San Diego Country Estates Association Policies and Procedures Pertaining to Golf

Preamble

The following document sets forth the terms and conditions under which property owners in San Diego Country Estates (SDCE), through membership in the San Vicente Golf Club (the Club), may enjoy golf privileges on the golf course operated by San Diego Country Estates Association (SDCEA).

Changes or amendments to this document may be made from time to time by the Board of Directors of SDCEA (SDCEA Board) after consultation with the Board of Governors of the San Vicente Golf Club (SVGC Board).

Rates charged to Emeritus Members, Lodge Guests, Non-club Member Property owners, Non-Resident Members, Other Guests, Participant Members, Renter Members and Members who apply for dues abatement in the non-property owners golf participation program for use of the golf course as well as cart rental fees shall be set by the SDCEA Board from time-to-time and are not a part of this document. The terms and conditions of SDCEA non-property owner golf participation program as approved by the Board of SDCEA on November 23, 2010, are not included herein and are not a part hereof.

Article I - Terms and Conditions of Golfing Privileges

Section 1 - Membership

Qualifications

Membership in the Golf Club is open to all persons regardless of age, ancestry, color, creed, disability, familial status, gender, gender expression, gender identity, genetic information, marital status, national origin, nationality, race, religion, sex, sexual orientation, or source of income on a non-discriminatory basis. The terms and conditions for membership in the Golf Club are found in the board resolution as adopted by the SDCEA Board of Directors on April 16, 1992, as amended.

Classification of Membership

A. Good Life Timeshare Memberships

The terms and conditions of Good Life membership in the Golf Club are found in the Board Resolution as adopted by the SDCEA Board of Directors Resolution on April 16, 1992, as amended per the Agreement with the "Good Life" dated June 18, 1991.

B. SDCEA/SVGC Non-Resident Policy

1. Purpose: The SDCEA has established this policy to provide residents the opportunity to retain their San Vicente Golf Club membership while living temporarily away from the Estates.
2. Description: The policy provides the terms and conditions with which the petitioning resident must comply to be eligible for Non-Resident status. The petitioner must submit a request in writing to the SDCEA with an information copy to the San Vicente Golf Club for Non-Resident status and for reinstatement when returning.
3. Eligibility and Petition Criteria:
 - a. The petitioner must be a SDCE resident property owner (not just a property owner) and a member in good standing of the SDCE Association and the San Vicente Golf Club.
 - b. The Non-Resident Status must be for a minimum of one year not to exceed a 3-year period.

- c. The new residence must be a minimum of 1,000 miles from SDCE.
- d. During the period of Non-Resident status, the Petitioner's monthly golf dues will be converted to an annual fee of \$500 paid in advance. If the Petitioner returns prior to the end of his non-resident anniversary, the SDCEA will not provide a refund for that year's annual fee.
- e. While in Non-Resident status, the Petitioner will lose their golf course playing privileges; however, if visiting in the area, they may play the golf course by paying resident green fees.
- f. If the petition for reinstatement is accepted, the resident will be reinstated without paying an Initiation Fee (Re-Initiation Fee) and will resume paying monthly dues and related fees.

C. SVGC Renter's Membership

- 1. Background: Many property owners rent or lease out their properties and do not avail themselves of the opportunity to become members of the SVGC. Under the Renter's Membership, residents complying with the established provisions and criteria may apply for membership.
- 2. Purpose: The SDCEA has established this class of membership to provide residents access to the San Vicente Golf Club. Provision is made for renters to utilize unused golf memberships available to their landlord property owners as provided by the CC&Rs of the SDCEA.
- 3. Description: Within the scope and qualifications for SVGC Membership and in an effort to provide access to residents of SDCE, Renters are eligible under certain criteria to become SVGC members. A number of property owners rent/lease out their properties and because of that do not exercise their opportunity to become SVGC members. Under this program, the landlord may transfer the eligibility for membership to the renter, as provided by the CC&R's of SDCEA.
- 4. Criteria and Conditions for Membership
 - a. The landlord must provide a certification on the Renter's membership application that the property owner(s) does not have a membership under his/her name active against the designated property prior to the renter filing with the SSVG/SDCEA and that they are in agreement with the application. Owners of multiple properties may certify Renters against each of their properties providing, as stated above, they do not have a membership currently active against a said property.
 - b. The Renter's application shall comply with the applicable procedures regarding eligibility for membership and must pay the current Initiation Fee.
 - c. The Renter must commit to a minimum of a 12-month membership, consistent with the rental or lease agreement, with dues paid in two equal installments (the first at the time of application and the second at the end of the first six months). After the 12-month minimum period, the renter would make the established dues payment on a quarterly basis.
 - d. The Renter-membership is based upon the property under which he applied. If the renter moves/changes residence within the Estates, he/she must obtain the new property owner/landlord's certification per item (a) above and notify SDCEA Administration and the SVGC to avoid membership termination.

