## TENANT MOVE OUT PROCEDURES

Please use the following checklist as a guide to complete your move out, and to help you avoid deductions from your security deposit. Completing this checklist will speed up the return of your deposit. This list, in conjunction with your original move-in inspection sheet, and any maintenance completed during your occupancy, will be used for your check-out inspection process.

### **IMPORTANT:**

Utilities **MUST** be on up until the day of move-out. Failure to keep the utilities on may result in delays during the inspection period, thus slowing down the return of your deposit. The company is not responsible for turning off your utilities. Reconnection fees may be charged if utilities are shut off prior to move out.

The following information is provided to help you get your security deposit returned without any misunderstandings:

1. If you haven't already, submit a formal written 30-day notice form to your property manager. This form must be received by our office to be considered official. Email, fax, or regular mail is accepted. If you do not have a form, you may request one from our office.
2. Cooperate with the showing of the residence for sale or re-leasing, keeping it in presentable condition.
3. According to the terms of your lease, RE/MAX Real Estate Services has 30-days to return your security deposit. Security deposits will be mailed to the forwarding address left with the office. If a forwarding address is not provided, company may retain the deposit if unable to reach you by phone. You may request to pick up your check directly from our office at the address listed above.
4. Remember to CLEAN your rental property inside/outside to avoid any charges against your deposit. Refer to the Move-Out Checklist for further information. Don't forget to lock all windows and doors. If the property is left unlocked, you could be liable for anything stolen or vandalized. A move out inspection will be completed within 24-48 hours after keys have been returned.
5. Pay all balances owed on your account. You will be required to pay for a full month if leaving in the middle of the month. Any pro-ration will be returned with the security deposit.
6. Do not leave keys at the home. If they are, you could be liable for paying additional rent if the office is unaware of your departure. Possession of the keys should be delivered in person or dropped off in the night slot to the following location:
