

COACH BIO

CELEBRATING OUTSTANDING LEADERSHIP!

WHAT IS ONE LIFE LESSON YOU HOPE YOUR PLAYERS TAKE AWAY FROM THE SEASON? To always have fun, continue to learn and that it doesn't matter how hard you fall, it's how fast you get up.

DO YOU HAVE ANY GAME-DAY SUPERSTITIONS? As a goalie, I had to make sure to hit every single post on the goal before the game started.

WHO WAS THE COACH THAT INFLUENCED YOU AND WHY? Danny O'Shea, from the Little Giants. He gave an opportunity to kids that were left off the team and believed in them but also made the kids believe in themselves.

TELL US ABOUT YOURSELF & YOUR FAMILY. I am 37 and get the opportunity to coach a team with Cassie (my wife). Have two daughters, Reina who is on the team and Solana who is the team's number one cheerleader. You can say soccer runs in the family and one of the many reasons Cassie and I do this.

HOW DID YOU GET INTO COACHING? I started with Rec Soccer to learn as I had never coached before. Playing and coaching are completely different, but as time went on, I started to learn more and liked coaching.

WHAT IS YOUR FAVORITE DRILL? Goalie Diving Drills
