Firewise USA Certified Community

This certification may help you save on your
homeowners insurance premium

What is Firewise USA?

Firewise USA is a national program developed by the National Fire Protection Association that empowers communities to reduce wildfire risk. Earning certification requires meeting strict annual requirements including vegetation management, defensible space planning, and resident education.

Insurance Savings for SDCE Residents

California's Safer from Wildfires regulations require insurance companies to recognize Firewise USA membership when setting premiums. Carriers that do so include:

USAA	Mercury Insurance	CA FAIR Plan (up to 10%)	Rivington Partners

Discount availability and amounts vary by carrier and policy. Contact your provider to confirm eligibility.

Firewise Educational Training

Attend to maintain your eligibility for the homeowners insurance discount.
