State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. either a grave liner or a burial vault will satisfy these requirements.

The vault company's setting/labor fee is \$375.00 Monday-Friday until 4:00 PM; an additional \$475.00 for Saturday services and \$575.00 for Sunday services.
