**CABINET GETTING  
READY GUIDE**

# CABINET PAINTING

Thanks for choosing NHV Painters! We do everything we can to make your painting project run in a simple and professional manner. We have created this checklist to help you prepare for our crew to come to your home. Please contact us immediately if you have any questions or concerns with the project!

## STARTING THE JOB

Our crew hours are generally **8:00 am to 4:30 pm.**

You will need to be available to meet with your crew leader on the morning of the first day of the job.

NHV PAINTERS

## CHECKLIST

- ☐ Remove everything from cabinets
- ☐ Clean all dishes from sink
- ☐ Clean all cabinets from recent food/grease
- ☐ Remove all items and small appliances from countertops
- ☐ Take down curtains and draperies
- ☐ Make any necessary arrangements for pets
- ☐ Plan to not use the space for 48 hours

## UPON COMPLETION

Our team will take care of the following items:

- All floors and carpeting will be covered with drop cloths
- Ensure all extra work to be done has been signed off by the customer before completion
- Each room will be vacuumed and furniture will be put back in place upon completion of your project
- Garbage and empty paint containers will be removed from the job site
- Leftover paint cans will be marked and left for you

NHV PAINTERS

## WRAPPING UP THE JOB

- ☐ Complete a final walk through
- ☐ Review care of your home
- ☐ Review invoice
- ☐ Complete report card
- ☐ Payment can be made to **NHV Painters**

Please ensure all items (furniture, blinds, wall-mounted devices, appliances, etc.) are moved or removed before work begins.

**If not, we reserve the right to issue a change order to perform this work, or we will paint around the obstructed areas (e.g., blind brackets, modems, stoves).**
