

2025-2026 GUTTER & DOWNSPOUT CLEANING SCHEDULE

With the installation of new gutters in Sections A and C, the gutter cleaning schedule is as follows:

Section B:

Four times a year until new gutters are installed

July 2025

October 2025

January 2026

End of March/early April 2026 (with leaf clean up)

Sections A and C:

October 2025

End of March/early April 2026 (with leaf clean up)

*Owners are responsible if additional cleanings
are needed throughout the year.*
