Loudoun Soccer Welcomes Northern Virginia Alliance as College Showcase Event Partner

LEESBURG, Va. — August 31, 2026 — Loudoun Soccer is pleased to partner with the Northern Virginia Alliance (NVA) for their 16th annual College Showcase, further strengthening its long tradition of connecting top club teams with college coaches from across the country.

As one of the Mid-Atlantic's premier recruiting events, the newly-expanded "Loudoun/NVA College Showcase" will attract top-tier boys' and girls' teams from throughout the region—and beyond. The Showcase provides high school club and academy players with a valuable opportunity to compete against strong competition while putting their talents in front of college coaches and scouts.

The addition of NVA as a partner strengthens the event's connection to the region's elite youth soccer community, while maintaining the showcase's established links to players, families, coaches, and college recruiters.

"We're excited to have NVA join us for this year's showcase," said Tournament Director Dave Bucciero. "The College Showcase has always been about creating meaningful opportunities for players to be seen by college programs, and we're proud to continue that mission in partnership with NVA as we enter our 16th year."

NVA Academy Boys Director Gonzalo Ramella added, "NVA will build on the Loudoun showcase's long history of connecting talented players with college opportunities, further elevating the experience while drawing on that tradition."

The 2027 Loudoun/NVA College Showcase will take place March 5-7, 2027 and will feature more than 200 teams competing in front of college coaches and scouts from programs throughout the Mid-Atlantic and beyond.
