

WHAT IS ONE LIFE LESSON YOU HOPE YOUR PLAYERS TAKE AWAY FROM THE SEASON?

Teamwork!! Life is all about challenges. Becoming Division 3 Champions last year and moving up to compete with Division II was a big step but they really did amazing work by sticking together as a team and compete U10 Division II. I am proud of the team!

DO YOU HAVE ANY GAME-DAY SUPERSTITIONS?

No, I don't!

WHO WAS THE COACH THAT INFLUENCED YOU AND WHY?

Alex Ferguson-I was influenced by him because he took a couple of academy players at a young age and prepared them to become the world champions. It is all about the work ethic, fostering a winning mentality, and setting high standards. Without hunger and strong work ethics, one can never achieve true success. It should come within the individual. The coach can coach the players physically and tactically, but the players should have a strong will and mentality to compete.

TELL US ABOUT YOURSELF & YOUR FAMILY.

I am originally from Nepal and staying in New Ulm for the last 7 years. I live with my wife and three kids ages 9, 7, and 3. I love to travel and meet new people and places.

HOW DID YOU GET INTO COACHING?

I like to pass on the soccer skills and knowledge that I learned when I was a player myself. It gives me greater joys to coach them and develop their soccer skills.

WHAT IS YOUR FAVORITE DRILL?

My favorite drill is cross and finishing!
