# FAITH FORMATION

Happy New Year to all of our Faith Formation families! May 2023 be filled with many graces and blessings. We pray that we will all grow closer to our Lord as we journey through the year. We are thankful for the support and cooperation our families have extended to us, and we will keep you in our hearts.

**The next class for grades one through five will be held on January 8. The middle school students will meet on January 22. There are no classes scheduled for the holiday weekend (January 15).**

REMINDER: The second graders will have their BLESSED books and prayers checked during class time on January 8. Please be sure to send the BLESSED book to class with them on that day. A good way for children to learn the prayers is to say them every night before bed.

## SHARING OUR FAITH

A new year and a new start? If you know someone who has not been to Mass for a period of time---long or short---please encourage him or her to call Father Reggie to get a great start to 2023 by coming home to church. There are no judgments made, only a warm welcome back to the family of faith.

RCIA is a process within the church through which non-Catholic men and women gather with a small group of parishioners to pray, reflect on Scripture, and study the teaching of the Catholic faith. All are welcome to meet with those who have converted to Catholicism through this process. Their stories are willingly shared with inquirers and are very moving. Please call Kathleen Rooney (203-762-9080) if you know someone who would like to explore this path.

### ALL OR NOTHING: ST. CLARE

*A budding actress leaves her career and the open doors to fame behind to give her life to God. Some might see this as a total failure. But was it? Those who knew Sr. Clare speak in this film. After her tragic death in the 2016 earthquake in Ecuador, the failure might be seen as having reached its devastating end. Yet, many think that the story doesn't end there. Thanks to the Servant Sisters' archives with over 15 years of photos and videos of Sr. Clare's life, HM Television presents this documentary to show you the real-life story of this Sister who gave her ALL to God, keeping NOTHING back.*

## ***Emotional Roller Coaster .....Reflection by Rev. Leonard N. Peterson***

Have you “pondered” anything lately? That means, have you thought really deeply and long over certain happenings in your life? That could refer to conversations, concepts presented to you, or any number of ideas that came to your mind. True pondering requires a prior attention, a certain “full bore” listening to someone else, and not any distracted half-hearing.

For example, a known dullard of your acquaintance might have been boring you to death describing his medical experiences so that your mind drifted and you started planning your lunch as he rattled on. You certainly were not pondering.

Another non-example of pondering might be your strong focus on the wrecks of a highway accident and the distraught faces of the victims by the road, so much so that you missed the warning about a dangerous physical problem your doctor just pronounced. You were not pondering over the doctor’s words.

But there was that announcement by your doctor amid what you thought was a routine examination when she said: “Such and such is a quite common occurrence for someone your age.” “Wow! What does that mean, and have I suddenly arrived at that age?” Later, driving home or sitting in your recliner, you start to ponder. You ponder over that and what it means for your immediate future and beyond.

Pondering admittedly takes up time and leads to an inner perspective of mind and heart about this adventure we call “life.” Well did St. Luke write about Our Blessed Lady’s reaction to news about her Son as reported by local shepherds.

Mary knew nine months prior that her Child was unique and special. After all, wasn’t that what the Archangel who called himself Gabriel had told her? Then there were the difficult moments when she had to break the news to St. Joseph. Now, after the Child’s birth, still more angels had “gone public,” as we might say, with their news about the Child for the unsuspecting shepherds. Mary did not cry or protest, much less contradicted the shepherd-reporters. She just pondered.

We are amid the fast-paced days of the Christmas season. Celebrating, visiting one another, strengthening family ties. This past week, the Liturgy put us on an emotional “roller coaster” attached to Christmas week. St. Stephen’s martyrdom gave us a jolt on the 26<sup>th</sup>. Two days later, the awful slaughter of the Holy Innocent babies by King Herod’s brutes. All that and more.

So I pondered a bit myself this past week. That led me to ask you to “steal” some moments in the weeks ahead and many more times in the New Year, to ponder what happens to you. It’s one healthy and spiritually profitable way to do what Our Mother Mary did all her earthbound days enroute to heaven.

God love you and give you His peace all through 2023!

Makes a GREAT gift!

## SAINTS FUN FACTS

by John Sheppard

St. John Neumann was born in Bohemia in 1811. He tried becoming a priest but was rejected due to an overage of ordinations in Europe.

A bishop in NY accepted him and assigned him to western New York state. He spent most of his time traveling village to village visiting the sick, teaching and celebrating Mass.

As bishop of Philadelphia he founded the first Diocesan Catholic school. He also increased the number of schools in the diocese from 2 to 100. John passed away in 1860 at the age of 48.
