THANK YOU FOR YOUR OFFERINGS!**PARISH / COMMUNITY NEWS****SUNDAY REFLECTION**

The ending of today's Gospel speaks about "the new and the old." Jesus is saying that a person "instructed in the kingdom" has wisdom both old and new; in other words, that person learns from the past as well as from the present. Let's look at each of those. We learn from the past by studying it. So the wisdom of the kingdom comes first from the scriptures. The more familiar we are with the word of God, the more wisdom we possess. We can also learn from the lives of the saints and writings of the Church. If you only have time to go to Mass on Sunday, just listening to the homily can help to apply the scriptures to your life. One way we can learn from "the new" is to learn from our mistakes. That includes learning from our sins. When we are truly sorry, we make an effort to change our ways. We can also learn from the mistakes and the successes of our friends. As we share our faith with them, we share the stories of our lives, both good and bad. God can speak to us through a friend or relative whose advice we seek. A truly wise person is one who has received a lifetime of good advice.

The Sanctuary Light lit this week is offered for the Soul of ✠ Anita Vallejo. Eternal rest grant unto her, O Lord, and perpetual light shine upon her. Amen.

La Luz del Santuario encendida esta semana es ofrecida por el alma de ✠ Anita Vallejo. Concédale Señor, el descanso eterno, y brille para ella la luz perpetua. Amén.
