## **Automotive Technician — Steady Hourly Pay, No Flat Rate**

Mountain Line Transit Authority — Morgantown, WV

Full-Time | 4-Day Work Week | \$25.11/hour (\$52,228.80/year)

The whole town rides on your work. At Mountain Line, our mechanics keep the fleet—and all of Monongalia County—moving. Unlike flat-rate shops where your paycheck swings with the workload, this is a steady hourly wage you can count on, with a four-day/ten-hour schedule and a full benefits package. You'll join a tight-knit shop where the team relies on each other and takes pride in doing the job right.

### **What you'll do**

- Diagnose and repair gas and diesel engines, transmissions, drivelines, axles, and transfers
- Service electrical, brake, air, and hydraulic systems
- Handle mid-level repairs (no overhauls) and minor fabrication with torches and welders
- Respond to occasional road calls and keep accurate service records
- Pitch in with the team on shop upkeep and seasonal needs

### **What we're looking for**

- High school diploma or equivalent
- Ability to obtain a Commercial Driver's License (CDL) with passenger endorsement—we train for this, no need to have it when you come onboard
- Ability to lift up to 100 lbs and work in a shop environment
- A dependable, team-first attitude—someone the crew can count on

### **Nice to have**

- At least 5 years of mechanical experience on cars, trucks, and heavy equipment
- WV Motor Vehicle Inspection License
- Diesel school, GMC, Ford, or Allison Transmission certifications
- Heavy equipment shop experience

### **What we offer**

- \$25.11/hour — steady hourly pay, no flat rate
- Four 10-hour days
- 8 paid holidays, 80 hours vacation, 96 hours sick leave
- Full benefits and a stable, team-oriented shop

Apply today at [Busride.Org](http://Busride.Org) and bring your skills to a team that values dependable, quality work.
