demon red! As things take a hellish turn, the nightmares and despair continue in a battle for Betty Ross' soul! Peter David's remarkable run continues as the Hulk goes after gangsters, ghouls and the Grey Gargoyle! Guest-starring Iron Man and Werewolf by Night! Collecting INCREDIBLE HULK (1968) #347-363, WEB OF SPIDER-MAN (1985) #44, FANTASTIC FOUR (1961) #320, and material from MARVEL COMICS PRESENTS (1988) #26 and #45.
