The facility owns and operates its own crematory, ensuring the entire process is handled locally. Unlike other funeral homes that may subcontract cremation, this service keeps your loved one under local supervision, ensuring they never leave our funeral home's care. This approach is presented as a key differentiator, providing families with the peace of mind that their loved ones remain in our care throughout the process. at Freeman Family Funeral Homes and Crematory, we do not cremate for other facilities. ☞
