ALL ABOUT ANGELS
BY
MARY SILVERNAIL,
PSYCHIC
ASTROLOGER:

Leo is the fifth sign of the zodiac with the Sun as its ruler. Gold is the color associated with the sign of Leo. Leos are the proudest sign of the zodiac. Many times they are “proud to a fault”.

Other characteristics of Leo are loyalty, faithfulness and they can be a bit shy. Many performers are born under the sign of Leo. Leo rules the heart and all matters concerning the heart. Their gems are gold and rhodochrosite.

The **Lions Gate Portal** opens each August 8th (the eighth day of the eighth month) at this time there is an alignment of the stars that increases cosmic energy flow between the physical and spiritual realms. It is related to the Egyptian pyramids and has been observed for thousands of years. There is a sudden rise of souls awakening. A leap in the collective consciousness.

We are moving through a deep evolution of our consciousness which is part of our soul’s journey. We can move beyond any limitations placed upon us before by ourselves or others. It is a time of soul evolution. A magical high vibration time of high levels of energy and strength!

August 9 – Aquarius Full Moon – a humanitarian awakening to answer the needs of others brings about community, friendship as well as impartiality. A quest for more meaningfulness of our goals can cause a bit of stress which will pass as inspiration prevails making way for promise and hope.

August 11 – Mercury Direct – clearing up communications and delays.

August 23 – Virgo New Moon – is creating a clean slate for a fresh new beginning.

Inspiration from creative new ideas offer opportunities never dreamed of before. Go with it!

Archangel Domiel

Especially in this difficult current market, if you are faced with having to find a new place to call home, which this in itself is one of the highest stress factors that a person can deal with in their lives, here is how the Angels can be of assistance.

It is imperative to try as hard as you can to view this as a new beginning instead of an ending. It is such a wonderful adventure to move to a new location and meet new neighbors. It can open up all new avenues in your life and opportunities that had never been presented to you before. If you or someone you know is faced with this transition, it is a time to call upon the help of Angel Domiel.

Domiel will first help you to find a new home that is right for you and your family. Then he will help you to find the joy and happiness in the experience of a new location.

Even if you are a first time home buyer or apartment renter, call upon Angel Domiel to help you find the perfect home for you. You can say a prayer to him to help you with this and he will immediately come and assist you.

Remember, life is constant change. Without experiencing changes in life it would not be the wonderful journey that it is.

I help people everyday in my office to deal with life situations that require change. Sometimes it is helping them change an unwanted

This is a time of great potential for raised consciousness with Pluto forming a sextile with Saturn and Neptune which then forms a sextile to Uranus, the planet of great change. This is a challenging configuration of planets prompting a need to get more grounded and work on the opportunities that the universe has inspired us to implement into reality.

This is also a time of taking care of health and wellness matters.

August 28 – Uranus Sextile Neptune – a time of finding illumination and freedom to follow your intuition. This is a time to pursue your dreams.

Saturn, Neptune and Pluto continue to be retrograde throughout August.

habit, such as smoking or overeating, through hypnosis. Or it maybe that I help them through a life changing event that has been out of their control.

LOVE

by Kirsten Sciallo

As the Summer months wind down, and the pace of the summer seems to come to a standstill, reflect on all of the wonderful experiences that you just had. Be thankful for the little things such as spending time with family, friends, and your pets. Be thankful for the nights that you got to shut the alarm clock off and get an extra hour of rest. You deserved all of the downtime that you had and hopefully your batteries are recharged for a healthy and prosperous new school year. Remember that it will never be about what you have, it is always about who is in your life. Surround yourself by people and things that lift you up to your potential and imagine all of the great things that you can accomplish. This can be an entirely new school year/experience for you. Use your good intentions and be mindful of

your thoughts and hopes for yourself. Before you know it, you will be headed in the direction of your dreams. Challenge your brain and your ability to fulfill your deepest desires and goals. Any step forward, is a step in the right direction. Well wishes for a prosperous school year met with all things of love and light.

Light and Love,
Kirsten
