

THE PARISHES OF SACRED HEART AND DIVINE MERCY

Dear Confirmation Candidates and Parents,

Welcome to Year 2 of our Confirmation Preparation Program! We are so grateful for your continued commitment and support, and we are excited to walk with you as you take this next step toward receiving the Sacrament of Confirmation. This is a special and meaningful time, and we look forward to all that God will do in your hearts throughout this year.

As we move through the summer months, please remember that students are expected to continue participating in Mass each week and signing in regularly. If you are traveling, be sure to attend Mass at a Catholic church and bring back a signed bulletin as verification of your attendance.

As part of Year 2 preparation, candidates are also asked to begin completing their service requirement. A total of 15 service hours is required during this second year, for a cumulative total of 30 hours across both years of preparation. You may begin working on these service hours starting today. Please use the attached service log to carefully document all completed hours and have them signed as required.

Attached you will find the schedule for the 2026–2027 year. This schedule includes our Sunday sessions, direct preparation sessions, luncheon with the pastor, and our annual retreat. Please note that all dates are subject to change.

Thank you again for your dedication to this journey of faith. Know that you are in our prayers, and we look forward to a wonderful year ahead!
