

Dear Homeowner,

Your input is important to us. Valley News, our SDCEA communication, will continue to be emailed weekly. We are also considering adding a monthly printed edition mailed to all homeowners. To guide this important financial decision, we ask for your feedback through a short survey.

The easiest and most cost-effective way to participate is online. You have two online options:

- Scan the QR code below to go directly to the survey.
- Or visit [www.sdcea.net](http://www.sdcea.net) → Community → Communications → Valley News Survey link.

**IMPORTANT:** Your unique **Survey Code** is printed on the enclosed survey. This ensures your household's response is counted once and keeps results accurate. You must enter this code when completing the survey online to confirm you are a homeowner.

IF YOU MUST use paper, complete the enclosed survey and return it to the Clubhouse Front Desk. Online responses remain the most efficient and cost-effective for the Association to process.

**Please complete the survey by Monday, Oct. 6 to ensure your voice is heard.** Online responses are especially appreciated, as they are faster and more cost-effective for the Association to process.

Your feedback will directly guide whether SDCEA adds a monthly mailed Valley News alongside the weekly digital edition. The survey takes just a few minutes, and your participation will make a meaningful difference in shaping how we share community news.

Thank you for your time, feedback, and your ongoing support for our community.

With appreciation,

SDCEA Management