Membership Applications

Applications for membership shall be submitted on the official membership application form provided by SDCEA. The application shall be signed by the applicant(s) who shall furnish such information as SDCEA may require for determining membership eligibility. Applications shall be filed with the Head Golf Professional who will forward them to the Accounting Department for review.

Section 2 - Initiation Fees and Dues

- A. **Initiation Fees:** Initiation fees to be paid by new members shall be established from time to time by the SDCEA Board. Annual dues to be paid by members, on a quarterly basis, shall be in an amount as established by the SDCEA Board.

Dues are due on the first of the month, delinquent in 15 days after which a \$10 late charge will be assessed.

- B. **Dues Abatement Policy:** Dues abatement will be considered by the Board of Directors on an individual basis. Illness will be the only request considered by the Directors. Dues abatement can only be granted one time during the period of membership. This policy will be reviewed from time to time and can be canceled at the discretion of the Board of Directors.

Section 3 - Reprimand, Suspension, Expulsion and Termination

- A. **Conduct of Members:** Conduct of a member, as determined by the SDCEA Board or the management of SDCEA, to be seriously damaging to the reputation of the Club or SDCEA or any of their respective members, or is grossly inconsistent with the purposes of the Club or the rules or traditions of golf, shall be grounds for a reprimand by management or the SDCEA Board, as applicable, or a recommendation to the SDCEA Board for suspension or expulsion from the Club and termination of all membership privileges as may be permitted by law.
- B. **Suspension:** A member will be suspended if the established dues are not paid within thirty (30) days from the due date. The member and dependents will no longer have membership privileges until such time as all monies due are paid, including late charges. Notification is the regular billing mailed by SDCEA. Failure to pay all monies due within ninety (90) days of the due date will result in loss of membership and will require a new initiation fee to rejoin the Club. The SDCEA Accounting Department is to keep the Golf Shop informed as to the status of any delinquent member dues.
- C. **Reinstatement:** A suspended member who desires reinstatement shall apply therefore to the SDCEA Board, in writing, and shall concurrently pay all monies due.
- D. **Enforcement:** SDCEA may seek to collect all amounts due from the delinquent member as provided by the documents of SDCEA (i.e., CC&R's) and as permitted by law.

Section 4 - Termination of Membership

- A. **Resignation:** A member may resign upon written notice to the SDCEA Accounting Office with a copy to the Club secretary.
- B. **Termination of Membership:** Membership to the Golf Club of SDCEA shall terminate when that membership no longer meets the terms and conditions for membership as set forth in the resolution of the SDCEA Board of Directors dated April 16, 1992. Any prepaid dues will be refunded on a pro-rated basis adjusted to the end of the month in which the escrow closes. In the event the member is in escrow for the purchase of other property in SDCE, the SDCEA Board of Directors may, upon written request, approve the continuation of the membership from the close of the sale escrow to the close of the purchase escrow but in no event for a period in excess of

ninety (90) days. Under no circumstances will the membership be extended if a purchase escrow is not open at the time that the sale escrow closes.

C. **Effect of Termination:** Upon termination of a membership, all rights and privileges of the member shall terminate.

Section 5 - Privileges of Members, Juniors and Children

Members, limited to two adults, both of whom are deeded owners, or one is a deeded owner and the other resides in the same household, and all unmarried dependent children under the age of 18 and/or juniors (defined as full-time students under the age of 24 whose primary residence is that of the deeded owners), shall be entitled to use the golf course subject to the Policies and Procedures pertaining to golf as adopted from time-to-time by the SDCEA Board.

