L'Amica del cuore - wholly herself, flaw-fully playful - is passionately focused on the journey from within to without. She is never quite the same person twice, always growing into new versions of herself, carried by an extreme curiosity and a deep trust in grace, ease and well-being, enjoying quantum-jumping into uplifting probable parallel lives. For her, as Seth (Jane Roberts) puts it:

“Success does not necessarily involve great intellect or great position or great wealth;
it has to do with Inner Integrity.

Remember that.” Seth Speaks: The Eternal Validity of the Soul

So, when you sincerely intend to feel from good to better,
**you can change your mind at any time,
you can be wiser than you once were -
what you put in is what you get out.**

Are you ready to FEEL from good to BETTER ?
