MARY SILVERNAIL, PSYCHIC ASTROLOGER:

Since the age of four I have been in daily communication with the Angels. This column is here for you in order to help some of you who have not had the previous understanding of Angels to realize that they are just waiting in the wings to come to your aid in every area of your life. All the Angels have different special qualities that can help you.

Due to the current economy many people find themselves having to perhaps start over in a brand new career; sometimes at the latter stages of life. I have seen many of my clients who come to me in my hypnotherapy and metaphysical practice dealing with this exact issue. If you find yourself in this predicament, you can call upon (pray to) Archangel Metatron to help you make this huge change in your life. Metatron is the strongest of all the Archangels and will give you strength during any major life changes.

For any type of stress, I strongly recommend meditation. Many people tell me they don't know how to meditate. All you have to do is find a quiet place, sometimes the only quiet place may be in your parked car. Once in a quiet, safe place, just close your eyes and go within. It may be nice to listen to soothing instrumental or new age music and possibly burn a little incense for the relaxing effect. Five minutes of deep

time of balance, stillness, self-reflection
and spiritual awareness.

September 26 – Aries Full Moon –
awakens your emotional needs –
remember to honor
yourself. Revelations can occur
regarding your health and close
partnerships. This Full Moon urges
you to have a balance meeting your
personal needs and the needs of others.
You are brave, determined and
resourceful. You can have it all.

NOTE: Saturn, Neptune, Pluto all
retrograde all month. Plus Uranus

meditation can feel like an
hour's worth of sleep. Once
you are able to find that
special place within, ask
Archangel Uriel to join
you. Uriel will help inspire you
and help you find those
answers you seek from within
that sometimes seem
unattainable to us in this
Earthly environment.

Many times there is stress in
our relationships with our
loved ones simply due to
miscommunications. If you
have a loved one that just does
not seem to understand the
point that you are trying to get
across to him/her. Just simply
call upon Archangel Gabriel
(the Messenger) to assist you
the next time you are having a
conversation with that loved
one, so that you may get your
point across more clearly and
so that the other party will
have a clear
understanding. Also, realize
that when you do this, Gabriel
will automatically assist the
other person in getting what
they have to communicate
over to you crystal clear, too.
With this type of assistance
from Archangel Gabriel it can
bring much peace to a
relationship that was a bit
tense simply due to a lack of
clear communication.

It is my purpose in life to
assist others in need with the
knowledge and Divine
Blessings bestowed upon me
through the help of the
Angels. Allow the Angels to
enter through the pathway of
your heart and they will
always be there to assist you.

Many Divine Blessings of Love
& Light.

LOVE

by Kirsten Sciallo

September always alludes itself as new beginnings. Starting fresh and in the direction of your dreams. It is truly a miraculous time to enjoy the makings of a clean slate. What do you want to accomplish? Who do you want by your side when you are accomplishing these things? Ask yourself all of the questions that you need, because internally you have all of the answers. It is so important to trust yourself and your own intuition and instincts because no one knows you better than yourself. It's easy to look for answers outside of yourself but that often leads to uncertainty and confusion. Be your own guide and feel free to ask the angels of light and God for direction because they will never let you down. Sit in a quiet place and make your intentions for your future in peace. You will be surprised at how clearly you will know exactly what you want and need. The truth is you already know and you just need to quiet your mind to hear the answers. When God and the angels of light answer they do not stumble. Your answers will be crystal clear. Happy planning everyone and best wishes.
