

Stilton Church of England Primary Academy  
Primary PE and Sport Premium Funding 2023-24

**Current numbers on roll (nor) 5-11 132**

**Funding received: £16000 plus £10 per pupil from years 1-6 (£17320)**

**The revised vision for the Primary PE and Sport Premium is:**

**VISION**

**Inspire others, Participate together, Celebrate all**

PE at Stilton Primary Academy should inspire all children to be part of sport in some shape or form. Children at our school should have opportunities and be encouraged to try a range of sports, have a go at new sports and excel in old ones. They should support and encourage each other to value PE and participate fully in all that is offered to them. They should have a strong team spirit and make an effort to do their best at all times. That achievement whether it be a win or not should be celebrated together.

**OBJECTIVE:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

**We would expect indicators of such improvement to include:**

- the engagement of **all pupils** in regular physical activity – ensuring all children have an opportunity to have healthy, active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of **all staff in teaching PE** and sport
- broader experience of a range of sports and activities offered to all pupils
- increased involvement of pupils in leading sport related activities
- increased participation in competitive sport.

Coaching and Professional Development for staff	Impact/Rationale for spend and desired outcomes	Predicted Cost	Monitoring	Impact
