VOLUNTEER HOURS

Director: Ali Gibbs
Email: nuuscvolunteers@gmail.com

We have opened hours for fall field cleanup on October 24. You can find them on PlayMetrics under "Volunteer Signups." There is also one remaining slot open for mowing fields later this week. These are the last opportunities to work volunteer hours this year. The Volunteer Policy can be found on our website. Volunteer hours are not required for families only doing fall soccer.

MLC CLUB DAY

Saturday, October 10

Once again, the Knights have invited NUUSC to participate in Club Day! Admission is FREE and kids wearing their NUUSC jersey get a \$5.00 voucher for a free snack and a drink. Without our relationship with MLC, we would not have a place to play soccer, so c'mon out to show your support and appreciation!

REC SOCCER U5-U8

Director: Cejae Boggs
Email: nuuscsecsoccer@gmail.com

Fall Rec Soccer will wrap up this week. Thank you for another great season!

The MLC grounds crew has asked us to remind parents that the Soccer Complex is a tobacco free space. If you could refrain from smoking or spitting chewing tobacco while you are there, that would be much appreciated! It's probably a good idea to limit spitting on the fields anyway since the little kids tend to roll in it.