Playing privileges for children of members do not constitute membership in SVGC but provides for general golf course play. Playing privileges do not provide for participation in SVGC-sponsored events established for members and juniors. Access to the golf course for children as well as their use of golf carts is governed by the San Vicente Golf Course Golf Shop.

The minimum age for children to play golf is 5 years old, unless special permission is granted by the Golf Pro. Tee times for children under 18 must be approved by the Golf Shop.

Use of private golf carts by children is the responsibility of the registered golf cart owner. Golf cart driving privileges of all carts by children is restricted in accordance with Article II, Section 4, Item F; must be 16 years of age and have a valid driver's license.

Article II - Policies, Procedures and Rules of Golf Course Use

There is a significant relationship between the etiquette of golf, the rules, and the safety factor. Knowledge of the USGA rules of golf together with the use of courtesy will make the game more enjoyable. Repairing ball marks, filling divots with sand, raking the sand bunkers, avoiding ground under repair areas and playing without undue delay make the course an even better place to play.

Section 1 - Categories of Use

- A. Golf Club Members
- B. Guests of Members
- C. Non-member Property Owners
- D. Participants in the Non-Property Owners Joint Participation Program and Players Club
- E. SDCEA/SVGC Membership Program for Renters
- F. Lodge Guests
- G. Outside Players
- H. Emeritus Members

Section 2 - Tee Time Allocation System

To enable an equitable non-discriminatory policy for the distribution of available tee times for club members, the following procedures will be adhered to: Starting times, other than those reserved for lodge guests, are currently allocated by lottery. Times set aside for lodge guests are Monday through Friday 11:00 am-12:00 noon, Saturday 10:30 am-12:00 noon, Sunday and Monday holidays 9:00 am-10:30 am. Management may utilize the time from 10:30 am-11:00 am weekdays for lodge guests providing there are sufficient advanced bookings.

Members must complete a lottery card indicating the date and day desired and time preferred. All names of players, number in the group and the desire to be put on the “standby” list or take the first available time after lodge times, if the card is not drawn for a time prior to lodge times. Cards must be placed in the appropriate slot in the Golf Shop lottery box prior to 11:00 am on the day one week prior to the desired day. If it should be inconvenient to complete the card in person, the Golf Shop may be requested by phone to complete the card and place it in the box. Only ONE member of the group may submit a card.

Non-Resident Property Owner Members may request special consideration for priority in the drawing by submitting a request, in writing, to the Golf Shop. Such priority may be utilized not more than once per calendar month.

At approximately 11:30 am each day, the Golf Shop will make a random drawing of the cards submitted and assign tee times seven (7) days in advance, as close to the requested times as possible. Any member’s card not drawn for available times prior to lodge times will be placed on the “standby” list or assigned the first available time after lodge times in accordance with the indication on the card. If no indication is made, the member will be assigned a starting time following lodge times.

If cancellations occur, the Golf Shop will call members on the “standby” list and offer that time to the member. Unreserved lodge times are released one week prior to the indicated date and those times will also be offered to any “standbys”.

Members holding “late” starting times may change to an earlier time if there is a cancellation or available lodge time and there are no “standbys”. However, it is the member’s responsibility to check with the Golf Shop for changing tee times as the Golf Shop will not assume the responsibility for calling members other than “standbys”.

Any time not reserved by a member or held for lodge guests will be available for Non-Member Property Owners and the general public five (5) days prior to the indicated date.

If plans change and it becomes necessary to cancel a tee time, members are requested to cancel their time as early as possible so that all available times can be effectively utilized. Failure to do so may result in the suspension of participation in the lottery system for a period of thirty (30) days.

Members are requested to check at the Golf Shop at least fifteen (15) minutes prior to assigned tee times and confirm the players in their group. Failure to do this may result in loss of the tee time.

Success of the lottery system depends on the cooperation and courtesy of all Golf Club members. Violations of the rules of the system will be monitored by the SDCEA management and may result in the suspension of participation in the lottery system for a period of thirty (30) days.

