# WELCOME TO DELIGHTFUL ONBOARDING

Give new hires an awesome first day, not a stack of paperwork.

Employee Navigator's onboarding tools make it easy for HR to get new hires up and running without endless amounts of paperwork.

SET UP ONBOARDING IN MINUTES AND PUT THE REST ON AUTO-PILOT

1
Easily complete new hire forms

We made completing new hire forms painless for employees & HR.

2
Compliance simplified

There's no shortage of policies employees need to sign off on; our digital file makes tracking them a walk in the park.

3
Safety and training modernized

Modernize training, improve worksite safety & reduce workers comp costs.

4
Paperless benefit elections

Don't stop with onboarding, benefits can also be seamlessly managed online.

Delightful onboarding starts with superior software

Intuitive self-service	Customizable for every business
Comprehensive audit trail	Simple to set-up and manage
