2026-2027

## Boker Tov and Extended Day Enrollment Procedures

**Registration for Boker Tov and Extended day begins on March 2nd, in person, in the preschool office.** Applications will be accepted on a first come, first serve basis. You can enroll for either program, or both.

We are anticipating that these programs will fill quickly, and we encourage you to take that into consideration when deciding when/if to apply. **If you enroll by March 6th, your spot will be guaranteed for 2026-2027.** Any registration received after March 6th will be accepted only if spots are available.

When applying, please bring the following:

- A completed registration form.
- One month of Extended Day/Boker Tov tuition.

This payment is non-refundable and will be applied to your September Extended Day/Boker Tov tuition.

Please let us know if you have any questions at [tbop@tbopreschool.org](mailto:tbop@tbopreschool.org).

## **Extended Day Expectations**

We offer before and after school options from 8 am until 9 am and again from 1 pm until 4 pm. These programs are supplemental to our regular school day and are available to children who are at least 2 years old for an additional fee.

Please note that if you are signed up for less than 5 days in any program, your child is enrolled for specific days and cannot swap days based on the calendar or attendance that week.

As supplemental programs that can involve mixed age groups, Boker Tov and Extended Day are not an appropriate fit for all children. Our expectations for children who attend these programs are the ability to:

- Be comfortable in a classroom that is not their own with rotating staff and children who are not part of their regular classroom.
- Rest quietly for up to 45 minutes.
- Manage bathroom routines consistently (with or without teacher assistance) OR be comfortable with diapering routines with teachers that are not their regular classroom teachers.
- Participate in classroom play and routines without the need for additional support beyond what the teachers provide as a regular part of the classroom.

We will make every effort to support your child as they transition into our supplemental programs. If we find that your child needs more support than we can provide in order to be successful, you may be asked to pause Boker Tov or Extended Day attendance for the remainder of the semester, and will reattempt on a case by case trial basis.
