## Marc J. Harari, Ph.D. 2

### SUPERVISORY/CLINICAL/ASSESSMENT EXPERIENCE

April 2007 –  
November 2009      **Clinical Supervisor (Part-time)**  
Dickerson Center for Children, Inc.

*Responsibilities:* Served as a part-time supervisor for master's level clinicians that performed forensic interviews on children that have allegedly been physically or sexually abused. Responsible for providing feedback to evaluators and sign-off on Medicaid reports.

September 2003 -  
April, 2005      **Treatment Director/Psychologist IV**  
South Carolina, Department of Juvenile Justice (SCDJJ). Broad River Road Complex (BRRC), John G. Richards Campus

*Responsibilities:* Served as Treatment Director and lead psychologist for the Alcohol and Other Drugs (AOD) and the Communities in School (CIS) programs. Responsible for treatment services for up to 196 male juveniles ages 12 - 18 housed in five living units. Treatment services included training licensed clinicians to perform individual therapy, group counseling, family therapy, and referrals to the campus psychiatrist. Provided direct supervision to the AOD program manager, three campus psychologists, and nine social workers. Oversaw all aspects of treatment programming including the development of program manuals, daily schedules, and treatment teams.

January, 2003 -  
September 2004      **Contract Psychologist (Part-time - evenings/weekends)**  
South Carolina, Department of Juvenile Justice (SCDJJ).

*Responsibilities:* Conducted forensic psychological evaluations for male and female juveniles housed in the Midlands Evaluation Center (MEC). Responsibilities included performing clinical interviews, administering and interpreting psychological and intelligence tests. Provided written reports and recommended juveniles disposition and treatment needs.

March, 2003 -  
April, 2005      **Coordinator of the Victim-Offender Mediation Program**  
South Carolina, Department of Juvenile Justice (SCDJJ)

*Responsibilities:* Coordinated comprehensive rehabilitative program based on Balanced and Restorative Justice Principles. Conduct group counseling sessions between crime victims, juvenile offenders, and community representatives. Wrote program manual on Victim-Offender Mediation for SCDJJ. Provide training and outreach to the SCDJJ community.

## **Marc J. Harari, Ph.D. 3**

October, 2002 -  
September 2003

### **Treatment Director/Psychologist IV**

South Carolina, Department of Juvenile Justice (SCDJJ). Willow Lane Campus.

*Responsibilities:* Served as Treatment Director and lead psychologist with the primary responsibility of coordinating treatment services for up to 140 male juveniles that were ages 12 - 18. Treatment services include individual psychotherapy, group counseling, family therapy, and referrals to the campus psychiatrist. Provided direct supervision and training of two program managers, two campus psychologists, and eight social workers housed in four treatment programs. Oversee all aspects of treatment programs including the development of their behavioral level systems, written program manuals, daily schedules, multi-disciplinary treatment teams, and special activities. Participated in numerous committees representing the Willow Lane Management Team.

August, 2000 -  
September, 2002

### **Program Director/Psychologist IV**

South Carolina, Department of Juvenile Justice (SCDJJ)

*Responsibilities:* Served as Program Director for the Systematic Treatment for Aggression Replacement Program (S.T.A.R.) and Young Offender Program (YOP). Coordinated programming and treatment for both units. S.T.A.R. program is a self-contained maximum security unit for physically aggressive juvenile offenders. The YOP is designed for a special population of 12-14 year-old juvenile offenders. Responsibilities of both programs included the development of a behavioral level system, written program manuals, coordinating multidisciplinary treatment teams, and arranging special activities. Responsible for supervising clinical staff.

August, 1999 -  
August, 2000

### **Psychology Intern (APA Accredited Internship)**

Counseling and Human Development Center  
University of South Carolina

*Responsibilities:* 2000-hour-pre-doctoral internship requirement for the Ph.D. in Counseling Psychology. Provided individual, couples, and family therapy to a culturally diverse, urban, university clientele. Coordinated and facilitated groups including self-hypnosis, meditation, and dissertation support. Performed crisis intervention, program development and delivery, psychological assessment reports, outreach and consultation activities, and supervision of master's level practicum students.

## Marc J. Harari, Ph.D. 4
