Parish Mission Statement

In fidelity to Jesus Christ, in 1858 Irish and German immigrants founded St. Patrick Parish—the Mother Parish of South Bend—and in 1877 Polish immigrants founded St. Hedwig Parish—the Mother Parish of the Polish Community of South Bend. Saint Patrick Parish and Saint Hedwig Parish combined as one parish with two historic churches on August 22, 2024. The Parish sets to the western edge of Downtown South Bend in the West Washington National Historic District. As a faith community, we seek to bring the gifts of these two traditions together as one in the Roman Catholic Rite—to proclaim the Gospel and to celebrate the Eucharist in order to strengthen our resolve and to seek to live the Gospel message and so enrich our lives and the lives of others, our neighborhood, and our workplaces.

Sound System

A demonstration of a new sound system will take place at St. Patrick Church on October 25th
11:30 am - 12pm
6:30pm- 7:00 pm

Dear Friends,

As you know, because of the generous commitment of those who supported it with prayer and financial contributions, we have reached our goal for a new sound system. Praise God! I trust that soon this will mean a better experience for all who attend Mass at St. Patrick Church, without having to struggle to hear or deal with feedback. I would like to let you know that, since I first announced the plan and started inviting contributions back in the summertime, a new option has come up - John Lindstedt, owner of a company called Last Pew Sound, based in Niles, has examined our space and made a proposal. I have contacted a few pastors in the diocese and they are happy with his work. He also offered to do a demonstration to give you an idea of what his proposal would sound like. That is what you are hearing today, October 25th (that is if all, please God, goes as planned). I asked the original company if they could also do a demonstration so we could then choose the one we liked better, but they declined. So I am asking you to give me feedback (so to speak) on what you hear today. Could you hear? Was it too loud? What adjustments would you suggest? Keep in mind that this is a demonstration with portable equipment, so the final installed product should sound even better than what you hear today. Thank you again for your support of this project, and let us thank God together that we are very close to having better sound at St. Patrick church!

God bless you.

- 10:30am Mass Schola needs Tenors & Basses (sing chant and polyphony in English and Latin with a full choir at St Patrick!)
