ALL ABOUT ANGELS BY MARY SILVERNAIL, PSYCHIC ASTROLOGER:

Archangel Gabriel

Archangel Gabriel is the Angel most associated with the holiday season. He is known as the Messenger of God throughout most religions. He is the one in the Bible who came to Mary to tell her of the miraculous coming of her Son. He is also the one that is to be the messenger on Judgment Day and will blow his horn for all to come. His name means "the strength of God". He represents hope, joy, purity, order and discipline. Who better can we call upon during the holiday season then Archangel Gabriel to bring us the joy we so desire?

As we all realize the world is not in the best of times, this is the perfect time of year to connect with the Angels in order to bring the hope and joy that is so much needed.

We see Christmas cards, ornaments and decorations of all sorts with Angels during the holiday season; especially ones with beautiful Gabriel

blocking success.

**December 21 the Capricorn Season
begins & Winter Solstice at 10:03 AM**

Eastern Time - arrives which is the longest night of the year. It is about celebrating the rebirth of creation. The days start to get a little longer and the Sun begins to shine brighter. It symbolizes **Hope** and the positive aspect of life. The Winter Solstice has an enormous impact on us all.

This is also the time to be especially attentive to the inner child, who believes in Christmas / Holiday Magic.

Remember anything is possible if you
BELIEVE!

Remember: "It's not what you have on the outside that glitters in Light; it's what you have on the inside that shines in the dark." (Anthony Liccione)

"THREE WISE MEN, THE MAGI"

*** With the holidays approaching it brings to mind the Magi's discovery of the Star of Bethlehem, which was an indication of the birth of the King of man. Many people are unaware that the Three Wise Men (Magi) were astrologers / astronomers and that the Star of Bethlehem was actually an astrological planetary conjunction. This planetary aspect was the indication of the birth of the Savior.

This holiday season give yourself the gift of opening your heart and opening your mind to new ideas and possibilities and watch the abundance of opportunities the universe will send your way. ***

Wishing you all a Merry Christmas,
Happy Hanukkah, Happy Holiday and
Blessed Yule,

blowing his horn. Each time you see a card or decoration with an Angel let it be a reminder to you to ask Gabriel and all the Angels to bring peace, joy, hope and world order so that all may revel in this glorious holiday season.

Also, why not be an extension of Gabriel and be a messenger to others of hope and joy? This can be done, simply by speaking kindly, listening intently while another speaks, acts of kindness, giving or by simply sending a greeting card of joy.

To connect with Archangel Gabriel, simply sit comfortably, take a few deep breaths, imagine a beautiful white light of hope surrounding you. This is the light of Gabriel.

Wearing pearls, diamonds and clear quartz crystal also attracts Archangel Gabriel.

I dedicate this month's column to my beautiful granddaughter and her Guardian Angel Gabriel. I have a beautiful portrait of my granddaughter holding pearls. You see my granddaughter was born on the day of Archangel Gabriel and oh how fitting that she should be holding Gabriel's pearls.

**Many Divine Blessings of
Love & Light,**

LOVE

by Kirsten Sciallo

It's the most enchanting time of the year. The air is frigid, holiday cheer is amongst us, and the excitement of spreading good tidings is here. During this holiday season, try to appreciate the simple things such as the gift of sharing special moments with those near and dear to our hearts. Often times we can miss a moment if we are not present in the here and now. I encourage everyone to spread some holiday cheer by helping a neighbor, being kind to family, and most of all being kind to yourself. This time of year, can be stressful and overwhelming trying to provide a wonderful experience for everyone that it is essential to stop and take a pause. It is not the amount of the gift that you purchase but it is the amount of Pamper yourself a bit. Ease your spirit and be at peace that everything always gets done. You will accomplish all that you set out to do and need to just take it one step at a time. I am wishing everyone the greatest gifts this holiday season, which are health, happiness, and the love of family.

Light and Love,
Kirsten
