WENDINGER TRAVEL
1314 S FRONT ST, NEW ULM

Message from Nikina Howk, Gertens Flower Coordinator: Stay in your vehicle, pull forward all the way to the end of the garages and volunteers will load your flowers. Please be patient and follow the flow of traffic. A screenshot of a map with directions is attached to this email. If you are not able to pick up your flowers, please arrange for someone to get them for you. We will not do early pick up as delivery to us is not until Friday morning sometime.