Section 3 - Use of Golf Course and Rules of Play

- F. Golf Cart operation on the golf course is limited to a person at least sixteen (16) years of age in possession of a valid driver's license. Children must be at least 3 years old to ride as a passenger in golf carts.

- J. All disabled players may obtain from the Golf Shop a blue flag that shall be displayed on the golf cart while in operation. They must also sign the "Disabled Player and Flag Guide" which shall excuse them from the terms and conditions of Item J below.
- K. In order to avoid excessive wear and poor playing conditions on the golf course, players are asked to keep carts on the path to the maximum extent possible. Please exit, if possible, towards the cart path within 30 yards of the green, whether cart signs are posted or not.
- L. Carts are not allowed on any of the tee complexes unless necessitated by a player's disability. Handicap flag users are, however, encouraged to respect the areas around the greens and bunkers as much as possible. - D. If your ball lies outside of the bridge and is not in the penalty area and your swing or stance is influenced by the bridge, you may take free relief.
- E. Relief is the nearest point where your swing and stance are not interfered with plus 1 club length, then drop the ball, which may not go closer to the hole and may not travel more than 2 club lengths.

Section 2 - Immovable Obstructions Close to Putting Green

In addition, if a ball lies off the putting green but not in a penalty area and an immovable obstruction on or within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows: The ball must be lifted and dropped at the nearest point to where the ball lay that (1) is not nearer the hole, (2) avoids intervention and (3) is not in a penalty area or on a putting green. The ball may be cleaned when lifted.
- B. Relief under this Local Rule is also available if the player's ball lies on the putting green and an immovable obstruction within two club lengths of the putting green intervenes on the player's line of putt. The player may take relief as follows: The ball must be lifted and placed on the nearest point to where the ball lay that (1) is not nearer the hole, (2) avoids intervention and (3) is not in a penalty area. The ball may be cleaned when lifted.

Section 3 - Cart Paths and Roads

Relief is allowed when your stance or swing is interfered with by paved or unpaved paths and/or roads. Worn areas next to paths are extensions of the path.

All concrete drainage ditches, except those in a penalty area, will be treated as an obstruction. When a ball comes to rest in these areas, the player will receive free relief for swing and stance per USGA Rule 16.1b, Abnormal Course Conditions (including Immovable Obstructions).

Section 5 - All Penalty areas are to be played as Lateral Penalty areas.

All penalty areas will be marked with a red line or red stakes, proceed under USGA Rule 17.1.

- C. **Hole #6.** Out of bounds is to the left of the white stakes. These stakes do not apply to Hole #5.
- D. **Hole #10.** Any ball hit into the penalty area to the right of the bridge from the teeing area may, under the penalty of one stroke, be played from the green tee area ball drop or by taking relief in accordance with USGA Rule 17.1.

The native area to the left, surrounding, including the pump house, is also a penalty area. Balls struck into this area may be played as they lie, or by taking relief and dropping in accordance with USGA Rule 17.1.

Section 6 - Preferred Lie Rule

A ball lying on a closely mown area through the green on a hole specified and posted by the Head Golf Professional in consultation with the Greens Superintendent may be lifted without penalty and cleaned. This also applies when a fairway is “cart path only” due to wet conditions. Before lifting the ball, the player must mark its position. Having lifted the ball, he must place it on a spot within six inches of and not nearer the hole than where it originally lay, that is not in a penalty area and not on a putting green. The ball may not be moved to give relief from a tree or other natural obstruction. A player may place his ball only once, and it is in play when it has been placed (USGA Rule 14.2). If the ball fails to come to rest on the spot on which it is placed, USGA Rule 14.2e applies. If the ball when placed comes to rest on the spot on which it is placed and it subsequently moves, there is no penalty, and the ball must be played as it lies, unless the provisions of any other rule apply. If the player fails to mark the position of the ball before lifting it or moves the ball in any other manner, such as rolling it with a club, the player incurs a penalty of one stroke.

