

# Help grow good in Glencoe.

We know you care about Glencoe. Us too! We're committed to building more beautiful amenities and programs that will continue to make the Glencoe area a great place to live and work for generations to come. Learn more about causes we've awarded grants to at [glencoeareafoundation.org/ourwork](https://glencoeareafoundation.org/ourwork).

We're asking local business leaders and community members to help fuel our mission and enhance our grant capacity. Grants are made possible with the earnings on our endowment. When our endowment reaches \$150,000, we can make approximately \$6,000 in annual grants. And when it reaches \$500,000, that grant amount climbs to \$20,000! The larger the endowment, the more funds we can invest back into the community every year, forever. Our goal this year is to raise \$20,000, which will grow our endowment past \$150,000. Help us meet our goal by making a tax-deductible gift to the Glencoe Area Community Foundation before **Dec. 31, 2025**.

## Many ways to give!

Find the giving option that works best for you.

### Cash or check by mail

GACF P.O. Box 294, Glencoe, MN 55336
