CERTIFICATION: (Ohio Rules 4781) **ALL PERMITS SHALL EXPIRE SIX MONTHS FROM THE DATE OF ISSUE**

I fully understand that no excavation, installation, or structural, alteration, electrical, or mechanical installation or alteration of any manufactured home, or part thereof and no use of the above shall be undertaken or performed until the permit applied for herein has been approved and issued by the authority having jurisdiction.

I hereby certify that I am the owner of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his/her authorized agent and I agree to conform to all applicable laws of the jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the code official or the code official's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of this code(s) applicable to such permit.

Homeowner / Authorized Representative Signature: _____

Printed Name: _____

Title: _____ Date: _____

PLEASE NOTE: There are 3 inspections required:

- ☐ **Footer inspection:** This is either an open-hole inspection of forms and reinforcement, if required, or an inspection to determine if re-use of existing foundation is appropriate for the home being installed. Call for the footer inspection **BEFORE** placing or pouring concrete.
- ☐ **Electric Service Inspection**
- ☐ **Final Inspection**