- A. You may play the ball as it lies, and you may ground your club.
- B. If you choose not to play the ball as it lies you may, under a penalty of one stroke, take the ball to where it entered the area, the nearest relief no closer to the hole.
- C. Another option is to take an unplayable lie.
- D. If your ball is not found and you and players in your group confirm that it entered the area, under penalty of one stroke, take nearest relief where the ball entered the area, no closer to the hole.
- E. If your ball is found and is impeded by an immovable obstruction (sprinkler head, etc.) you may take nearest relief and drop the ball with no penalty.

Section 10 - Lost Ball/Out of Bounds

Unless prohibited by the organizer(s) of scheduled club events, players may exercise the option of dropping the ball in the fairway nearest the vicinity where the ball is lost or out of bounds, under a two-stroke penalty. This is in lieu of returning to the previous spot (stroke and distance) from which the lost ball or out-of-bounds ball was hit.

Section 11 - Course Closure

In the event the golf course is closed for maintenance, whether due to frost, rain or any other reason determined by the golf shop or superintendent, playing or practicing on the course is not permitted. Section 1: A, E, F, G, H, I, of the San Vicente Golf Club Policies and Procedures are restated, and made a part of, and are incorporated by this reference within these San Vicente Men's Golf Club by-laws - Men's Club Standing Rules. Any conflict between the above-recited sections of the San Vicente Golf Policies and Procedures and these Men's Club Standing Rules shall be resolved in favor of these Men's Club Standing Rules.

- B. Participation in all Tournaments and regularly scheduled events are available to all members/participants of The Men's Club with an established SCGA handicap at the San Vicente Golf Club.
- C. Participants playing in all Tournaments and regularly scheduled events may play from the forward tees. Players shall indicate on the sign-up sheet which tee they are going to play. The Friday Golf Coordinator shall determine tee usage for Friday Golf.

- H. Decisions on Tournament rules will be made by the Tournament Chairman and the Head Golf Professional, and such rulings shall be final. The Tournament Chairman and Head Golf Professional shall resolve the dispute at the end of play.
- I. Ties for overall Low Gross and overall Low Net in the Member-Member, Senior Club Championship, and Club Championship shall be decided by a three-hole play-off beginning on hole #1. - M. All Major Tournament Rounds shall be posted by the Golf Shop Staff.
- N. Slow Play is unacceptable. Every player must do his best to ensure that his pace of play does not slow the field unnecessarily; keep up with the group in front of you.

Wednesday Golf: The coordinator will provide input to the Golf Shop. The Golf Shop will manage the event: pairings, scorecards, handicaps, game to be played, collection of fees, scoring, and reporting winners to Accounting. The shotgun starts at 8:00 am.

Major Tournaments Include: Member-Member, Presidents Cup, Member-Guest, Senior Club Championship and Club Championship. The Men's Club Championship and other Men's Club events will generally be played from the monuments (as listed on the scorecard) yardages for all play unless otherwise dictated by the Tournament Committee before or during each event.

Member-Member: The Tournament will be played over two days in an individual tee time format. Handicaps will be determined by the Handicap Chairman or his designee and will be based on a low index for the prior six months. The field will be divided into four flights A, B, C, D - each flight consisting of no fewer than six (6) teams or more than twelve (12) teams. Flights may be added or dropped as necessary to comply with the above. The flights will be organized by the combined handicap, A flight lowest combined handicap to D flight highest combined handicap. The goal is to have an equal, or as close as possible to it, number of teams in each flight. The primary goal is to provide competition within flights. Formats for the individual days will be decided by the Tournament Chairman. If the format allows, all rounds shall be posted as Tournament scores.

Traditional Start on #1 Tee:

The First Day: First off will be the defending Net Champions paired with the defending Gross Champions. Second off will be the two lowest handicap teams in the A flight, followed by the two lowest handicap teams in the B flight and so on until all teams have started. (A flight followed by B flight followed by C flight followed by D flight)

The Second Day: First off will be the two teams with the highest net scores in the D flight. Second off will be the two teams with the highest net scores in the C flight and so on until all teams have started. (D flight followed by C flight followed by B flight followed by A flight)

Split Tees:

The First Day: #1 Tee: First off will be the defending Net Champions paired with the defending Gross Champions. Second off will be the two lowest handicap teams in the A flight, followed by the two lowest handicap teams in the B flight. (A flight followed by B flight)

