## Altar Linen Ministry

### Instructions

- ♦ On your assigned weekend, pick up the linen and check to see if the Holy Water fonts are almost dry or dirty.
- ♦ Check the Altar “topper.” If it is soiled, please change it.
- ♦ Please iron all linen and take a clean sample home so you know how to iron the folds correctly, if needed. (Please contact me for a copy of the folding instructions/diagram)
- ♦ Please do not wash or iron the Chapel’s linen. Thank you!

On behalf of the Clergy,

We would like to thank all of the ministers who have offered their services on cleaning and pressing the designed Chasubles. Your attention to detail with pressing the drape and fabrics to make sure our Priests make a lasting impression when celebrating Mass or Communion is greatly appreciated. If you should have any questions or concerns about the Linen Team, please contact the Director of Worship, Sarah Feery at 293-0086 or email: [worship@johnxxiicc.org](mailto:worship@johnxxiicc.org).

If you are unable to fill your ministry, please find a substitute to fill in for you. Also, please call the parish office to let us know who will be filling in.

Thank you so much for your time and we are so appreciative of your hard work!

This is a Corporal. It is similar to the cloth placemat you would use on your table at home. The Sacred Body & Precious Blood are placed on the Corporal during Mass.

The Corporal is a **SQUARE** linen. Our newer Corporals have a Cross embroidered at the **bottom center**. Some of the older ones have a Cross embroidered in the **middle** of the Corporal.

***FINISHED  
CORPORAL***

## STEP 1

This is a Purificator. It is similar to the cloth napkin you would use on your table at home. The Purificator is used to wipe the rim of the Chalice at Mass.

The Purificator is an **OBLONG** Linen. It has a Cross embroidered in the center. When finished, it also has a distinctive “accordion” fold at the top.

## STEP 2

With your finger, gently push inward on the fold until you get a “V” with the crease being **BELOW** the cross. Then iron down the “V”
