ASTROLOGER:

Archangel Ariel ~

SPECIAL PLANETARY ASPECTS FOR JUNE 2026:

Happy Birthday, Gemini! Gemini is the third sign of the zodiac with Mercury as its ruling planet. Yellow is the color associated with Gemini. Geminis are curious, playful, bouncy and clever. Many are writers, speakers or work in the communications field. They are quick witted and make excellent sales people. Their gems are aquamarine and citrine.

June 12 – Uranus Square the Nodes of the Moon - You may notice a restlessness with your status quo. Beware of differences in opinion and not carry it too far or it can create a severing or damaging to relationships.

June 14 – Gemini New Moon - a new beginning– starting fresh, particularly with communications. Consciously tune into the positive Gemini energy which will help improve social and communication skills.

June 19 – Chiron Asteroid (the Wounded Healer) enters Taurus – Until September 17 and then the permanent Transit will be April 14, 2027 – July 19, 2033 - this is a time of rebuilding your sense of self-worth. Learning to focus on your own healthy needs without feeling guilty in the process.

Jupiter enters Leo June 20, 2026 to July 26, 2027 – Jupiter is the luckiest planet of all and comes around each sign every 12 years. Where this falls in your astrological chart is the luckiest area of your life for the next twelve months.

I have had a very Blessed and Divine relationship with Archangel Ariel for many years. When I was blessed with my beautiful little Maltese puppy nine years ago I named her Ariel Lily in honor of Archangel Ariel. Here are some of the ways that your relationship with Archangel Ariel can enhance your life:

To embrace abundance and to embrace endless abundance in your life in many ways.

Ariel will also inspire you to live up to God's full potential in this incarnation.

Many times Ariel will appear as a bright golden light or you may feel the presence of a lion.

She is also a Master of manifestation and will bring forth your deepest dreams through motivating you, giving you guidance through signs and omens. Plus she loves to draw abundance to your life. Simply whisper her name in the wind.

Ariel is highly connected to the tremendous energy of water. She works well with souls incarnate from a lifetime in Atlantis. Perhaps consider placing in your home a fountain with some small plants around it and just whisper Archangel Ariel's name. Or wearing the crystal Larimar for which Ariel is very drawn to that Atlantean energy.

The whole atmosphere will be filled with alot of positivity. This helps us to increase and raise our vibrations and we can feel her energies connect with ours. Archangel Ariel is very compassionate and loving and helps us to achieve our potential to the fullest.

June 21 at 4:24 am EDT, the longest day and shortest night of the year, is the Cancer Solstice, the Sun moving from Gemini to Cancer, which marks another shift in the universal energies that bring about more intensity for change. A Solstice is an energetic gateway due to the reduction in the magnetic field of the Earth which allows a greater flux of cosmic radiation to penetrate our atmosphere and our psyche.

June 29 thru July 23 – Mercury Retrograde – this is an excellent time to get in touch with what nurtures you and feeds your spirit. It can also be a time of going down memory lane.

June 29 – Capricorn Strawberry Full Moon – brings sudden awareness to our lives in general especially the areas that require more balance. This is a time to take care of responsibilities, attend to business and to take charge. Also, a time for opening your mind to new possibilities, but waiting things out.

To quote the poet Eliot: "Time past and time future. What might have been and what has been point to one end, which is always present." Focus on the present moment. Someone very important to me had told me many years ago "Mary, what we truly have are moments. Concentrate on each precious moment." ♥

Know what is in your future!

Archangel Ariel is associated with Mother Earth and nature. She is also called the Ariel Angel of Nature. Archangel Ariel's color and presence are very similar to nature: soft, green, simple, and fresh.

'Her name means "Lioness of God. She is given the supreme responsibility of looking after and overseeing the natural world. She is very intimately and closely connected to all the things that are present in the natural world. These include minerals, animals, birds, elemental forces, etc.

Archangel Ariel is associated with healing and taking care of nature. She engages in environmental causes like keeping the environment clean. She also looks after the healing of injured and sick animals, birds, etc. and is in charge of winds. In ancient times and traditions, she is usually depicted to have domination over elemental forces, beings, animals, and birds of Earth.

Archangel Ariel can also help us a great deal with abundance. Since we are ruled by spiritual, physical, and earthly energies, we need to be grounded to Earth. This helps us in manifesting abundance and we are more likely to be receiving what we desire. Archangel Ariel helps us feel calm and content. She lets us know that things will be fine whenever there is a stressful situation. Whenever you think of her or call her you will find a major shift in energies. Peace and harmony will be brought to any chaotic situation.

In my readings and healing
sessions at Hope Hypnosis &
Holistic Center LLC, many
times the issue my client
comes to me with is a lack of
understanding their life's
purpose or help in resolving a
misunderstanding in a
relationship. I call upon
Archangel Raguel to Divinely
give me the guidance they
need. He is just waiting in the
wings to help.

On these glorious, warm,
sunny days, it is also
wonderful to ask the sweet
Cherub Angels to surround
you with all their joy, fun and
love. Happy Spring!

Many Divine Blessings of
Love & Light,
Mary Silvernail, ACI, RMT

LOVE

by Kirsten Sciallo

We did it! Another school year comes to an end and we get to honor our Grads and Dads. I encourage you to embrace all of the progress that you have made this school year and to evaluate all of the things that truly matter to you. It is of the utmost of importance to take stock of what is truly important in your life. You will find the greatest joys in all things that are from the heart. Figure out what drives you, what inspires you, and do just that. Time is here for you to embrace the path that you would like to take. I believe in you and know that you can accomplish all you set out to do. Block out the noise or the negative things that you or others tell yourself about your success. You can accomplish anything that you set out to do. The Summer is an optimal time to have a little reprieve from the daily grind to reach that success and find out what really drives you. I am hopefully that with a little grounding, your true clarity will prevail and you will set yourself up on a path of ultimate success.
