

# Horse

# Microchipping Clinic

**NO APPOINTMENT  
NEEDED!**

Ensure your horse can be identified quickly in an emergency.

## Why Microchip?

In wildfires, floods, or evacuations, horses can become separated from their owners.

A microchip is a permanent, scannable ID that quickly links your horse back to you in any emergency.

## The International Equestrian Center

**16911 Gunn Stage Road,**

**Ramona, CA 92065**

In the infield by the pavilion.

**Sunday Sept. 7<sup>th</sup>**

**11am-3pm**
