

# ZINFANDEL ROSÉ

## 2020

### TASTING NOTES

A perfect bright pink in hue, this 2020 Rosé has aromas of red fruit with a crisp finish to leave you wanting more. With bright flavors and fresh fruit aromas including wild cherry, strawberry, and watermelon, this was a fan favorite! It has low residual sugar levels than most blush wines, and is considered to be a dry blush wine, resulting in a crisp yet fruity finish.

### WINEGROWING NOTES

The California Central Valley is ideal for growing Zinfandel grapes. It has a warm growing season and fertile soil, which are well suited for this popular varietal. Following a direct press off the skins, we are able to shorten the maceration to ensure a light pink color!

### 2018 VINTAGE

The 2018 year for grapes came with ideal weather. With a slow start to winter, the ample rainfall made up for it as the rain continued into spring. The consistent temperatures created another great year for the Central Coast Merlot.
