FAQ's

Q. What are your capacities?

A. We can host up to 180 daytime guests for a sit down meal or 160 guests for a buffet these include children and babies in high chairs. We can host up to 300 standing for an evening reception over both floors.

Q. How does the minimum food and drink spends work?

A. Minimum food and drinks spends are pre ordered items/tabs for your daytime guests, please take a look at our Food & Drinks Guide for all of our options. We also consider dry hire if you are using a caterer from our approved caterers list. Please note this does not include drinks.

Q. Do you have any restrictions/limitations as a venue?

A. As a listed heritage building we do not allow items to be stuck on the walls, hung from the beams, scattered table items such as table confetti gems, no real flame candles and no helium balloons. Please always discuss your decor ideas with a member of our Events Team.

Q. Do you have disabled access?

A. We have a stairclimber which is available to guests who have limited mobility or who are in a wheelchair. This machine will bring them up and down the stairs. However, we do not have disabled toilets within the building, they are located within the Pleasaunce.

Q. Can we provide our own entertainment?

A. Please speak to Staar Productions for all of your entertainment needs and questions. External entertainment suppliers need to be pre approved and are subject to admin fees. Bands & own DJ's will require one of our sound engineers to be present for the evening to manage the sound output. We sadly cannot have any brass instruments or Ceilidh bands in the evening.

Q. We are getting married in a registry office/church do you offer half day hire?

A. Our pricing is full day exclusive hire only, if you have your ceremony off site this is absolutely no problem, having the venue exclusively allows for a longer set up time for your on the day suppliers and flexibility with your arrival time to the venue.

Q. Do we get to try the food?

A. Our couples are invited to a group tasting evening to try a selection of canapes, wines and samples of our classic and traditional menu courses. Should you wish to have a private tasting this would be an additional cost, for our sit down menu items or hot fork buffets. We do not offer tastings on bbqs or hog roasts.

Q. What are your table sizes?

A. Our round tables are 5ft and our trestle tables are 6ft x 2ft. Maximum capacities of tables will be discussed with your event manager once you have confirmed your desired layout and guest numbers.

"We loved our wedding at the Tudor Barn, We didn't have to worry about anything. The venue is gorgeous and unique with great surrounding grounds for photos. Highly recommend" - Katherine H
