

SAN VICENTE GOLF CLUB (SVGC) MEMBERSHIP | RENTERS MEMBERSHIP

Open to Renters of Properties in San Diego Country Estates Association (SDCE) - **Effective 1-1-2026**

The San Vicente Golf Club (SVGC) Renters Membership provides the opportunity for renters to participate in our golf program open for a Single Player, or a Family, which is defined as: two adults who reside in the same household with one adult as the recorded tenant, and all unmarried dependent children under the age of 18 and/or juniors (defined as full time students under the age of 24), whose primary residence is that of their recorded tenant. Proof is required for ownership, residency, and full-time student status for junior members.

1. Renters are eligible under certain conditions to become SVGC members.
 - a. The landlord may transfer the eligibility for an **unused** membership associated with a property to a renter. The owner of the property being rented must certify the renter's membership application that the owner(s) do not have a membership under his/her name currently active and associated with the designated property and that they approve the application.
 - b. Owners of multiple properties may certify renters against each of their properties providing, as stated above, they do not have a currently active membership associated with said property.
 - c. The Renter-Member is cautioned that membership is against **only** the property under which he/she applied. If the Renter-Member moves to another residence within the Estates, he/she must obtain the new property owner/landlord's certification and notify SDCEA Administration and SVGC to avoid termination.
 - d. The Primary Member must update their membership status when dependent children turn 18, or juniors are no longer full-time students, failure to do so may result in membership termination.
2. Renter-Members and juniors named in the family membership are eligible to play in all SVGC golf club tournaments.
3. Renter-Members shall not be subject to any assessments or special assessments which may be imposed by the SDCEA Board of Directors that relates to the golf course or its upkeep.
4. Renter-Members obtain certain rights to tee times – 7 days per week – per lottery system. The following procedures will be adhered to:
 - a. Starting times, other than those reserved for the lodge guests, are currently allocated by lottery.
 - b. Renter-Members must complete a lottery card indicating the date and day desired, and time preferred. All names of the players, number in the group and the desire to be put on the "stand-by" list or take the first available times must be included. Lottery cards may be placed in the golf lottery box prior to 11 am, up to 12 days in advance of the desired day. If it should be inconvenient to complete the card in person, the golf shop may be requested by phone to complete the card and place it in the box on your behalf. Only ONE member per group may submit a card.
 - c. The lottery draw is performed and posted by 2 pm – seven (7) days in advance.
5. San Vicente Golf Resort offers cart lease rental options, check with the Golf Shop for current rates.
6. The SVGC Membership and all benefits thereon, is non-assignable and/or non-transferable. The SVGC is governed by the SDCEA Board of Directors. The SVGC Renters Membership and all such rights within the SVGC Renters Membership are subject to review and/or modification and/or revocation and/or termination by the SDCEA Board of Directors at any time with prior reasonable notice to the member.
7. Pro-rated dues will be collected for participation in the SVGC Renters Membership to begin. Dues are billed monthly, in advance, due on the first day of each month. A \$10 late fee will be applied if unpaid by the 15th of the month.
8. Participation in the SVGC Renters Membership program will be canceled for non-payment. _____ Initials _____
