HERE'S HOW WE GUIDE YOU

1

We provide immediate care for the deceased and your family.

2

Using "The O'Connell Way", we help you plan a meaningful farewell event.

3

We manage the details of the event so you can experience love, loyalty, and friendship.

WE LOVE HEARING FROM THE FAMILIES WE SERVE

"You were unfailingly positive, clear, and helped us navigate the process smoothly, ensuring we felt heard and cared for in very difficult times. She was invested in caring for us and our father at the conclusion of his life and many times when we asked about a detail, she had already taken care of it. While she was in the background, if anything was needed, she was readily available. She provided clear, concise, reassuring directions to the pall bearers. We wanted to convey to you our appreciation of her professionalism, care, and positivity."

"You have been a bigger blessing to my family than you could ever know. In the midst of our terrible loss, you took over and we barely had to make any decisions. Your assistance the day of the memorial was magical. I was overcome by grief and you set up everything so perfectly. Our deepest gratitude."

"There are not enough words to thank you for all you help in the care of Mom. It's nice to have someone we truly can trust. Thanks for going over and above for us."

"I really am blown away by the steps your team takes to help families heal. You have created a special team and impactful mission."

"Because of the sensitivity, comfort, and support for all you gave, dealing with my mother's affairs was a more natural process and not a negative one. 'You Got It Right!'"

"It is difficult to put into words the appreciation for the special care and love that you showed our family as we laid our dear daughter to rest. Please know that the guidance, professionalism, and genuine caring warmed our hearts when we needed it the most."

O'CONNELL
Family Funeral Homes & Cremation Services

Tom and Janet O'Connell

In 1985 Tom founded what has become O'Connell Family Funeral Homes.

Dan O'Connell

An integral part of our family and history.
Gone but not forgotten.

Mike and Carla O'Connell

O'Connell Family Funeral Homes.

A funeral is a meaningful event. It is a time of celebrating the dignity of life and it provides a unique occasion for family and friends to share expressions of remembrance and appreciation.

This guide is designed to familiarize you with the services and products that comprise the different types of funeral arrangements. We feel it is important that you understand the scope of services that we provide and the costs of these services. We will carefully explain all options and choices available. By doing so, every family will be allowed to plan a funeral service which is most meaningful and beneficial to them, while at the same time staying within their financial means.

It is the commitment of the O'Connell family of professional funeral directors to continue our tradition of community service and personalized funeral celebrations.

WHY O'CONNELL FAMILY FUNERAL HOME?

- We are family owned and operated, meaning every family we serve is treated as if it were our own.
- We have that personal touch that is often lacking from some other firms, especially larger, corporate companies and cremation societies.
- We are caring, honest, supportive, and respectful. Our business motto is driven by our logo, the traditional Irish Claddagh, and we strive to pay tribute to that through extending our hands in **FRIENDSHIP**, being a beacon of our profession through **LOYALTY**, and serving each and every family with **LOVE**.
- Most important, we provide value! We take pride in what we do, and know the value funerals have on those who are grieving a loss. Helping you honor your loved one while allowing you to heal is a priceless experience that we know will hold lifelong meaning to you and your family.

1

We promise...to respect your budget

We believe that a funeral does not have to be expensive to be meaningful. Therefore, we will always listen and never push. Our goal is to help you create a service that honors the story of a lifetime regardless of how much you spend.

2

We promise...to help you share the stories of a lifetime

The stories of a lifetime are gifts to be shared, especially those about love, loyalty, and friendship. We help you select great stories and then develop creative ways to share those stories to honor your loved one's life.

3

We promise...you will be able to have a private goodbye

Many immediate family members find comfort in having a final moment with their loved one prior to the funeral, cremation, or burial. At O'Connell's, we offer options that allow you to spend personal, private time for reflection and farewell in the warm and inviting setting of our funeral home.

4

We promise...to offer a spiritually significant ceremony

Even people who do not identify as religious often want a spiritually significant ceremony. That's why we offer the services of an experienced Funeral Celebrant who will design the perfect ceremony for your loved one.

5

We promise...to provide a premium level of service for veterans

We are deeply honored to care for those who have served our country. As a gesture of gratitude, we are committed to providing enhanced service at no extra cost, as well as assistance with V.A. burial benefits and other benefits our veterans so richly deserve.

6

We promise...your service can be casual or formal

Funerals, like weddings, should be as casual or formal as you like. At O'Connells, we have had funerals that looked like a scene out of a country and western movie, some that looked like a Sunday church service, and everything in between. The choice is always yours to make.

7

We promise...to make everything as simple as possible

After losing a loved one, making decisions can be hard. That's why we try to make everything as simple as possible for your family. At O'Connells, you can choose from our simple service packages. Plus, we provide clear and concise handouts and paperwork. We believe that our job is to lessen your burden, not add to it.

It is your right, and our desire, that you have as complete of an understanding as possible regarding the cost of our services.

The biggest factor is the time element in terms of our personnel and the use of the funeral home facilities. The maintenance of this service is unending; that is, it must be available 24 hours every day of the year. There needs to be a licensed funeral director available 24 hours a day, 365 days a year. Therefore, ours is a 168-hour week and not the 40-hour week which is the accepted standard.

Many phases of our work are apparent; others are not. The following analysis of some of these details will help you to understand that no two funerals are exactly alike. Traditions, customs, social standing, personal feeling, financial ability, and a multitude of other influences affect each funeral. Our services must conform to each individual family's wishes, and their personal and religious needs.

The services listed below require an average of over 60 work-hours per funeral. In addition to these services, the licensed funeral director and staff are also available following the funeral services to assist the family.

Generally, the charges for a funeral are divided into five categories:

MEMORIALIZATION AND PERSONALIZATION

Veterans

We are honored and deeply appreciative of all veterans, and their dedicated and faithful service to our country. Anyone who is a member of the military at the time of their death, or has been honorably discharged from the military, is eligible to receive a number of benefits. Our team can help your family apply for these important benefits including: receiving a flag, financial benefits, military honors, coordination of burial in a National Cemetery, and/or a government issued marker, monument, or niche for the cemetery. We also work closely with local veteran organizations and offer a wide variety of military themed merchandise options.

Cemetery Monuments & Markers

We would be honored to help you personalize a monument or marker at the cemetery for your loved one. We work with many professional contacts to help in putting together a monument or marker that not only honors and memorializes your loved one, but also supports our local businesses and communities. One benefit to working with our team is that we can help get you a monument at a discounted price from the competitors!

We can also provide or help coordinate through our local affiliates a variety of other cemetery services, including: engravings, stone cleaning and maintenance, plant stands, and cemetery flower urn service, among many more!
