Why did Jesus walk on water to the disciples in the boat? Did he want to scare them? No, his first words to them were "Do not be afraid." While they were being tossed by wind and waves, he showed them that he was not affected by the storm. If they had had faith, they might have realized that if Jesus was safe, they would be, too. We too must make that leap of faith, especially when we are afraid. Our growth in faith is not a steady progression. For every two steps forward, we may take one step back. For example, we become ill or wreck the car, and think that God has abandoned us. But isn't that a natural reaction? It is natural to doubt God in times of trouble, but we are choosing to live in the supernatural when we become followers of Christ. Like Peter, we can lose our focus on the Lord. We see someone we love who is gravely sick. We make a serious mistake that gets us in trouble. Faith tells us that though apparently invisible, God is more real than anything we can see. Remember Jesus on the cross saying, "My God, my God, why have you forsaken me?" The Father never abandoned his Son and God will never abandon us.
