3/4 Ton 4X4	\$80.00	Hourly

BASE RATES

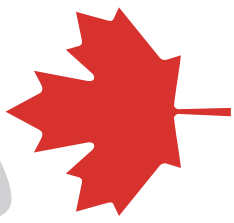

A base rate is the minimum charge per job and is determined by the distance of the delivery. It includes travel to and from the jobsite but does not include any standby, loading or unloading time. Those are charged at the truck's hourly rate.

FUEL SURCHARGE

The current trucking fuel surcharge applies to all pricing and is posted on our website at www.actiontrucking.ca