#10 Tee: First off will be the two lowest handicap teams in the C flight, followed by the two lowest handicap teams in the D flight. (C flight followed by D flight)

The Second Day: #1 Tee: First off will be the two teams with the highest score in the D flight, followed by the two teams with the highest scores in the C flight. (D flight followed by C flight)

#10 Tee: First off will be the two teams with the highest scores in the B flight, followed by the two teams with the highest scores in the A flight. (B flight followed by A flight)

President's Cup: The Tournament will be individual match play, spinning off the low handicap (for example, if player A has an 8 handicap and player B has a 12 handicap then player A will receive no strokes and Player B will receive 4 strokes). Matches will be played over several weeks with the players in each match having two weeks to complete their match. The first round will begin on a Monday and must be completed by the second Sunday. The second round will begin on the following Monday and must be completed by the second following Sunday, and so forth, until there is a winner. Tee times

will be set up by The Men's Club on Sunday around 12:00 pm to complete each round. If a player hasn't already played his match and he fail to appear for the Sunday tee time, he will forfeit the match. The Men's Club will set the flights and present them to the Golf Shop to be positioned on the bracket sheets. For 32 or fewer players there will be two brackets. For 33 to 64 players there will be four brackets. The brackets will be divided by handicaps. The first-round bracket pairings will be the lowest index A player vs. the highest index A player and the same set up for B, C, and D brackets. The preceding year's President Cup Champion will be seeded first in his flight and will be given a bye if a bye is required in that flight. The brackets are to be as evenly divided as possible consistent with minimizing the number of byes. The winners of each flight will compete to determine an overall winner. In the finals: A bracket winner vs. D bracket winner and B bracket winner vs. C bracket winner. Winners' play-off to determine First, Second, Third, and Fourth. For posting scores: Any player finishing their round under 18 holes of regulation must take a "Net Par" on all holes not played based on their current monthly handicap. All scores will be posted as Tournament scores. If there is a tie after 18 holes, sudden death play will begin on hole #1 and continue until there is a winner, handicaps will reset. The players shall use their lowest index for the prior six months.

Member-Guest: The Tournament will be played over two days, Saturday, and Sunday with a practice round on Friday. The player's handicaps shall be determined by the coordinator in consultation with the Head Pro using the player's current index. There will be four (4) flights A, B, C, and D, organized by the combined player's handicaps, A lowest combined handicap to D highest combined handicap. Each flight shall have a minimum of ten (10) teams and a maximum of eighteen (18) teams. The number of flights may increase or decrease depending on the number of entries. Pairings for the practice round will be within flights although teams may request a particular pairing. A shotgun start format will be used for both days of competition.

Teams that tee off the first day on the front nine will tee off the second day on the back and vice versa. The primary goal is to promote competition within flights. The format for both days and all other competitions such as derbies, putting contest, closest to the hole, skins, etc. will be conducted as directed by the Tournament Chairman.

Senior and Super Senior Club Championship: The Championship will be played in two (2) divisions: Senior (55 and older) and Super Senior (70 and older). The Championship will be a two-day tournament, played on consecutive days, Saturday, and Sunday. Handicaps will be based on the low index for the prior six months. There will be four (4) flights: A and B in the Senior Division and C and D in the Super Senior Division. There will be a minimum of ten players and a maximum of twenty players on each flight. Flights will be based on the age of the player with the youngest 25% in the A flight, the next 25% in the B flight, etc. The tournament will be played in threesomes, if possible.

There will be an overall gross and overall low net Champion for each Division. The Senior Division will play the white tees. The Super Senior Division will play the gold tees. The Super Senior Gross Champion will be the player with the lowest score from the gold tees. Gold tee players will be exempt from the Men's Club Standing Rule C: "a player must have played 15 of his last 20 rounds from the tee he has selected". A Super Senior player may play forward of the gold tees if he meets the requirements of Standing Rule C. The primary goal is to promote competition within flights. All rounds will be posted as competition scores.

The remainder of the players will be divided into flights determined by tee position played. Each flight will have a minimum of ten players and a maximum of twenty.
