Memorial Brick Paver Program

Friends of the Buford Massacre Battlefield are proud to offer the Memorial Brick Paver Program. For a donation of \$100 the Friends will install a personalized engraved 4" x 8" brick into the Memorial Patio that surrounds the American, South Carolina and Virginia flag poles at the Battlefield. The donation also includes a one-year individual membership in the Friends.

Each brick paver may contain 3 lines of script with up to 20 characters per line. Spaces and punctuation count as characters. The text will be centered on each line. An optional design that includes a graphic character, such as, a military logo or flower is available for \$6 additional. This reduces the script to 3 lines of 15 characters. See polarengraving.com/clip-art-gallery/ for available symbols.
