Additional information about treatment needs (or attach treatment plan):

MEET DR. BLACKWELL

Dr. Blackwell completed a one-year Advanced Education in General Dentistry residency through the US Air Force in 2014, where he was initially trained to provide Conscious Sedation. Dr. Blackwell attended the White Cap Institute in Utah in 2018 for his implant training and most recently was certified for Invisalign treatment. Dr. Blackwell provides comprehensive general dentistry, performing restorative procedures (fillings, crowns, and bridges), root canal therapy, scaling and root planing, extractions, implant placement, implant restoration, and bone/ tissue grafting, among other dental services. At Creekview Dental, we can also provide same-day indirect restorations (crowns and onlays) for patients.
